The Practice Of Everyday Life:

The Practice of Everyday Life Michel de Certeau, 2008 **The Practice of Everyday Life** Michel de Certeau, 1984

Michel de Certeau considers the uses to which social representation and modes of social behavior are put by individuals and groups describing the tactics available to the common man for reclaiming his own autonomy from the all pervasive forces of commerce politics and culture In exploring the public meaning of ingeniously defended private meanings de Certeau draws on an immense theoretical literature in analytic philosophy linguistics sociology semiology and anthropology to speak of an apposite use of imaginative literature *The Practice of Everyday Life* Michel de Certeau, Pierre Mayol, 1998 Volume 1 considers the uses to which social representation and modes of social behavior are put by individuals and groups describing the tactics available to the common man for reclaiming his own autonomy from the all pervasive forces of commerce politics and culture Volume 2 is based on on microhistories that move from the private sphere of dwelling cooking and homemaking to the public the experience of living in a neighborhood Delves into the subtle tactics of resistance and private practices that make living a subversive art **The Practice of Everyday Life** Michel de Certeau, 1984 Repackage of a classic sociology text in which the author develops the idea of resistance to social and economic pressures **The Practice of Everyday Life** Michel de Certeau, 1998 Volume 1 considers the uses to which social representation and modes of social behavior are put by individuals and groups describing the tactics available to the common man for reclaiming his own autonomy from the all pervasive forces of commerce politics and culture Volume 2 is based on on microhistories that move from the private sphere of dwelling cooking and homemaking to the public the experience of living in a neighborhood Delves into the subtle tactics of resistance and private practices that make living a subversive art **Ciaran Carson** Neal Alexander, 2010-01-01 A PDF version of this book is available for free in open access via the OAPEN Library platform www.oapen.org Ciaran Carson is one of the most challenging and inventive of contemporary Irish writers exhibiting verbal brilliance formal complexity and intellectual daring across a remarkably varied body of work This study considers the full range of his oeuvre in poetry prose and translations and discusses the major themes to which he returns including memory and history narrative language and translation mapping violence and power It argues that the singularity of Carson s writing is to be found in his radical imaginative engagements with ideas of space and place The city of Belfast in particular occupies a crucially important place in his texts serving as an imaginative focal point around which his many other concerns are constellated The city in all its volatile mutability is an abiding frame of reference and a reservoir of creative impetus for Carson s imagination Accordingly the book adopts an interdisciplinary approach that draws upon geography urbanism and cultural theory as well as literary criticism It provides both a stimulating and thorough introduction to Carson s work and a flexible critical framework for exploring literary representations of space *The Practice of Everyday Life* Michel de Certeau, 1988 *Michel de Certeau* Ian Buchanan, 2000 de Certeau is often considered to be the theorist of everyday life par excellence This book provides an

unrivalled critical introduction to de Certeau's work and influence and looks at his key ideas and asks how should we try to understand him in relation to theories of modern culture and society Ian Buchanan demonstrates how de Certeau was influenced by Lacan Merleau Ponty and Greimas and the meaning of de Certeau's notions of strategy tactics place and space are clearly described The book argues that de Certeau died before developing the full import of his work for the study of culture and convincingly it tries to complete or imagine the directions that de Certeau's work would have taken had he lived

Streaming by the Rest of Us Mia Consalvo, Marc Lajeunesse, Andrei Zanesco, 2025-02-18 An in depth investigation of the Twitch streamers who make up the largest population on the platform those streaming to small audiences or even no one The vast majority of people who stream themselves playing videogames online do so with few or no viewers In *Streaming by the Rest of Us* Mia Consalvo Marc Lajeunesse and Andrei Zanesco investigate who they are why they do so and why this form of leisure activity is important to understand Unlike the esports athletes and streaming superstars who receive the lion's share of journalistic and academic attention microstreamers are not in it for the money and barely have an audience In this the first book dedicated to the latter group the authors gather interviews from dozens of microstreamers from 2017 to 2019 to discuss their lives struggles hopes and goals For readers interested in livestreaming and Twitch in particular the book rethinks the medium's history through accounts of the everyday uses of webcams with particular attention to notions of liveness and authenticity These two concepts have become calling cards for the videogame livestreaming platform and underlie streamer motivations the construction of their practices whether casual serious or anywhere in between and the complex metas that take shape over time The book also looks at the authors' own practices of livestreaming focusing on what can be gained through experiencing the lived reality of the practice Finally the authors explain how Twitch's platform studied from 2017-2023 informs how streamers structure their every day and how corporate ideologies bleed into real world spaces like TwitchCon
