**Michael Dawson, Catherine
Gidney, Donald Wright**

Tales From Under The Rim The Marketing Of Tim Hortons:

Tales from Under the Rim Ron Buist, 2011-09 A National Bestseller Now available in paperback On a Rrrroll You may not be familiar with Ron Buist but you know his handiwork The Ottawa Citizen Tales from Under the Rim is a behind the scenes look at a simple business that became a Canadian icon Tales from Under the Rim chronicles the rise of Tim Hortons from its humble beginnings to a national institution The recipe was simple it took one hockey player one favourite barber shop one former drummer and one police officer plus the luck hard work brings to transform a once unknown donut shop into one of Canada's leading franchise operations In this bestselling business memoir Ron Buist shows how Tim Hortons became a second home to millions of Canadians It includes the grass roots marketing strategy that defined the early years the Tim Hortons habit of listening to customers and the whole story of Roll Up the Rim to Win the no frills contest that has become a defining feature of Canadian life

Whatever Happened To...? Mark Kearney, Randy Ray, 2006-09-30 The latest book by Canada's Trivia Guys is an entertaining where are they now look at the fate of some 100 celebrities newsmakers and significant artifacts from this country's past Lake Ontario swimmer Marilyn Bell CFL legend Russ Jackson Canada's first automobile and Roger Woodward a boy who survived the waters of Niagara Falls more than 40 years ago are among those tracked down Long after making headlines or burrowing their way into our collective consciousness these Canadian icons have travelled different roads or in some cases kept more quietly to the path that gained them attention in the first place Kearney and Ray spice up their stories with dozens of fascinating facts With website links to further information this book is a great resource to learn more about Canada's heritage

Symbols of Canada Michael Dawson, Catherine Gidney, Donald Wright, 2018-10-23 From Timbits to totem poles Canada is boiled down to its syrupy core in symbolic forms that are reproduced not only on t-shirts television ads and tattoos but in classrooms museums and courtrooms too They can be found in every home and in every public space They come in many forms from objects like the red uniformed Mountie the maple leaf and the beaver to concepts like free healthcare peacekeeping and saying eh But where did these symbols come from what do they mean and how have their meanings changed over time Symbols of Canada gives us the real and surprising truth behind the most iconic Canadian symbols revealing their contentious and often contested histories With over 100 images this book thoroughly explores Canada's true self while highlighting the unexpected twists and turns that have marked each symbol's history

The Donut Steve Penfold, 2008-01-12 In Canada the donut is often thought of as the unofficial national food Donuts are sold at every intersection and rest stop celebrated in song and story as symbols of Canadian identity and one chain in particular Tim Horton's has become a veritable icon with over 2500 shops across the country But there is more to the donut than these and other expressions of snackfood patriotism would suggest In this study Steve Penfold puts the humble donut in its historical context examining how one deep fried confectionary became not only a mass commodity but an edible symbol of Canadianness Penfold examines the history of the donut in light of broader social economic and cultural

issues and uses the donut as a window onto key developments in twentieth century Canada such as the growth of a consumer society the relationship between big business and community and the ironic qualities of Canadian national identity He goes on to explore the social and political conditions that facilitated the rapid rise and steady growth of donut shops across the country Based on a wide range of sources from commercial and government reports to personal interviews *The Donut* is a comprehensive and fascinating look at one of Canada's most popular products It offers original insights on consumer culture mass consumption and the dynamics of Canadian history Canadian Books in Print. Author and Title Index, 1975

Desiring Canada Patricia Cormack, James Cosgrave, 2013-03-18 What do Tim Hortons Hockey Night in Canada and Rick Mercer have in common Each is a popular symbol of Canadian identity seen across the country and beyond on television and in other forms of media But whose definition of Canadian do they represent What does it mean to be Canadian Do we create our own impressions of Canadian identity or are they created for us In *Desiring Canada* Patricia Cormack and James F Cosgrave delve into these questions exploring the connections between popular culture media and the Canadian state Taking as their examples the popular CBC contests Tim Hortons advertising campaigns NHL hockey violence television comedy and the business of gambling this lively engaging book investigates the relationship between some of our more beloved popular expressions of national identity and the extent to which the interests of the state appeal in various ways through the popular media to the pleasures of citizens thus shaping our understanding of what it means to be Canadian **Double Double**

Douglas Hunter, 2012-10-09 Everywhere we look it seems we see a Tim Hortons restaurant The chain known foremost for its coffee has become a Canadian icon ranking with hockey among the country's cultural touchstones These pubs without alcohol as they've been termed have become not only meeting places for regular Canadians but also must visit locations for our campaigning politicians and oases for Canadian soldiers overseas For many Tim's lovers this chain has established an enduring connection to what it means to be Canadian *Double Double* is the first book to approach the company from a wide angle from the life of its co-founder Tim Horton to the growth of the business under the steady hand of his friend and partner Ron Joyce after Horton's death to the company's merger with the American fastfood chain Wendy's and its eventual repatriation to Canada A fascinating business story *Double Double* examines how the American expansion of the chain has panned out and why Canadians are so dedicated to Tim Hortons menu As Tim Hortons faces new challenges in the ever evolving world of fast food *Double Double* sheds light on the chain's fight to maintain its status as one of Canada's most respected consumer brands in an increasingly competitive business Glazed America Paul R. Mullins, 2008-09-07

Everybody loves a good doughnut The magic combination of soft dough hot oil and sugar coating with or without sprinkles inspires a wide range of surprisingly powerful memories and cravings Yet we are embarrassed by our desire the favorite food of Homer Simpson caricatured as the dietary cornerstone of cops a symbol of our collective descent into obesity doughnuts are in the words of one California consumer a food of shame Paul Mullins turns his attention to the simple doughnut in order

to learn more about North American culture and society Both a breakfast staple and a snack to eat any time of day or night doughnuts cross lines of gender class and race like no other food item Favorite doughnut shops that were once neighborhood institutions remain unchanged even as their surrounding neighborhoods have morphed into strip clubs empty lots and abandoned housing Blending solid scholarship with humorous insights Mullins offers a look into doughnut production marketing and consumption He confronts head on the question of why we often paint doughnuts in moral terms and shows how the seemingly simple food reveals deep and complex social conflicts over body image and class structure In Mullins skillful hands this simple pastry provides surprisingly compelling insights into our eating habits our identity and modern consumer culture

Shopping for Votes Susan Delacourt, 2016-05-07 This second edition offers an insightful and provocative look at the inside world of political marketing in Canada and what this means about the state of our democracy in the twenty first century from a leading political commentator Inside the political backrooms of Ottawa the Mad Men of Canadian politics are planning their next consumer friendly pitch Where once politics was seen as a public service increasingly it is seen as a business and citizens are the customers But its unadvertised products are voter apathy and gutless public policy Susan Delacourt takes readers into the world of Canada's top political marketers from the 1950s to the present explaining how parties slice and dice their platforms for different audiences and how they manage the media The current system divides the country into niche markets and abandons the hard political work of knitting together broad consensus or national vision Little wonder then that most Canadians have checked out of the political process less than two per cent of the population belongs to a political party and fewer than half of voters under the age of thirty showed up at the ballot box in the last few federal elections Provocative incisive entertaining and refreshingly non partisan *Shopping for Votes* offers a new narrative for understanding political culture in Canada

[Book Review Index Cumulation](#) Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year
