Wu, 2022-12-28 China and the Soviet Union first published in 1950 is written by a Chinese former diplomat and university professor and calls on his many years of experience to provide an even handed analysis of Sino Russian relations It ranges back to 1618 for some much needed historical background but the major part of Wu s examination of the diplomatic relations between the two countries deals with the Soviet Union since 1918      **The Taiwan Issue In Sinoamerican Strategic Relations** Martin L Lasater, 2019-07-09 The first two years of the Reagan administration saw a close correlation between improved unofficial relations between Washington and Taipei and a deterioration of strategic cooperation between Washington and Beijing These developments led many U S officials and scholars to conclude that U S security interests may require periodic concessions over Taiwan to ensure China s cooperation in countering the Soviet threat Rejecting this view Mr Lasater argues that Washington s and Beijing s bilateral relations with Moscow and not the Taiwan issue are the key international determinants of Sino American strategic cooperation Examining the parameters of that cooperation and the role of Taiwan in Sino American relations Mr Lasater suggests that Beijing is deliberately using U S security concerns to seek concessions on Taiwan and other issues He advises a policy that stands firm in negotiations with the Chinese and that resists the temptation to make politically expedient concessions a more balanced course of action whereby improved relations with Beijing are sought concurrently with the maintenance of friendly unofficial ties with Taipei      **China Learns from the Soviet Union, 1949-present** Thomas P.
