Taking the Christian Life Seriously Sinclair B. Ferguson, 1981-01-01 **Biblical Counsel**, 1993 **Ten Biblical Concepts** Yung Yang, 2025-05-15 This book focuses on ten biblical words or concepts faith doubt sin salvation the kingdom of God election and predestination repentance death and the afterlife heaven and hell and eternal life Each entry begins with an introduction followed by common misconceptions clarifications corrections and debunking Then word studies biblical studies relevant theologies insights and practical implications shed further light on each word With its balanced and scholarly approach this guide empowers readers to grasp the nuances of these essential concepts enhancing their spiritual journeys and encouraging deeper engagement with Scripture It serves as an indispensable resource for those committed to strengthening their theological foundations and applying these insights to their daily faith walk **What the Bible Really Says about How to Hear God** Peter Tullener, 2020-04-09 The Bible tells us that faith comes by hearing and hearing by the word of God and without faith it is impossible to please God We are also told that God speaks to us through His written word and spoken words So how can we have faith if we can't hear the word of God Hearing God's voice is not only reserved for those who are good or holy or special enough It is a privilege that is available to anyone that truly follows Jesus Christ It may not be easy but it is possible for the most simple person to learn to do regardless of your intelligence education background ancestry or past sins People often find the Bible difficult to read because it contains so much information about so many different and critically important subjects that it is sometimes difficult to focus on one specific subject as you read through all the books of the Bible This book extracts the scriptures that the Bible gives to help you hear the voice of God and gives simple practical advice so that you can avoid many mistakes that so many Christians have made so that you can more easily live the abundantly blessed life that Jesus died for you to have What the Bible Really Says about How to Hear God is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author's life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life **American Book Publishing Record**, 1983-04 Understanding and Using the Bible Christopher J. H. Wright, Jonathan Lamb, 2015-07-01 Understanding and Using the Bible is an engaging and exciting introduction to biblical methods and practices of study edited by two trusted teachers in collaboration with a diverse array of contributors Part one explores key Christian beliefs about the Bible and why it matters guides effective use and application of the Bible in different cultural and social contexts and encourages readers to take the Bible as a whole and build a biblical worldview Part two illustrates applied Bible use in different contexts with contributions from a variety of authors *Pursuing Moral Faithfulness* Gary Tyra, 2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ centered Spirit enabled ability to discern and do the will of God in any moral situation

When Your Name Is Called Chet Cataldo, 2012-05 *The Bible Exposition Commentary* Warren W. Wiersbe, 1989 Here is a commentary that doesn't read like a commentary but like letters from a good friend Here is the exciting truth of the New Testament Scriptures wrapped in the warm personal style of one of America's best loved Bible teachers Study the first half of the New Testament from Matthew through Galatians in digestible sections that emphasize personal application as well as biblical content And be spiritually enriched as have hundreds of thousands of other pastors teachers and students of the Word who have benefited from this best selling series with over 2 million copies in print Dr Warren Wiersbe brings the people places history and teachings of the New Testament to life in the pages of *The Bible Exposition Commentary* This first volume is a compilation of the following books and Be Loyal Matthew Be Dynamic Acts 1-12 Be Diligent Mark Be Daring Acts 13-28 Be Compassionate Luke 1-13 Be Right Romans Be Courageous Luke 14-24 Be Wise 1 Corinthians Be Alive John 1-12 Be Encouraged 2 Corinthians Be Transformed John 13-21 Be Free Galatians Christian Symbol and Ritual Bernard Cooke, Gary Macy, 2005-09-08 In his pathbreaking *Israel in Egypt* James K Hoffmeier sought to refute the claims of scholars who doubt the historical accuracy of the biblical account of the Israelite sojourn in Egypt Analyzing a wealth of textual archaeological and geographical evidence he put forth a thorough defense of the biblical tradition Hoffmeier now turns his attention to the Wilderness narratives of Exodus Leviticus and Numbers As director of the North Sinai Archaeological Project Hoffmeier has led several excavations that have uncovered important new evidence supporting the Wilderness narratives including a major New Kingdom fort at Tell el Borg that was occupied during the Israelite exodus Hoffmeier employs these archaeological findings to shed new light on the route of the exodus from Egypt He also investigates the location of Mount Sinai and offers a rebuttal to those who have sought to locate it in northern Arabia and not in the Sinai peninsula as traditionally thought Hoffmeier addresses how and when the Israelites could have lived in Sinai as well as whether it would have been possible for Moses to write down the law received at Mount Sinai Building on the new evidence for the Israelite sojourn in Egypt Hoffmeier explores the Egyptian influence on the Wilderness tradition For example he finds Egyptian elements in Israelite religious practices including the use of the tabernacle and points to a significant number of Egyptian

personal names among the generation of the exodus The origin of Israel is a subject of much debate and the wilderness tradition has been marginalized by those who challenge its credibility In Ancient Israel in Sinai Hoffmeier brings the Wilderness tradition to the forefront and makes a case for its authenticity based on solid evidence and intelligent analysis

Did God Really Say Heino Weidmann, 2022-01-20 Jesus Christ is calling you personally to walk on water with Him If you are already doing it you will know why If you are not doing it yet you will know how If you think you can't let us convince you otherwise In this book you'll get a solid foundation from the Bible What has God promised every Christian And what has he not said And how can what he has said become a reality in your life In any case you will study the Word of God intensively as never before To sum up the message of these pages in one sentence is this Jesus Christ saves from the power of sin Doesn't every serious Christian believe that No hardly any serious Christian believes that In practice we believe Jesus saves us from the guilt of sin And mostly from greater sins But not from lesser sins And not so that we can truly and fundamentally have victory over sin Behind this is a theological system of unbelief inspired by the words of the serpent Did God really say Instead of believing our heart and the Scriptures in our theology we place ourselves outside of Christ in prison walls of unbelief on which hopelessness stands as a sentry watching that no one escapes from the dungeon of eternal defeat before sin And the fortress of evil thus fortified can only be broken open and destroyed by the explosive power of the united words of God Can we not live liberated through Jesus Christ to the glory of the Father without having to weep every day over 1000 failures Do we not have a Savior who contends and conquers for us Let us set out for a Reformation 2020 de If you are already following Jesus and longing as a child of God to experience the power of your Savior in your everyday life then read this book Did God Really Say 95 theses on your victory over sin through Jesus Christ Read more on <https://95thesenteil2.de> including free version of the book with online translation into English

Christianity Unbound Kevin Wm. M. Henley Sr., 2016-01-20 Maturity is not based on age but on attitude life experiences and expectations Because of this there are adults who have no maturity quite often they are the athletes and the celebrities of our society Society is stunned by their pouting and random acts of immaturity but it is only because they have not had the opportunity to mature in the face of living catered lives And unless they are forced to do so they will not mature Society has given them this option God does not give Christian men and women this same option God's mandate to Christian men and women is to lead lives that are in constant
