Scott Fitzgerald, 2017-10-20 This somewhat unpleasant tale published as a novelette in the *Smart Set* in July 1920 relates a series of events which took place in the spring of the previous year Each of the three events made a great impression upon me In life they were unrelated except by the general hysteria of that spring which inaugurated the *Age of Jazz* but in my story I have tried unsuccessfully I fear to weave them into a pattern a pattern which would give the effect of those months in New York as they appeared to at least one member of what was then the younger generation ***Tales of the Jazz Age*** F.
