Six Decades To A Degree:

Six Decades to a Degree Anna Jordan Buttrey,1964 *Six Decades to Wisdom ... (maybe)* Darryl L Gopaul,2006-09

From the humorous to the melancholy author Darryl L Gopaul tells how he went from middle class beginnings on the island of Trinidad and living through rationing during World War II to prosperity after beginning anew in the United Kingdom and later in Canada *Six Decades to Wisdom* maybe weaves a tale about a man who lives life to the fullest Throughout Gopaul's life people are his directional signposts Although they are not all smiling or gracious their guidance comes in myriad forms to shape his education profession and life Not only does he survive obstacles and prejudices but he also learns and thrives He makes a home in the Great White North where he enjoys all three seasons great friendships and trusted colleagues Maturity is difficult to define wisdom is even harder still to explain However through his account of the times he had to move on or change direction Gopaul illustrates these concepts with ease Humor is Gopaul's overriding companion as he relives forty precious years of life in *Six Decades to Wisdom* maybe **Audiological Research Over Six Decades** James

Jerger,2021-06-09 As a pioneer in the field of audiology Dr James Jerger has been involved in cutting edge resource throughout the development of the field In his new text *Audiological Research Over Six Decades* readers can experience the evolution of diagnostic audiology through his unique perspective By detailing case studies from his own work over the years Dr Jerger gives his audience a chance to be a fly on the wall for major moments throughout the history of audiology In the first section of the book Dr Jerger relates case studies and other stories from his early years in the field including his time at both Northwestern University and the Houston Speech and Hearing Center Then he traces his years at Baylor College of Medicine In the final section he discusses his time researching auditory event related potentials at the University of Texas From the Foreword by Brad A Stach PhD This book is an adventure It tells the story of the evolution of diagnostic audiology through the voice of one of its greatest contributors Dr James Jerger Jerger's lively narrative describes in his wise and witty way what he was thinking throughout six productive decades of game changing audiological research He provides us with a view through case studies of his own work of an unparalleled perspective from the room where it happened Papers
