Sink All The Shipping There Canadas Wartime Merchant Ship And Fishing Schooner Sinkings:

Oceans of Fate Dan Black,2025-02-18 The remarkable story of how one ship doomed by war intersected lives and crossed into history Completed in 1913 for Canadian Pacific the Empress of Asia plied the oceans for nearly 30 years Built for long haul ocean travel during peace time she saw wartime service as an armed merchant cruiser and troopship before Japanese dive bombers destroyed her in 1942 Through the Roaring Twenties and the Great Depression she brought continents and people together delivering mail and multimillion dollar consignments of silk As a luxurious passenger liner she was a Greyhound of the Pacific braving epic storms and smashing transpacific speed records From stokehold to bridge steerage to first class staterooms she steamed with a kaleidoscope of lives including courageous and recalcitrant crew immigrants and refugees seeking a better life or relief from disaster drug smugglers weapons dealers and the idle and not so idle rich This is the dramatic story of how that one ship and the lives of those on board intersected during a tumultuous period of world history culminating in her sinking off Singapore in the Second World War

Sink All the Shipping There Fraser M. McKee,2003-11 The author s previous book *The Canadian Naval Chronicle* contains a chapter which gives brief details of Canadian merchant ship sinkings While Fraser McKee and co author Robert Darlington were researching those often tragic stories it became apparent they deserved a fuller treatment in a book of their own Here as a result are sixty accounts of ship losses compiled from primary sources and wherever available first hand interviews with survivors Some are complete with details of ship movements and attacking U boats In other instances there were no survivors and almost no record of what happened in those last hours The stories are grouped according to owners or other elements they had in common Each includes a list of crew lost as well as sources used Summary tables give details of ownership convoy group and means of destruction in a quick reference format
