Splendor Of Love:

The Measure of Love, 2nd Edition Michael R. Hodge, 2011-03-21 The Measure of Love is a weekly devotional on the Ten Commandments with five daily devotions per week Each devotion features a Scripture passage thought to consider and insights on that particular passage for the day

Way of Love Norman Wirzba, 2025-10-30 Way of Love invites readers to discover the Christian faith as a school that forms people in the practices of love Love is the heart of Christian life because believers are called to follow in the footsteps of the God who is love While attending to Scripture and the lives of saints and strugglers Wirzba shows why love is hard but also why it is necessary for the healing of our communities and world Way of Love is unique because it shows that love is both a practice and the key to understanding what Christian teaching is fundamentally about and why it matters for our daily lives In a time when an increasing number of people see religion as irrelevant and Christian faith as mired in rancor and hate Wirzba challenges Christians to a better way that prioritizes care and compassion for people and for the whole of creation

Wide Awake, 1890

The Living Flame of Love: Study Edition St John of the Cross, Kieran Kavanaugh, 2023-07-30 St John of the Cross described the stanzas of his poem The Living Flame of Love as the songs of the soul in the intimate communication of the union of love with God The verses capture the mystical vistas from the summit of the saint's spiritual journey describing the mystery and powerful experience of divine transformation as the soul encounters and unites with the pure love of God After the poem's composition and at the request of his friend the laywoman Doña Ana de Peñalosa St John of the Cross wrote the prose commentary that represents his final word on the journey of the soul's transformation toward union with God In these verses and commentary our saintly guide teaches us as the Mystical Doctor of the Church but also as a gentle pastor Readers can aptly place themselves in the position of Doña Ana a fellow soul on this journey of transformation in God's grace following this holy shepherd along the narrow paths of purification toward our eternal dwelling place in God and union with him In this study edition Father Kieran Kavanaugh O.C.D. offers important context and contemporary interpretive notes concerning the teaching of St John of the Cross in The Living Flame of Love This edition includes Study guides provided throughout the book which provide helpful guidance and explanation A glossary of terms offering definitions as they pertain to John's specific usage throughout the work Comprehensive indexes of key themes and biblical references which make this edition an indispensable reference resource With the combination of a modern scholarly translation of St John of the Cross's text and a contemporary commentary The Living Flame of Love Study Edition affords readers the opportunity to gain a much deeper appreciation for the beauty and richness of St John's perennial teaching on the experience and science of love The indexes are fully linked

Soldier Songs and Love Songs Alexander Hamilton Laidlaw, 1898

In the Company of Demons Armando Maggi, 2008-05-12 Who are the familiar spirits of classical culture and what is their relationship to Christian demons In its interpretation of Latin and Greek culture Christianity contends that Satan is behind all

classical deities semi gods and spiritual creatures including the gods of the household the lares and penates But with In the Company of Demons the world s leading demonologist Armando Maggi argues that the great thinkers of the Italian Renaissance had a more nuanced and perhaps less sinister interpretation of these creatures or spiritual bodies Maggi leads us straight to the heart of what Italian Renaissance culture thought familiar spirits were Through close readings of Giovan Francesco Pico della Mirandola Strozzi Cigogna Pompeo della Barba Ludovico Sinistrari and others we find that these spirits or demons speak through their sudden and striking appearances their very bodies seen as metaphors to be interpreted The form of the body Maggi explains relies on the spirits knowledge of their human interlocutors pasts But their core trait is compassion and sometimes their odd eerie arrivals are seen as harbingers or warnings to protect us It comes as no surprise then that when spiritual beings distort the natural world to communicate it is vital that we begin to listen
