**Andersen's** H C Andersen, 2019-05-05 Hans Christian Andersen 2 April 1805-4 August 1875 was a Danish author. Although a prolific writer of plays, travelogues, novels and poems, Andersen is best remembered for his fairy tales. Andersen's popularity is not limited to children; his stories express themes that transcend age and nationality. Andersen's fairy tales, of which no fewer than 3381 works have been translated into more than 125 languages, have become culturally embedded in the West's collective consciousness, readily accessible to children but presenting lessons of virtue and resilience in the face of adversity for mature readers as well. His most famous fairy tales include *The Emperor's New Clothes*, *The Little Mermaid*, *The Nightingale*, *The Snow Queen*, *The Ugly Duckling*, *The Little Match Girl* and *Thumbelina*. His stories have inspired ballets, plays and animated and live action films. One of Copenhagen's widest and busiest boulevards is named H C Andersens Boulevard.

**Early life** Hans Christian Andersen was born in Odense, Denmark, on 2 April 1805. He was an only child. Andersen's father also Hans considered himself related to nobility; his paternal grandmother had told his father that their family had belonged to a higher social class, but investigations have disproved these stories. A persistent speculation suggests that Andersen was an illegitimate son of King Christian VIII, but this notion has been challenged. Andersen's father, who had received an elementary school education, introduced Andersen to literature, reading to him the *Arabian Nights*. Andersen's mother, Anne Marie Andersdatter, was an illiterate washerwoman. Following her husband's death in 1816, she remarried in 1818. Andersen was sent to a local school for poor children where he received a basic education and had to support himself working as an apprentice to a weaver and later to a tailor. At fourteen, he moved to Copenhagen to seek employment as an actor. Having an excellent soprano voice, he was accepted into the Royal Danish Theatre, but his voice soon changed. A colleague at the theatre told him that he considered Andersen a poet. Taking the suggestion seriously, Andersen began to focus on writing. Jonas Collin, director of the Royal Danish Theatre, held great affection for Andersen and sent him to a grammar school in Slagelse, persuading King Frederick VI to pay part of the youth's education. Andersen had by then published his first story, *The Ghost at Palnatoke's Grave*, in 1822. Though not a stellar pupil, he also attended school at Elsinore until 1827. He later said his years in school were the darkest and most bitter of his life. At one school, he lived at his schoolmaster's home where he was abused, being told that it was to improve his character. He later said the faculty had discouraged him from writing, driving him into a depression.

Hans Christian Andersen was a Danish author best known for writing children's stories including The Little Mermaid and The Ugly Duckling. But he didn't just write short stories and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home in Denmark and abroad, and he got it. Eventually, today his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and occasionally a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. The Princess and the Pea, The Snow Queen, The Tinder Box, The Ugly Duckling, Thumbelina.
