The Primal Vision

The Primal Vision:

The Primal Vision John Vernon Taylor, 2001 *The Primal Vision* is widely regarded as one of the most important books ever published on the subject of African Christianity. In a sympathetic and warmly empathetic style John Taylor tells of his encounters with many different African people and reflects theologically on the conversations he has shared with men, women and children in a wide variety of circumstances. By suggesting that the missionary should listen and learn from indigenous culture and appreciate his status as a guest, the book points towards a revisionist understanding of Christian mission. John V. Taylor was Bishop of Winchester from 1975-85 and General Secretary of the Church Missionary Society from 1963 to 74. He died in 2001. [The Primal Vision](#) John Vernon Taylor, 2001
