

THE MAKING OF AN AMERICAN ENEMY

# TAKEN HOSTAGE

# Taken Hostage

**Pamela Baldwin**

## **Taken Hostage:**

**Taken Hostage** David Farber, 2009-01-10 On November 4 1979 Iranian militants stormed the United States Embassy in Tehran and took sixty six Americans captive Thus began the Iran Hostage Crisis an affair that captivated the American public for 444 days and marked America's first confrontation with the forces of radical Islam Using hundreds of recently declassified government documents historian David Farber takes the first in depth look at the hostage crisis examining its lessons for America's contemporary War on Terrorism Unlike other histories of the subject Farber's vivid and fast paced narrative looks beyond the day to day circumstances of the crisis using the events leading up to the ordeal as a means for understanding it The book paints a portrait of the 1970s in the United States as an era of failed expectations in a nation plagued by uncertainty and anxiety It reveals an American government ill prepared for the fall of the Shah of Iran and unable to reckon with the Ayatollah Khomeini and his militant Islamic followers Farber's account is filled with fresh insights regarding the central players in the crisis Khomeini emerges as an astute strategist single mindedly dedicated to creating an Islamic state The Americans student captors appear as less than organized youths having prepared for only a symbolic sit in with just a three day supply of food ABC news chief Roone Arledge newly installed and eager for ratings is cited as a critical catalyst in elevating the hostages to cause célèbre status Throughout the book there emerge eerie parallels to the current terrorism crisis Then as now Farber demonstrates politicians failed to grasp the depth of anger that Islamic fundamentalists harbored toward the United States and Americans dismissed threats from terrorist groups as the crusades of ineffectual madmen *Taken Hostage* is a timely and revealing history of America's first engagement with terrorism and Islamic fundamentalism one that provides a chilling reminder that the past is only prologue

*Taken Hostage Stories and Strategies* Larry Busch, 2016-04-30 Written by a former hostage negotiator *Taken Hostage* provides specific daily behavioral situational and long term psychological strategies used successfully by hostages who survived months and years of mental and physical torture by terrorists religious extremists and criminal gangs The book describes in detail the five stages of a hostage taking Whether taken hostage for ransom political leverage or as a human shield the book suggests what treatment the hostage can expect during each stage and how to best counter them *Taken Hostage* describes how a hostage can moderate the physical and mental effects caused by physical tortures such as binding suspension beatings starvation and sexual assault and against mental tortures such as social deprivation false executions and brainwashing The book identifies the mental hazards of depression suicide and barbed wire psychosis and how to combat them Particular strategies such as passive compliance and humanizing will instruct the hostage on how to apply recognized psychological strategies to the hostages advantage and as such play a more active role in their day to day physical treatment and sustain positive mental health The book stresses safer travel planning as the most important strategy against being kidnapped in the first place It details hotel security insider accomplices finding the right hotel and the right taxi and how to use countersurveillance

techniques to identify and thwart a potential kidnapping The book coaches the hostages family and employers back home how to effectively manage the media and one another thereby reducing the incidence of hostage and family PTSD and reintegrating a changed person back into their changed family The detailed survival strategies will inspire a hostages will to live and sustain a familys hope It is written for domestic and international travelers UN and NGO volunteers military personnel and anyone in harms way How to Avoid, Prepare For, and Survive Being Taken Hostage Defense Information Access Network,1987 Negotiating with Terrorists Guy Olivier Faure,I. William Zartman,2010-02-25 This edited volume addresses the important issue of negotiating with terrorists and offers recommendations for best practice and processes Hostage negotiation is the process of trying to align two often completely polarised parties Authorities view hostage taking as unacceptable demands made by unacceptable means However terrorists view their actions as completely justified even on moral and religious grounds If they are to try and reconcile these two sides it is essential for hostage negotiators to understand terrorist culture the hostage takers profiles their personality their view of the world and also the authorities their values and their framing of the problem raised by the taking of hostages Although not advocating negotiating with terrorists the volume seeks to analyse when why and how it is done Part I deals with the theory and quantifiable data produced from analysis of hostage situations while Part II explores several high profile case studies and the lessons that can be learnt from them This volume will be of great interest to students of terrorism studies conflict management negotiation security studies and IR in general I William Zartman is the Jacob Blaustein Distinguished Professor Emeritus of International Organization and Conflict Resolution and former Director of the Conflict Management and African Studies Programs at the Paul H Nitze School of Advanced International Studies Johns Hopkins University Washington DC He is a member of the Steering Committee of the Processes of International Negotiation PIN Program at the International Institute of Applied Systems Analysis IIASA in Laxenburg Austria He is author editor of over 20 books on negotiation conflict and mediation Guy Olivier Faure is Professor of Sociology at the Sorbonne University Paris I and a member of the Steering Committee of the Processes of International Negotiation PIN Program at the International Institute of Applied Systems Analysis IIASA in Laxenburg Austria He has served as an advisor to French government on hostage negotiations **The Elements of Police Hostage and Crisis Negotiations** James L Greenstone,2013-05-13 Run a safe and successful crisis negotiation from start to finish The Elements of Police Hostage and Crisis Negotiations Critical Incidents and How to Respond to Them reduces the negotiation procedures for hostage barricaded and suicide incidents to their basic elements providing quick and easy access to the information you need from the initial call out to the final debriefing Based on field tested principles proven to work the book also includes newly developed and highly specialized techniques for more experienced negotiators Author James L Greenstone provides a user friendly step by step guide to the intervention and negotiation process that will help you get the job done right Designed for day to day on the scene use The Elements of Police Hostage and Crisis Negotiations is a practical

handbook for experienced professionals and novices that can also be used as a supplementary textbook for criminal justice crisis intervention and psychology coursework Each chapter contains useful checklists procedural notes tables strategy worksheets and forms and the book includes special indices for quick reference in addition to a traditional index Dr Greenstone a police mental health consultant and psychologist who served as Director of the Psychological Services Unit of the Fort Worth Police Department in Texas uses a simple and direct format that emphasizes procedures action and results leaving theoretical discussions for another time and place The book examines the negotiation process from start to finish including preincident preparations first response responsibilities responding to the call out arriving at the scene preparing to negotiate making contact preparing for the surrender post incident tasks preparing equipment and more Topics covered in The Elements of Police Hostage and Crisis Negotiations include legal considerations telephone surveillance guidelines the Stockholm Syndrome working with S W A T and Tactical Emergency Medical Support dealing with the media recognizing red flags the issues of suicide debriefing the hostage team the 150 laws of hostage and crisis negotiation and the 10 most serious errors a negotiator can make The Elements of Police Hostage and Crisis Negotiations Critical Incidents and How to Respond to Them is a practical guide that is equally effective in the field in training and in the office

### **Psychology in Prisons**

Pamela Baldwin, 2002-09-11 Psychology in Prisons illustrates how a knowledge of psychological principles can lead to a better understanding of the prison environment and the problems that occur within it The authors show how psychology can be used to increase understanding of prisoners and to deal with day to day problems in prison life They focus on key problem areas such as sex offenders violent criminals and the issue of AIDS The book also explores the effects of the prison environment on staff and suggests means of reducing the levels of stress

### **A practical overview of hostage**

**negotiations** G. Dwayne Fuselier, 1981 Hostages and Human Rights Sofia Galani, 2021-07-08 Hostage taking has increased in recent years and has become a problem of worldwide concern Terrorists and pirates have used hostages in a rising number of incidents and the violence used has escalated alarmingly Sofia Galani examines the taking of hostages from a victim's perspective arguing that the international community has failed to protect them By evaluating various international law concepts and frameworks including jurisdiction in international law state responsibility and international human rights law Galani explains why we are still far from recognizing hostages as victims of human rights violations She then addresses the question of what can be done to safeguard the human rights of hostages both in theory and practice Being the first comprehensive study of the human rights of hostages this book fills a critical gap in the literature for human rights lawyers and researchers in the field

### **What is Love?** Vijay Shankar Sharma, 2018-06-27 Love plays an important part in our lives

Countless books and relationship experts talk about love as the panacea for all ills in the world With the entire existing knowledge on the subject of love painstakingly researched for this book it is clear that no one really knows what love is how it happens or how can it be given or taken All that is known are the chemical changes that happen inside people in love or

how they feel and other non specific things Do you know what is love Do you think it is possible to define love in a definitive and actionable manner Do you think there can be actionable guidelines on how to give and get love in any relationship Do you think love between for Parents Children Siblings Friends Pets Causes and Objects cannot be compared Do you think love will work in business and leadership Do you think love will work in all human interactions Do you think love can be measured Prepare to be pleasantly surprised

**Crisis Negotiations** Michael J. McMains,Wayman C. Mullins,2014-09-19 Leading authorities on negotiations present the result of years of research application testing and experimentation and practical experience Principles and applications from numerous disciplines are combined to create a conceptual framework for the hostage negotiator Ideas and concepts are explained so that the practicing negotiator can apply the principles outlined

Which Lessons Matter? Christopher Hemmer,2012-02-01 As policy makers turn to the lessons of history to which lessons will they turn This book offers a model of the analogical reasoning process that helps answer the important question of why some historical analogies are seen as relevant for later decisions while others are ignored It explores the previously neglected possibility that analogies can do more than simply advance the pre existing interests of decision makers but can also determine the very interests policy makers seek to further The usefulness of this approach in impacting the lessons of history is demonstrated by examining American policy toward Iran concerning American hostages from 1979 to 1987

detailing both the Carter administration s policy during the Hostage Crisis and the Reagan administration s policy that resulted in the Iran Contra Affair **Trauma and Coping Mechanisms among Assemblies of God World Missionaries** Valerie A. Rance,2021-12-21 Trauma from the fall of Adam and Eve forward impacts human lives in overpowering ways A review of the lives of biblical personalities and missionaries reveals shared traumatic experiences In addition to the stress of cultural adjustment missionaries often live in contexts of violence political unrest economic instability natural disasters and relational conflict The examined biblical personalities faced similar issues yet a majority coped with trauma in ways that led to well being The proposed biblical theory of well being assists missionaries to move deeper in their trust of God by utilizing the coping skills of the biblical personalities including asking God for help lifting up their praise and worship to God standing on a sense of call working with God lamenting venting to God in healthy ways embracing a theology of suffering and accepting assistance from friends and family The adherence to the constructs of this theory protects missionaries from the ravages of psychological trauma by avoiding negative coping and developing positive coping skills that lead to trusting in the only One who gives hope in seemingly hopeless situations Days of Decision Michael J. Nojeim,David P. Kilroy,2011-02

Shows students how to analyze foreign policy choices *When Violence Erupts* Dennis R. Krebs,2003 Designed to teach EMS personnel how to function both effectively and safely in high stress situations *Encyclopedia of Crisis Management* K. Bradley Penuel,Matt Statler,Ryan Hagen,2013-03 From general theories and concepts exploring the meaning and causes of crisis to practical strategies and techniques relevant to crises of specific types crisis management is thoroughly explored

Features the electronic version of this allows students to explore customized response plans for crises of various sorts Appendices also include a Resource Guide to classic books journals and internet resources in the field a Glossary and a vetted list of crisis management related degree programs crisis management conferences etc     Understanding Foreign Policy Decision Making Alex Mintz,Karl DeRouen Jr,2010-02-22 Understanding Foreign Policy Decision Making presents a psychological approach to foreign policy decision making This approach focuses on the decision process dynamics and outcome The book includes a wealth of extended real world case studies and examples that are woven into the text The cases and examples which are written in an accessible style include decisions made by leaders of the United States Israel New Zealand Cuba Iceland United Kingdom and others In addition to coverage of the rational model of decision making levels of analysis of foreign policy decision making and types of decisions the book includes extensive material on alternatives to the rational choice model the marketing and framing of decisions cognitive biases and domestic cultural and international influences on decision making in international affairs Existing textbooks do not present such an approach to foreign policy decision making international relations American foreign policy and comparative foreign policy     *In the Light of Agape* William Greenway,2024-05-14 We see children squealing with delight in new fallen snow We see shocked survivors of the tsunami hugging broken bodies We are not first objective detached or neutral Instantly we are joyful or horrified A singular force fuels our joy and our horror agape Agape is as palpable as gravity As weight is to gravity so good is to agape or in violation so evil is to agape Predominant Western rationalities preclude theorizing of agape So secular intellectuals awakened to agape but conceptually hobbled lament a crisis of foundations in ethics and a legitimization crisis in political theory In the light of agape however there is no question about any sovereign s basic ethical responsibilities nor about myriad ethical issues the evils of pedophilia rape slavery racism exploiting illness for profit Thus agape can ground ethics globally Moreover insofar as faithful signifies not propositional assent but living fidelity to agape agape can ground interfaith spiritual consensus Engaging intellectuals from Augustine and Dostoevsky to Emmanuel Levinas and Peter Singer tackling issues from animal rights and the essence of spirituality to the passion of Torah and interfaith relations Greenway demonstrates the spiritual fecundity and real world ethical potentials that flow from philosophical exploration of agape

*Noun Phrase Complexity in English* Eva Berlage,2014-06-05 This book explores noun phrase NP complexity in English showing that it is best accounted for both by a linear and a hierarchical parameter its length and its type of postmodifier s The study is methodologically unique in that it combines univariate and multivariate analyses in an investigation of four different syntactic variables Drawing on more than three billion words of British and American data Eva Berlage shows that the length and the structure of the NPs along with language external factors such as the regional variety of English work as powerful determinants of the variation On a theoretical level the book reveals that the structural complexity of NPs cannot be sufficiently captured by phrasal node counts but that we need to incorporate the degree to which NPs are sentential The

book is designed for researchers and students interested in syntax language variation sociolinguistics structural complexity and the history of English      *Terminate Terrorism* Karen A. Feste,2015-11-17 This book looks at recent high profile anti American terrorism crises the Cuban skyjacking epidemic the Tehran hostage taking the Beirut kidnappings and Al Qaeda suicide bombing It then explains how they come to an end using a framework of conflict resolution concepts conflict ripeness and stalemate turning points negotiation readiness and interest based bargaining combined with shifts in decision making strategies      **International Encyclopedia of Terrorism** Martha Crenshaw,John Pimlott,2015-04-22 This timely reference book places the growing 20th century phenomenon of terrorism in an historical context Starting with the use of assassination in Ancient Greece and including the recent bombing of the American military complex in Dhahran Saudi Arabia this encyclopedia covers the globe in its presentation of all aspects of terrorism history theories of types of and responses to as well methods and techniques There is a chronology of major terrorist events from 1945 an A to Z listing of terrorist groups and leaders a select bibliography and indexes general name and geographical
