Didier Musso

Tales From The Crypt Dead Wait:

Eaten Alive at a Chainsaw Massacre John Kenneth Muir, 2015-07-11 The sound of chainsaws revving on haunted Halloween trails has evoked untold screams since Tobe Hooper's 1974 *The Texas Chainsaw Massacre* hit the cinemas. Since that first take-no-prisoners horror movie, Hooper's reputation as a master of horror has been secured by his adaptations of Stephen King's *Salem's Lot* (1978) and *The Mangler* (1995), his blockbuster breakthrough *Poltergeist* (1982), and a variety of cult hits from the underrated *Lifeforce* (1985) to the remake of *Invaders from Mars* (1986). This reference work is divided into five parts. Part I provides a history and overview of Tobe Hooper's career. Part II offers entries with synopses, complete credits, critical reception, and commentaries on every feature film by year of release. Part III provides chronological information on Hooper's television movies and miniseries. Part IV offers entries on his episodes from horror television series. Part V is a critical essay and conclusion which places Hooper in horror film history and compares his work to all-time greats such as Romero, Craven, and Carpenter.

Tales From The Crypt Digby Diehl, 1997-07-15 A long-awaited, much-deserved tribute to the only celebrity to rise from the grave and become an American icon. This complete history includes color reproductions of all original *Tales* covers, four stories from the comic, and a never-before-published horror story by one of the *Tales* trademark artists. Over 1,000 illustrations, 300 in color.

Horror: The men behind the mask John Self, 2011-04-07 Step behind the mask and find out who is behind them: Jason Voorhees, Michael Myers, Freddy Krueger, Leatherface. You have seen these franchises: *Nightmare on Elm Street*, *Texas Chainsaw Massacre*, *Halloween*, *Friday the 13th*. Now go behind the mask and learn more about your favorite killers. In full color. I donate 50% of my profits to help kids in need from all sales of this book. I donate to Make A Wish Foundation.

Terror Television John Kenneth Muir, 2013-02-25 Although horror shows on television are popular in the 1990s thanks to the success of Chris Carter's *The X-Files*, such has not always been the case. Creators Rod Serling, Dan Curtis, William Castle, Quinn Martin, John Newland, George Romero, Stephen King, David Lynch, Wes Craven, Sam Raimi, Aaron Spelling, and others have toiled to bring the horror genre to American living rooms for years. This large-scale reference book documents an entire genre from the dawn of modern horror television with the watershed anthology *Night Gallery* (1970), a show lensed in color and featuring more graphic makeup and violence than ever before seen on the tube, through more than 30 programs including those of the 1998-1999 season. Complete histories, critical reception, episode guides, cast crew, and guest star information, as well as series reviews, are included along with footnotes, a lengthy bibliography, and an in-depth index. From Kolchak: The Night Stalker to *Millennium*, from *The Evil Touch* to *Buffy the Vampire Slayer*, and *Twin Peaks*. *Terror Television* is a detailed reference guide to three decades of frightening television programs, both memorable and obscure.

The Texas Chain Saw Massacre Stefan Jaworzyn, 2012-10-30 In 1974, a low-budget, no-star horror movie was unleashed on the world, causing panic among the censors and provoking glee from its intended audience. *The Texas Chain Saw Massacre* is still as powerful today as when it was first seen almost thirty years ago and will return to

the screens in a high profile remake this Halloween Now in this long awaited companion to Tobe Hooper's groundbreaking film *Stefan Jaworzyn* gives us the inside story of one of the most successful controversial and influential horror films ever made as well as in depth coverage of the three sequels various documentaries and other movies also based on the life of serial killer Ed Gein Packed with exclusive interviews rare and unseen pictures and with a foreword from the chainsaw wielding Leatherface himself Gunnar Hansen

American Twilight Kristopher Woofert, Will Dodson, 2021-06-01 Tobe Hooper's productions which often trespassed upon the safety of the family unit cast a critical eye toward an America in crisis Often dismissed by scholars and critics as a one hit wonder thanks to his 1974 horror classic *The Texas Chain Saw Massacre* Hooper nevertheless was instrumental in the development of a robust and deeply political horror genre from the 1960s until his death in 2017 In *American Twilight* the authors assert that the director was an auteur whose works featured complex monsters and disrupted America's sacrosanct perceptions of prosperity and domestic security *American Twilight* focuses on the skepticism toward American institutions and media and the articulation of uncanny spaces so integral to Hooper's vast array of feature and documentary films made for television movies television episodes and music videos From *Egg Shells* 1969 to *Poltergeist* 1982 *Djinn* 2013 and even Billy Idol's music video for *Dancing with Myself* 1985 Tobe Hooper provided a singular directorial vision that investigated masculine anxiety and subverted the idea of American exceptionalism

Encyclopedia of African American Actresses in Film and Television Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009 It includes entries on well known and nearly forgotten actresses running the gamut from Academy Award and NAACP Image Award winners to B film and blaxploitation era stars Each entry has a complete filmography of the actress's film TV music video or short film credits The work also features more than 170 photographs some of them rare images from the Schomburg Center for Research in Black Culture
