Speechless - Never Again! Use Quick-Wittedness & the Power of Rhetoric Simone Janson, 2025-11-17

Also in the 8th revised and improved edition published by a government-funded publisher involved in EU programs and a partner of the Federal Ministry of Education, you receive the concentrated expertise of renowned experts. Overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage. At the same time, you do good and support sustainable projects. Because only who speaks is noticed in our society and thus visible. But this also requires a fair amount of self-confidence. Especially introverted and highly sensitive people find it difficult to expose and show themselves too much in the light of the public. This is especially true when they are exposed to verbal attacks and embarrassing situations. But authentic self-confidence, a confident demeanor and a calm approach to criticism can be learned. Self-love is the key to success here. After all, everyone has something to say and some targeted rhetorical tips and tricks can help to speak in front of an audience, to argue in a quick-witted manner and thus to get one's own message across convincingly. This book helps you to strengthen your self-confidence, to build up your appearance and impact and to decisively improve your charisma and charisma so that you will never again be speechless. Good luck and have fun reading. Knowledge that makes a difference. With its Information on Demand concept, the publisher was not only involved in an EU-funded program but also received several awards. So when you buy the book, you are also doing good. The publisher is financially and personally committed to socially relevant projects such as tree-planting campaigns, scholarship foundations, sustainable living and many other innovative ideas. The goal of providing you with the best possible content on topics such as career, finance, management, recruiting or psychology goes far beyond the static nature of traditional books. The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice. In doing so, expertise and technical innovation go hand in hand as we take the responsibility of delivering well-researched and reliable content as well as the trust you place in us very seriously. Therefore, all texts are written by experts in their field. Only for better accessibility of information, we rely on AI-supported research results to a limited extent to make information easier to find, which assists you in your search for knowledge.
