Francis Hinds Groome,2013-05-11 This second volume of Gypsy Folk Tales contains stories tales and legends from Transylvania Slovakia Moravia Bohemia Poland England Wales and Scotland This book is a treasure chest of 39 classic illustrated Gypsy Folklore stories and makes fascinating reading for those interested in folklore in general but especially for those interested in the Roma people Francis Hinds Groome collated and prepared this collection making only few changes and remaining true to the original stories so to let the written story enchant us as if it were being presented in the vernacular In his various other works Groome raises the point that Europe possibly owes a great deal of its folklore heritage to Gypsies who brought tales from East to West If this is the case then even the most rooted of Europeans must attribute a portion of their culture to the Gypsy lifestyle Simply stated these stories are their stories but in an earlier form The stories have been recently illustrated by Dutch artist Maggie Gunzel whose art has stayed true to the stories themselves So take some time out and curl up with this book Be swept back in time to another place where the carefree lifestyle of the Gypsy rules and the burdens of today are forgotten albeit temporarily In buying this book you will have donated towards the relief of the underprivileged people of Romania through the Relief Fund for Romania **THE GOOD SIR GUYON - A Children's Story with a Moral message**

Edmund Spencer,2017-06-25 ARCHIMAGO the wicked magician whose other name you may remember was Hypocrisy who had worked such mischief to Una and the Red Cross Knight was very angry when he found that in the end all his evil wiles were defeated and that the Knight and the lady were happily betrothed He would willingly have brought more trouble on them but he was powerless to do any harm to Una for she was now safely restored to her own kingdom and living in the care of her father and mother He therefore directed all his spite against the Knight who had once more to set forth on his adventures as he had promised Queen Gloriana to serve her faithfully for six years At the end of that time he hoped to return and marry Una and the King her father had made him heir to the throne It happened one day that the enchanter saw marching to meet him a noble knight The stranger was clad in shining armour and rode a splendid war horse his bearing was very stately and his face although calm and beautiful was so stern and noble that all his friends loved him and his foes feared him He was one of the chief knights of Queen Gloriana s court a man of great honour and power in his native land His name was Sir Guyon Just as the Red Cross Knight was known as the Champion of Holiness so Sir Guyon was known as the Knight of Temperance Stopping Sir Guyon this time he had a fresh story to tell which of course was perfectly false He implored Sir Guyon to come to the help of a beautiful maiden cruelly ill treated by a rough knight who had cut off her golden locks and threatened to kill her with his sharp sword What cried Sir Guyon his gentle nature roused to indignation is the man still alive who could do such a deed He is alive and boasts of it said wicked Hypocrisy Nor has any other knight yet punished him for it Take me to him at once said Sir Guyon That I can easily do said Archimago I will show you where he is and he hurried off in high glee because he thought that at last he had found a way of revenging himself on the Red Cross Knight and so begins the adventures of Sir Guyon TAGS Good Sir Guyon Archimago hypocrisy Queen Gloriana

 Lyonesse, 2016-10-27 This is a reissue in book form of the first series of leaflets The Line to Legend Land A modern title could
 very well be LEGENDS FROM POLDARK COUNTRY Originally published by the G W R in 1922 this small volume was an
 early form of Great Western s modern day Top 10 Things To Do and gave the rail traveller a list of English West Country
 legends to look up and places to see This edition has twelve tales plus a poem and a song from the West Country of Devon
 Cornwall the area in which POLDARK is filmed Each legend has an updated How to Get There section with train bus and
 distance information There are also two supplements The Furry Day Song and the iconic Trelawny also known as The Song of
 the Western Men In older simpler days when reading was a rare accomplishment our many times great grandparents would
 gather round the blazing hearth or hall on the long dark winter nights and pass away the hours before bedtime in
 conversation and story telling The old stories were told again and again and children learned them by heart in their earliest
 years and passed them on to their children and grandchildren in turn In origin most of these old legends date from the very
 dawn of our history possibly even in a time before Stonehenge has been erected They may have even been told around the
 camp fires of that first British army that went out to face C sar s invasion now almost two millennia ago and in the marshes of
 Southern England by the army of Alfred the Great before they finally defeated the Viking invaders Later much later with the
 spread of education and the introduction of formal curricula in which folklore seems to have no place they began to die Then
 when many more folk could read and books grew cheap there was no longer the need to call upon memory for the old
 fashioned romances and so they began to fade from the modern consciousness Yet there have always been those who loved
 the old tales best and wrote them down before it was too late so that they might be preserved forever A few of them are
 retold briefly here with instructions of how to get to the very places in Devon Cornwall that these legends originated from Be
