The Presence In The Promise:

The Presence in the Promise Harry N. Huxhold, 2000 If we want to know how God will treat the Christian Church we must look at how God treated the ancient people of Israel That s the premise of Harry Huxhold s seventeen messages based on First Lesson texts from the Revised Common Lectionary which demonstrate that the word and sacrament of Christian worship are as fresh as the promises of hope providence salvation grace and steadfast love that God first shared with humanity millennia ago Titles include Days of Promise Jeremiah 33 14 16 The Child of Promise Isaiah 9 2 7 The Promise of Baptism Isaiah 43 1 7 The Fruit of Forgiveness Genesis 45 3 11 15 Keeping the Glow On Exodus 34 29 35 and more Harry N Huxhold holds an M Div degree from Concordia Seminary St Louis an M Th degree from Luther Seminary St Paul Minnesota and a D Min degree summa cum laude from Christian Theological Seminary Indianapolis The author of fifteen books of devotional and sermonic materials and over fifty articles in theological journals and religious periodicals Huxhold currently serves on the pastoral staff at King of Glory Lutheran Church in Carmel Indiana *The Presence the Power and the Authority* Justice Annang, 2016-08-22 Equipped with spiritual understanding the child of God can walk in all the boldness God intended for us to walk in This book awakens us to the present reality of the Holy Spirit his ministry his power and the authority given to us by our Lord Jesus Christ The Holy Spirit is the president of the body of Christ and therefore must have preeminence in his body The purpose of this book is to exalt the Holy Spirit and to draw our minds to the fact that he is real personal and seeks to lead us This book also seeks to make us aware of the immeasurable authority we have in Christ We must exercise it *The Presence of God* J. Ryan Lister, 2014-11-30 God is with us We say this in our sermons prayers and songs but what does it really mean For many Christians the whole notion of God s presence remains vague and hard to define Exploring both the Old and New Testaments professor J Ryan Lister seeks to recover the centrality of the presence of God in the whole storyline of Scripture a theme that is too often neglected and therefore misunderstood In a world that longs for yet struggles to find intimacy with the Almighty this book will help you discover the truth about God s presence with his people and what his drawing near means for the Christian life *The Practice of the Presence of Jesus* Joni Eareckson Tada, 2023-10-24 Discover the joy of intentionally dwelling in the presence of God as the beloved author of Joni weaves contemporary insights with the timeless wisdom of seventeenth century monk Brother Lawrence Suffering has a way of heaving you beyond the shallows of life where your faith feels ankle deep It casts you out into the fathomless depths of God Joni from the Introduction Brother Lawrence lived through the drudgeries of monastery kitchen duty during the turbulence of 1600s France Joni Eareckson Tada suffered a terrible accident that broke her neck and left her paralyzed This tragedy led her from a life of distant faith to a life as a devout Christian and she later became a worldwide disability advocate and influencer sharing her experiences of suffering with grace In both their lives they each found the secret to peace joy and a way of being in constant conversation with the Father every day and every hour practicing the presence of God *The Practice*

of the Presence of Jesus ushers in wisdom from these two everyday saints more than 400 years apart to teach and inspire you to experience the nearness of God in your life Through rich devotional content from Brother Lawrence s *The Practice of the Presence of God* accompanied by original art and never before published insights from Joni you ll experience a unique blend of past and present wisdom on such themes as humility thankfulness fear worship obedience and more Each devotion ushers you into the peace of the Good Shepherd *From the Depths of Despair to the Promise of Presence* Joel Barker,2014-01-20

For decades the prophetic book of Joel has been the focus of scrutiny that belies its brevity It captures readers with its vivid descriptions of locusts and military invasion and the distress that they cause It then reveals the concern of YHWH for the covenant community as it systematically reverses the crises that it announces The book of Joel also offers a window into the rhetorical function of the day of YHWH as it uses the phrase to announce both judgment and restoration Reflecting the creativity of the Old Testament prophetic spirit the book then guides its readers from utter anguish to the hope of restoration rooted in the presence of YHWH *From the Depths of Despair to the Promise of Presence* delves into Joel s rhetoric and explores the ways in which it seeks to persuade its audience to adopt its perspective in order to respond to a time of crisis Barker evaluates the state of the discussion surrounding Joel s composition and relationship to the Book of the Twelve He develops a model of rhetorical criticism that builds on the foundations of previous approaches and proposes modifications that address the specific challenges posed by the book of Joel He then puts this model into practice and demonstrates that the book of Joel moves from scenes of devastation to promises of restoration in articulating the necessity of calling and relying on YHWH in all circumstances He explores the persuasive potential of Joel by focusing on its rhetorical structures and strategy He examines the way the book of Joel engages its audience and guides the people to realize that they must turn to YHWH so that YHWH will turn and bring restoration *From the Depths of Despair to the Promise of Presence* invites the reader to enter into the world of Joel It calls the reader to experience the ways in which the book of Joel intertwines threats of destruction and the hope of renewal in order to reveal the character of YHWH *Strengthened in the Presence of El Gibbor* Riaan Engelbrecht,2024-02-20

If we look at the life of Moses we find numerous spiritual lessons that will benefit any disciple of Jesus Is his life important Most assuredly as this volume of work explores He was a murderer yet God used him mightily He was almost killed as an infant yet survived to do great things for God leading a life of worth and value for 120 years He survived the harshness of two wilderness journeys totalling 80 years and rightly takes his place even though human as one of the great heroes of the Bible Moses as a prophet played a vital role in pointing towards the life and the ministry of Jesus Moses is of great importance in the Bible for he is recognised as a deliverer Exodus 3 7 10 covenant mediator Exodus 34 27 priest Psalm 99 6 and ruler Exodus 2 13 14 Acts 7 27 Moses s larger than life status as prophet was designed by God as a template from which all other prophets would be measured Enjoy this journey as covered in volumes one and two to know more about Moses and how we can spiritually grow on our journey with God **Christian Ethical Implications of**

the Presence of the Kingdom as God's Performative Action in the Light of Speech Act Theory Anna Cho ,2019 This book presents a novel Biblical ethical hermeneutic approach that emerges from an understanding of the presence of the kingdom of God in the Biblical text The approach is predicated upon the use of speech act theory abbreviated as SAT in relation to kingdom language in the Biblical text The approach shows how the notion of kingdom language as God s divine activity is elicited in the contemporary Christian s life by allowing it to operate beyond the world of the Biblical text In other words this approach establishes a Biblical ethical hermeneutic bridge between the text and its context and the context of contemporary readers of the text The alternative linguistic epistemology in SAT considers the principle of the kingdom of God in the past locution level the present illocutionary level and the future perlocutionary level The dynamic equivalences of the past present and future of the kingdom of God based on an SAT approach to the Biblical text can inform Christian ethical theory and moral action in the present world It can also provide a new moral sensibility in relation to God s sovereignty and the responsibility of Christians in contemporary society

Reading the Word of God in the Presence of God Vern S. Poythress,2016-03-16 Biblical interpretation is typically viewed as concerned with understanding the human author s intended meaning However for Christians the Bible is first and foremost God s Word and must be understood in that light Helping Christians approach the Bible with God in mind this book sets forth a more nuanced approach to biblical interpretation that pays attention to both the human and divine origins of these sacred texts Whether it s reviewing the three basic steps of interpretation or emphasizing the importance of paying attention to the Christ centered character of both the Old and New Testaments this book is a much needed resource for the church as it wrestles to defend the authority of Scripture in our increasingly relativistic world

The Promise of Beauty Mimi Thi Nguyen,2024-09-20 In *The Promise of Beauty* Mimi Thi Nguyen explores the relationship between the concept of beauty and narratives of crisis and catastrophe Nguyen conceptualizes beauty which she observes we turn to in emergencies and times of destruction as a tool to identify and bridge the discrepancy between the world as it is and what it ought to be Drawing widely from aesthetic and critical theories Nguyen outlines how beauty or its lack points to the conditions that must exist for it to flourish She notes that an absence of beauty becomes both a political observation and a call to action to transform the conditions of the situation so as to replicate preserve or repair beauty The promise of beauty can then engender a critique of social arrangements and political structures that would set the foundations for its possibility and presence In this way Nguyen highlights the role of beauty in inspiring action toward a more just world

Promise and Presence John E. Colwell,2011-09-22 John Colwell presents a robust sacramental theology for Protestant churches He maintains that a doctrine of the Trinity leads us to conceive of God s gracious engagement with his creation as one that is mediated through that creation And this lies at the foundation for an understanding of the sacraments Colwell further argues that the Church and Scripture confer context definition and validity on all other sacramental events The final section reconsiders the seven Sacraments of the Catholic

tradition in the light of the understanding of sacramentality developed earlier in the book baptism confirmation the Lord's Supper cleansing healing ministry and marriage Colwell discusses the Sacraments from an evangelical perspective but with a committed ecumenical intent
