Taking Control Of Your Workday:

Take Control of Your Productivity Jeff Porten, 2020-03-25 Increase Productivity and Reduce Stress Version 1.1 updated 03/25/2020 Being productive is never as simple as putting items on a calendar or to do list and checking them off. Most of us struggle with too much to do, too little time, and only a vague idea of how to plan each day so we can achieve the best results with the least stress. If that sounds like you, and especially if you've tried a bunch of productivity systems and found them lacking, Jeff Porten's expert guidance may be just what you need. As a professional technology consultant and an early adopter of both hardware and software, Jeff has tried nearly every productivity management system out there and experimented with dozens of implementation styles. He brings his decades of experience to this book, helping you create a customized strategy that's ideal for your needs and crucially avoid common mistakes. Whether you're a productivity junkie or someone who has struggled for years with a cobbled together informal task management system, this book will help you get a much better grip on your personal and business time. In this book, you'll: Review the principles of successful planning, whether for immediate projects or for long-term and someday goals. Understand your natural working style and preferences, including comfortable habits that may not be productive but that you don't want to change, and create a more effective workflow that fits you. Discover the best ways to think about projects, tasks, events, due dates, flags, contexts, and more. Choose a task management app that's appropriate for your needs, no matter what devices and operating systems you use, and that integrates with your calendar, reminders, notes, and the apps you use to actually do things. Develop a step-by-step process for tracking all your events and tasks, and ensuring that everything happens in the right order. Transition from an old system to your new system without worrying that anything will fall through the cracks. Learn exactly how to keep track of all the things you need to remember throughout the day. Improve your time estimation skills when planning how long future tasks and projects will take. Solve the problem of 10-minute tasks that become all-day projects because they have a dozen things you discover you need to do first. Get better at managing other people and their expectations of you. Review how well your productivity system has worked over time, using feedback loops and suggested best practices to continually improve your workflow. Fail successfully. If something goes wrong, from a derailing large project to a life-changing crisis, learn how to recover gracefully and improve your system the next time around. Know when and how to make changes to meet any new needs you have, and to ensure that what you do every Tuesday at 2 PM contributes to your overarching goals and most important roles in life. Although many of the examples in the book refer to Mac productivity tools, the advice is platform neutral. The book contains tips applicable to any combination of operating systems, and a companion webpage provides additional details on apps running on Mac, Windows, iOS, Android, and the web. The Top Books of the Year Taking Control Of Your Workday The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Taking Control Of Your Workday : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Taking Control Of Your Workday : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Taking Control Of Your Workday : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
