Telling Tales Over Time Joel Weiss, Robert S. Brown, 2013-06-13 How do calendars and clocks influence considerations of school effectiveness From the creation of compulsory education to the future of virtual schooling Weiss and Brown trace two centuries of school practices policies and research linking the concept of time with opportunity to learn School calendars and clocks are shaped by both the physical

and social worlds and the clock of schooling is shown to be one of the great clocks of society that helps to frame school effectiveness. School time does not operate in a vacuum but within curriculum teaching and learning situations. The phrase chrono curriculum was devised by the authors as a metaphor for exploring issues of school effectiveness within the time dimension. Using American and Canadian sources, stories are created to illustrate four themes about time and school effectiveness. The first three stories utilize access, attendance, and testing as criteria associated with these eras of schooling. How will the story read in the fourth era, the digital age, which forces us to a reconsideration of time and its influence on education? Quoting David Berliner in his Foreword, this is an opportune time for these authors to bring us insights into the reasons we in North America created our public school systems and how the chrono curriculum influences those systems. The authors' presentation of our educational past provides educators a chance to think anew about how we might do schooling in our own times.

Japanese Short Stories, 2023-03-14. An anthology of the greatest stories by modern Japanese masters, including previously overlooked women writers. Fourteen distinct voices are assembled in this one-of-a-kind anthology, tracing a nation's changing social landscapes. Internationally renowned writers like Yasunari Kawabata, Ryunosuke Akutagawa, and Junichi Watanabe are joined by three notable women writers whose works have not yet received sufficient attention: Kanoko Okamoto, Fumiko Hayashi, and Yumiko Kurahashi. Highlights of this anthology include Kafu Nagai's bittersweet portrait of a privileged family's expiring existence in *The Fox*; Ango Sakaguchi's heartening celebration of postwar chaos in *One Woman and the War*; Fumiko Hayashi's unabashed exploration of female sexuality in *Borneo Diamond*; Junichi Watanabe's chilling assessment of alienation and social dislocation in *Invitation to Suicide*; Gishu Nakayama's look at an out-of-place prostitute recovering at a hot spring resort in *Autumn Wind*. Through brilliant, highly praised translations by Lane Dunlop, *The Best Japanese Short Stories* offers fascinating glimpses of a society embracing change while holding tenaciously onto the past. A new foreword by Alan Tansman provides insightful back stories about the authors and the literary backdrop against which they created these great works of modern world literature.
