Tales from the Adirondack Foothills Howard Thomas,1973 *From Then Till Now* Fred Tracy Stiles,1980 **From Then Till Now** Fred Tracy Stiles,1978 **Old Days -- Old Ways** Fred Tracy Stiles,1984 *A Year of Moons* Joseph Bruchac,2022 Written by renowned Native author poet and storyteller Joseph Bruchac this book is a collection of stories and essays centered around the author s home and the traditional Abenaki lunar cycles of a year exposing the natural world and our connection to the land the plants and the animals that surround us Interspersing traditional Native tales and poems with stories from his own life and contemporary Native life the author highlights how each lunar month represents a unique time of year in the Abenaki calendar and natural world Each essay also contains haikus written by the author that further illuminate the beauty of the world around us **Long Ago Tales of the Adirondacks** Bradley Luberto,2021-02-19 These stories tell of life and lives lived in the forgotten days of the mountains and foothills of the great Adirondacks The following stories here within are not true Some are based on the truth of a myth as I like to say Leather Jack follows somewhat of a true person Of Old Hank when my sister was young our mother would tell her stories of Old Hank Old Hank was created by our mother made up he was and old man that for some reason had gone off to live by himself in a cave 10 years younger than my sister by the time I came along Old Hank was kind of a family legend in story The stories weren t really told to me as fully as they were to my sister I being told bits and pieces What I was never told was why Old Hank went off to live in a cave Maybe there wasn t even a real beginning to these stories just a fanciful Once upon a time there was an old man who lived in a cave Half a century later I have decided to give Old Hank a beginning *Blacks in the Adirondacks* Sally E. Svenson,2017-11-24 *Blacks in the Adirondacks A History* tells the story of the many African Americans who settled in or passed through this rural mountainous region of northeastern New York State In the area for a variety of reasons some were lifetime residents while others were there for a few years or months as summer employees tuberculosis patients or in connection with full or part time occupations in railroading the performing arts and baseball From blacks who settled on land gifted to them by Gerrit Smith a prosperous landowner and fervent abolitionist to those who worked as waiters in resort hotels Svenson chronicles their rich and varied experiences with an emphasis on the 100 years between 1850 and 1950 Many experienced racism and isolation in their separation from larger black populations some found a sense of community in the scattered black settlements of the region In this first definitive history Svenson gives voice to the many blacks who spent time in the Adirondacks and sheds light on their challenges and successes in this remote region **Campfire Stories: The Adirondacks** Ilyssa Kyu,Dave Kyu,2025-04-01 Curated story collections explore the rich and diverse legacies of the Adirondacks Contributors include Robin Wall Kimmerer Joseph Bruchac Bill McKibben Alan Steinberg June Frankland Baker Henry Abbott William H H Murray and Matt Dallos Local recommendations for outdoor exploration select cultural activities camping options gateway towns and more How to Visit Well and Community Resources sections offer tips on sustainable

travel while highlighting cultural Indigenous and conservation organizations Expanding on the bestselling *Campfire Stories* volumes which feature shareable tales from our national parks this new series from Ilyssa and Dave Kyu immerses readers in the storytelling endemic to America's beloved natural spaces offering unique tours through diverse histories lore and landscapes Part story collection and part travel companion each eye catching volume begins with an anthology of campfire stories from classic passages to original poetry historical excerpts to fresh perspectives treasured folk songs to local myths Through the magic of storytelling readers are deeply drawn into each distinctive terrain These tales are then followed by a mini guide community sourced recommendations for outdoor activities cultural landmarks and historical points of interest that will enrich the reader's experience as well as tips on how to best travel lightly and respectfully through these scenic and varied public lands

Southern Adirondack Foothills Fishing, Hunting, and Trapping Megan Plete Postol, 2019 The rugged wild of the Adirondack Mountain region of New York has been a haven for sportsmen for hundreds of years Hunters fisherman and trappers have found freedom and solitude in the crisp mountain air and vast expanse of wilderness This book consists of historical photographs and background information about fishing hunting and trapping in the southern Adirondacks Places mentioned include Remsen Speculator Perkins Clearing and Long Lake among others The author is a contributing reporter photographer and columnist for the Boonville Herald and a freelance outdoor writer

A Year of Moons Joseph Bruchac, 2022-09-13 There's a fresh coating of snow on the ground outside our cabin as I look to see who's coming to the fourteen feeders we keep filled with black oil sunflower seeds year round So begins *A Year of Moons Stories* from the Adirondack Foothills a collection of essays by award winning author Joseph Bruchac The collection is a reflection on the rhythms of the land the lunar cycles of the year the plants and animals that surround us and the connections that link humans animals and the land With one foot rooted firmly in the inheritance of nature essays and another rooted firmly in Bruchac's Abenaki heritage the collection is an artifact of a beautiful landscape and the changes it encounters throughout the year In his thoughtful and perceptive way Bruchac contemplates the changing of the seasons his relationship with the creatures and plant life that share his home and a vision of stewardship Bruchac's curiosity and reverence for the earth shines through on every page as he looks at the place he calls home with new eyes reflected by the changing of each season's moon

Body, Boots, and Britches Harold W. Thompson, 1979-11-01 A superb blend of good story telling and sound scholarship this book provides a fascinating record of what country New Yorkers have had to say and sing about themselves as they made their way through three centuries You'll find stories and songs about pioneers Injun fighters cannibals outlaws uncanny critters lumberjacks farmers lovers murderers and tricksters You'll even be reminded that piracy and whaling are part of New York's many faceted tradition One chapter examines the origins of New York's strange place names Another is devoted to an engrossing account of New York's proverbs and folk wisdom

The Untold Story of Champ Robert E. Bartholomew, 2012-12-04 The lake surface was glass My girlfriend and I were fishing from our anchored rowboat in about

fifteen feet of water facing the New York shore Ron what s that I turned About thirty feet away I saw three dark humps protruding about two feet above the surface The humps were perhaps two or three feet apart They didn t move We didn t either We watched in disbelief for about ten seconds The humps slowly sank into the water There was no wake no telltale sign of movement Unexplained Eerie Unsettling from the Foreword by Ronald S Kermani Scotland may have Nessie the Loch Ness Monster but we have Champ the legendary serpent like monster of Lake Champlain The first recorded sighting of Champ in 1609 has been attributed to the lake s namesake French explorer and cartographer Samuel de Champlain This is pure myth but there have been hundreds of sightings since then Robert E Bartholomew embarks on his own search both of the lake firsthand and through period sources and archives many never before published Although he finds the trail obscured by sloppy journalism local leaders motivated by tourism income and bickering monster hunters he weighs the evidence to craft a rich colorful history of Champ From the nineteenth century when Champ was a household name to 1977 when he appeared in Sandra Mansi s controversial photograph Bartholomew covers it all Real or imaginary Champ and his story will fascinate believers and skeptics alike

Mapping the Invisible Landscape Kent C. Ryden, 1993 Any landscape has an unseen component a subjective component of experience memory and narrative which people familiar with the place understand to be an integral part of its geography but which outsiders may not suspect the existence of Unless they listen and read carefully This invisible landscape is made visible through stories and these stories are the focus of this engrossing book Traveling across the invisible landscape in which we imaginatively dwell Kent Ryden himself a most careful listener and reader asks the following questions What categories of meaning do we read into our surroundings What forms of expression serve as the most reliable maps to understanding those meanings Our sense of any place he argues consists of a deeply ingrained experiential knowledge of its physical makeup an awareness of its communal and personal history a sense of our identity as being inextricably bound up with its events and ways of life and an emotional reaction positive or negative to its meanings and memories Ryden demonstrates that both folk and literary narratives about place bear a striking thematic and stylistic resemblance Accordingly Mapping the Invisible Landscape examines both kinds of narratives For his oral materials Ryden provides an in depth analysis of narratives collected in the Coeur d Alene mining district in the Idaho panhandle for his consideration of written works he explores the OC essay of place OC the personal essay which takes as its subject a particular place and a writer s relationship to that place Drawing on methods and materials from geography folklore and literature Mapping the Invisible Landscape offers a broadly interdisciplinary analysis of the way we situate ourselves imaginatively in the landscape the way we inscribe its surface with stories Written in an extremely engaging style this book will lead its readers to an awareness of the vital role that a sense of place plays in the formation of local cultures to an understanding of the many layered ways in which place interacts with individual lives and to renewed appreciation of the places in their own lives and landscapes

Adirondack Voices Robert D. Bethke, 1981 Reprint of the work originally

published by the University of Illinois Press in 1981 Annotation copyright by Book News Inc Portland OR Adirondack Tales: Stories of description and humor William Henry Harrison Murray,1898 *American Folklore* Jan Harold Brunvand,2006-05-24 Contains over 500 articles Ranging over foodways and folksongs quiltmaking and computer lore Pecos Bill Butch Cassidy and Elvis sightings more than 500 articles spotlight folk literature music and crafts sports and holidays tall tales and legendary figures genres and forms scholarly approaches and theories regions and ethnic groups performers and collectors writers and scholars religious beliefs and practices The alphabetically arranged entries vary from concise definitions to detailed surveys each accompanied by a brief up to date bibliography Special features More than 2000 contributors Over 500 articles spotlight folk literature music crafts and more Alphabetically arranged Entries accompanied by up to date bibliographies Edited by America s best known folklore authority North Country Life and York State Tradition ,1962 Stories for a Winter's Night Maurice Kenny,2000 A collection of short stories by thirty five Native American authors ranging from those who have achieved mainstream success to young writers just starting out *Dawn Land* Joseph Bruchac,2024-04-09 About ten thousand years ago in the northeast the Abenaki People of the Dawn Land created a thriving community in social and ecological balance with nature and with each other One of the finest sons of the People is Young Hunter who dedicates himself to becoming a pure hunter But a shadow is crossing over this place threatening his beloved homeland and Young Hunter is called to its defense The deep seeing one of his village Bear Talker tells him that the change will be brought by beings of great power with cold hearts and a terrible hunger and Young Hunter has been chosen to fight them This young one will do things for the people Bear Talker thought If he survives if he survives Not knowing what the threat is Young Hunter embarks with his faithful dogs on a journey that will take him to new lands and test his resolve in unforeseen ways Given a special weapon called the Long Thrower he must learn the secret of its power by studying with the deep seer Medicine Plant A woman apart she is a fine example of the importance of women in Native society More than an action packed saga of a dangerous journey Dawn Land is a dramatic illumination of the highly developed value system of these pre contact native people Its unforgettable story enriches the reader with a greater understanding of the lifeways of native peoples lifeways that survive to this day because they are built on maintaining balance and harmony with nature Rural Indigenusness Melissa Otis,2018-12-20 The Adirondacks have been an Indigenous homeland for millennia and the presence of Native people in the region was obvious but not well documented by Europeans who did not venture into the interior between the seventeenth and early nineteenth centuries Yet by the late nineteenth century historians had scarcely any record of their long lasting and vibrant existence in the area With Rural Indigenusness Otis shines a light on the rich history of Algonquian and Iroquoian people offering the first comprehensive study of the relationship between Native Americans and the Adirondacks While Otis focuses on the nineteenth century she extends her analysis to periods before and after this era revealing both the continuity and change that characterize the

relationship over time Otis argues that the landscape was much more than a mere hunting ground for Native residents rather it a location of exchange a space of interaction where the land was woven into the fabric of their lives as an essential source of refuge and survival Drawing upon archival research material culture and oral histories Otis examines the nature of Indigenous populations living in predominantly Euroamerican communities to identify the ways in which some maintained their distinct identity while also making selective adaptations exemplifying the concept of survivance In doing so Rural Indigenousness develops a new conversation in the field of Native American studies that expands our understanding of urban and rural indigeneity
