Reidy, 2010-01-07 Eternal Egypt Ancient Rituals for the Modern World is the first comprehensive collection of important temple rituals performed throughout Egypt during the time of the pharaohs The author presents seven key rites from official temple records and ancient esoteric texts for personal or group use This guidebook also presents rituals in a form designed to assist initiates in restoring the ancient rites of Egypt provides for modern usage key ritual texts coming solely from authenticated ancient sources contains easy to follow commentaries and background information on each ritual including symbolism and mythology not previously available in one book gives text with commentary for the Opening of the Mouth ceremony offers practical information for conducting these rituals in today's world Formerly only available to the scholar and professional Egyptologist these ritual texts reveal the deeply spiritual understanding of humanity's relationship to divinity that characterized the ancient Egyptian sense of the
