

THE POLITICS OF REAPPRAISAL 1918-1939

Edited by **Gillian Peele
& Chris Cook**

Introduction by Max Beloff

The Politics Of Reappraisal 1918 1939

M Mosston

The Politics Of Reappraisal 1918 1939:

The Politics of Reappraisal, 1918-1939 Gillian Peele, Chris Cook, 1975 *The Politics of Reappraisal 1918-1939* Gillian Peele, Chris Cook, 1975-06-18 The politics of reappraisal 1918-1939. Ed. by G. Peele and C. Cook. Introd. by M. Beloff ,1975 **The Politics of State Expansion** James Cronin, 2005-09-27 The expansion of the British state was neither automatic nor accidental Rather it was the outcome of recurring battles over the proper boundaries of the state and its role in economy and society The Politics of State Expansion focuses on the interests arrayed on either side of this struggle providing a new and critical perspective on the growth of the Keynesian welfare state and on the more recent retreat from Keynes and from collective provision **Aspects of British Political History 1914-1995** Stephen J. Lee, 2005-07-25 Aspects of British Political History 1914 1995 examines all the major themes personalities and issues of this important period in a clear and digestible form It introduces fresh angles to long studied topics consolidates a great body of recent research analyses views of different historians offers an interpretive rather than narrative approach gives concise treatment to complex issues is directly relevant to student questions and courses is carefully organised to reflect the way teachers tackle these courses is illustrated with helpful maps charts illustrations and photographs **The Politics of Planning** Daniel Ritschel, 1997 The concept of economic planning was a central theme of the popular economic policy debate in the 1930s Dr Ritschel traces the many interpretations of planning and examines the process of ideological construction and dissemination of the new economic ideas He concludes with an explanation of the planners retreat later in the decade from the economics of planning towards the far less ambitious but also less contentious alternative the middle way of Keynesian economics Britannia's Zealots, Volume I N.C. Fleming, 2018-10-18 Britannia s Zealots Volume I opens the first longitudinal study to examine the Conservative Right from the late 19th century to the present day British Conservatism has always contained a significant section fundamentally opposed to progressive reform A permanent minority in Parliament dissident right wing Conservatives nevertheless had allies in the press and sympathy among grassroots party members enabling them to create crises in the media and at party meetings N C Fleming charts the evolution of reactionary politics from its preoccupation with the Protestant constitution to its fixation with the prestige and strength of Britain s global empire He examines the overlooked ways in which Conservative Right parliamentarians shaped their party s policies and propaganda in and out of office and their relationships with the press and ordinary activists He seeks to demonstrate that this influence could be circumscribing and on occasion highly disruptive with consequences which remain relevant for today s Conservative party Britannia s Zealots Volume I will be of great interest to academics and students of British history right wing politics imperialism and 20th century history **Power Without Responsibility** James Curran, Jean Seaton, 2018-10-08 This book attacks the conventional history of the press as a story of progress offers a critical defence and history of public service broadcasting provides a myth busting account of the internet a subtle account of the impact of social media and explores key

debates about the role and politics of the media It has become a standard book on media and other courses but it has also gone beyond an academic audience to reach a wider public Hailed as a classic of media history and analysis by the Irish Times and a book that has cracked the canon by the Times Higher it has been translated into five languages This edition contains six new chapters These include the press and the remaking of Britain the rise of the neo liberal Establishment the moral decline of journalism the impact of social media and a history of attempts to reform the press It contains new research on the relationship between programmes institutions and society It places key UK institutions in the wider context of international affairs and their impact The book has been updated to take account of new developments like Brexit and the rise of Jeremy Corbyn and the shift in authority and legitimacy prompted by social media It does this with a clear explanation of how policy can shape media outcomes

A History of the Liberal Party since 1900 David Dutton, 2013-04-26 Once teetering on the brink of oblivion the British Liberal Party has again re established itself as a major force in national and local politics David Dutton's approachable study offers new insights into the waning near death and ultimate recovery of the Liberal Party from 1900 to the present day Discussions of politics philosophy and performance are all skilfully interwoven as Dutton demonstrates how the party has become once more a formidable player on the political stage The second edition of this established text offers An entirely new chapter on the coalition government A chronology of key events Numerous suggestions for further reading This lively survey of British Liberalism from the era of Campbell Bannerman to that of Nick Clegg reviews existing literature while offering its own distinctive perspective on one of the most compelling of political dramas

Now the War Is Over Simon Fowler, Daniel Weinbren, 2018-10-30 How did Britain respond to the momentous events of 1919 and 1920 as it adjusted to peace after four years of war What were the challenges the British people faced and how did they cope with the profound changes that confronted them Now the War Is Over seeks to answer these questions It looks at what happened in every sphere of life and it shows how even today we are still dealing with the consequences of those years of transition Across Europe there were revolutions a war for independence occurred in Ireland and on mainland Britain there were widespread race riots However most servicemen simply wanted to come home to their families and a secure job Some hoped for a return to the certainties of a pre war world but this was impossible too much had happened As they explore the troubled state of Britain immediately after the war Simon Fowler and Daniel Weinbren give us a fascinating insight into how the global conflict changed the direction of the nation

Getting the books **The Politics Of Reappraisal 1918 1939** now is not type of inspiring means. You could not only going once book addition or library or borrowing from your links to entre them. This is an no question easy means to specifically acquire guide by on-line.
