Wayland, 2013-02 A real ghost story should never end perfectly. That is my rule of thumb. After investigating ghost experiences for nearly thirty years, I realised that the finely polished stories told by storytellers and ghost walkers were exactly that: polished. In polishing stories, we lose the personality of the haunted and indeed the haunter itself. That is why in my books, research papers, and articles, I always maintain the original testaments and facts. The stories that I have collected for you now are rough diamonds, totally unpolished, and any additions by myself are kept to a minimum and noted clearly. P 4 of cover. **50 Real Ghost Stories 2** M.
