## **Take Your Time Finding Balance In A Hurried World:**

**Take Your Time** Eknath Easwaran, 2010-06-29 Life today can feel so fragmented. Often we face enormous pressures both on the work front and at home. Irritable and drained at the end of a long day we wonder what it is all about. But if we look at our choices through Easwaran's eyes it's surprising how quickly we begin to discover patience, peace, and meaning. Easwaran shows that the key to finding peace isn't necessarily changing how we work or what we do, but how we think. We may not realize it, he writes, but it is the mind, not external events, that drives our constant sense of urgency and restlessness. When we're tired, we need a book we'll enjoy. Easwaran is a master storyteller, and *Take Your Time* has many entertaining, all too recognizable everyday anecdotes to make us smile as we read his insights.

**A Physician's Guide to Coping with Death and Dying** Jan Swanson, Alan Cooper, 2005 Education about death and dying has been almost ignored in medical schools. Recently, however, it has become increasingly obvious that the preferences of dying patients are being ignored, leaving many patients to die lonely, scared, and in pain. There is a growing realization that physicians can help dying patients achieve a more peaceful death, and increased recognition that good end-of-life care is not just the province of specialized hospice physicians or nurses. In *A Physician's Guide to Coping with Death and Dying*, Jan Swanson and Alan Cooper, a physician and a clinical psychologist with many years of experience, offer insights to help medical students, residents, physicians, nurses, and others become more aware of the different stages in the dying process and learn how to communicate more effectively with patients and their families. They also discuss the ways physicians and other caregivers can learn to reduce their own stress levels and avoid the risk of burnout, allowing them to achieve balance in their lives and be more effective professionally. The authors use case examples and thought-provoking exercises to provide a personal learning experience. *A Physician's Guide to Coping with Death and Dying* includes an extensive bibliography and a unique web resource section with contacts to many organizations working with patients suffering from life-threatening illnesses.

*Take Your Time* Eknath Easwaran, 1997-09-01 A renowned expert on meditation presents a sequel to his book *Your Life Is Your Message* that offers readers deep yet practical ways of slowing down their everyday pace without sacrificing productivity by focusing their energies.

*Unclutter Your Life* Katherine Gibson, 2011-08-02 Are you ready to move into a bright, clutter-free future? From noise pollution to financial messes and stressful relationships, clutter affects ALL aspects of our lives, not just our physical spaces. If you've tried feng shui and other organizing techniques and you still can't find clarity in your life, this down-to-earth guide will show you how to evict the clutter culprits and cultivate peace of mind in your home and soul.

*Tranquility* David W. Henderson, 2015-09-01 There's never enough time. So we try to cram as much as possible into what little time we have: work, friends, play, rest. But what if? How do I fit it all in? Isn't the right question? Scripture has a lot to say about time. Taking a cue from Ecclesiastes: Better one handful with tranquility than two handfuls with toil and chasing after the wind, and drawing on everything from Augustine's *Confessions* to conversations with air traffic controllers, David W. Henderson encourages us to move beyond merely trying to

open up a bit of margin or to say no once in a while and to take a purposeful step back from our lives to examine those internal and external dynamics that propel us into busyness and hurry Sharing honest stories about his own struggles with busyness he helps readers explore the way the Scriptures frame our time understanding the times making the most of the time and trusting God with the rest For anyone who is tired of feeling the push and pull of our time bent culture this book will be a welcome invitation to rest and to live artful and faithful lives marked by peace and tranquility      **Clutter Clearing**
