**Tales from a Clubroom** Bernard Bragg, Eugene Bergman, 2006-01-01      **Lessons in Laughter** Bernard Bragg, 1989  
The story of Bernard Bragg and his astonishing lifelong achievements in the performing arts      Deaf American Literature  
Cynthia Peters, 2000 The moment when a society must contend with a powerful language other than its own is a decisive point in its evolution This moment is occurring now in American society Peters explains precisely how ASL literature achieved this moment tracing its past and predicting its future in this trailblazing study Peters connects ASL literature to the literary canon with the archetypal notion of carnival as the counterculture of the dominated Throughout history carnivals have been opportunities for the low disenfranchised elements of society to displace their high counterparts Citing the Deaf community's long tradition of literary nights and festivals like the Deaf Way Peters recognizes similar forces at work in the propagation of ASL literature The agents of this movement Deaf artists and ASL performers Tricksters as Peters calls them jump between the two cultures and languages Through this process they create a synthesis of English literary content reinterpreted in sign language which also raises the profile of ASL as a distinct art form in itself Peters applies her analysis to the craft's landmark works including Douglas Bullard's novel *Islay* and Ben Bahan's video recorded narrative *Bird of a Different Feather* Deaf American Literature the only work of its kind is its own seminal moment in the emerging discipline of ASL literary criticism      Pictures in the Air Stephen C. Baldwin, Stanley C. Baldwin, 1993 Most of all *Pictures in the Air* portrays the true ongoing heritage of the National Theatre of the Deaf the fine performers directors and playwrights that for the first time had a national stage of their own upon which to showcase their skills This book shows that they have succeeded in triumph after triumph for the past quarter of a century      *Inside Deaf Culture* Carol Padden, Tom Humphries, Carol Padden, 2009-06-30 *Inside Deaf Culture* relates deaf people's search for a voice of their own and their proud self discovery and self description as a flourishing culture Padden and Humphries show how the nineteenth century schools for the deaf with their denigration of sign language and their insistence on oralist teaching shaped the lives of deaf people for generations to come They describe how deaf culture and art thrived in mid twentieth century deaf clubs and deaf theatre and profile controversial contemporary technologies Cf Publisher's description      Deaf World Lois Bragg, 2001-02 Bragg English Gallaudet U has collected a selection of sources including political writings and personal memoirs covering topics such as eugenics speech and lip reading the right to work and the controversy over separation or integration This book offers a glimpse into an often overlooked but significant minority in American culture and one which many of the articles asserts is more like an internal colony than simply a minority group Annotation copyrighted by Book News Inc Portland OR

**Signing the Body Poetic** Dirksen Bauman, Heidi Rose, Jennifer Nelson, 2006-12-20 This unique collection of essays accompanied by videos at last brings a dazzling view of the literary social and performative aspects of American Sign Language to a wide audience The book presents the work of a renowned and diverse group of deaf hard of hearing and

hearing scholars who examine original ASL poetry narrative and drama The videos showcases the poems and narratives under discussion in their original form providing access to them for hearing non signers for the first time Together the book and videos provide new insight into the history culture and creative achievements of the deaf community while expanding the scope of the visual and performing arts literary criticism and comparative literature The videos may be viewed online at [ucpress.edu/go/signingthebodypoetic](http://ucpress.edu/go/signingthebodypoetic)
