Six Enigmas In The Bible:

Six Enigmas in the Bible M. Ninan, 2005-03 In this book Dr Ninan deals with some of the most difficult and controversial areas of biblical studies from historical and biblical points of view The study includes 1 The unique theophany of Yhvh as the Angel of the Lord 2 Melchizedek the Pre Abrahamic Priest of El Elyon and King of Salem 3 The strange beings that are associated with Yhvh the cherubim Are they real or imaginary What do they mean 4 The four faces of the one gospel which again represent the faces of the cherubim 5 In spite of all the negative propaganda and slander against December 25 Christmas a biblical analysis unequivocally defines it as the real birthday of Jesus 6 The apparent contradiction in the genealogy of Jesus in Matthew and Luke is resolved to show how the scripture is inerrant and accurate Curiosities of the Bible, 1880 Curiosities of the Bible J.
