considered the peak of his creative life for their form content and profound underlying ideas Transcribed by Rabbi Natan Sternharz of Bratslav Rabbi Nachman's chief disciple they are a mixture of intellectual and poetic imagination fairy tales rooted in Kabbalistic symbolism and Biblical and Talmudic sources The Tales of Rabbi Nachman of Bratslav features select pieces from the original work together with Rabbi Adin Steinsaltz's elucidating commentary to help the reader discover layer upon layer of meaning in this classic work **The Tales of Rabbi Nachman of Bratslav** Martin Irving Mantel, 1977

The Tales of Rabbi Nachman Martin Buber, Nahman (of Bratslav), 1956 **The Stories of Rabbi Nachman of Breslov and Saba Yisroel** Rabbi Nachman of Breslov o.b.m., Rabbi Israel Dov Odesser o.b.m., 2016-06-06 HH Rabbi Nachman's birth already set the stage for the modern era e.g. a mere few years after he was born in 1772 America declared independence Many of his teachings speak more directly to the man of our present time and society than to the shtetel small town Jews who were his followers E.g. Rabbi Nachman revealed that everyone has an aspect of monarchy even if it is only over his family or on a subliminal paradigm this teaching was readily understood by his followers but it was somewhat theoretical being that they were so destitute they could barely have seen real manifestation of this principle Today even the less well off can clearly see how they wield various privileges and amenities that would have been special even for a monarch of those times With the changing times also came changing attitudes social climate and personal truths convictions ideas and prerogatives Rabbi Nachman had to prepare the world for this transition and he did so by revealing the highest and deepest teachings which are the root of everything that plays out in the world Anyone that looks at a lesson from Rabbi Nachman will see reflections of what is going on that very moment in his own life Yet even still Rabbi Nachman saw that his followers were not adjusting properly and sufficiently He saw their struggles and how they grappled with forces far superior than them Even his awesome teachings were not providing his followers with the necessary perspective and life knowledge that they needed so desperately in order to transcend the narrow confines of ideology that were trapping them and leaving them helpless to the wanton desires of the helpless As a final last resort Rabbi Nachman found the solution he would reveal timeless stories stories that would recreate the perception of the workings of the world the listener would be reborn into new consciousness and awareness and would be impassioned to forever seek renewal and true vitality These stories are called Stories of Ancient Years corresponding to the Divine Countenance of Attik Yoamin see book of Daniel the countenance of the Ancient of Years which subliminally transcends all of the ordinary chain of events manifested in the Divine Providence a bridge to cognizance of what is utterly beyond On the one hand these legendary tales are completely unfathomable in their scope and import they are allusions to the most deep and esoteric Divine secrets and yet on the other hand they are filled with practical morals and life lessons which any reader can easily glean and gain To this day no one has merited to completely understand the root and intrinsic meaning of the stories in their rightful context yet multitudes of people have gained phenomenal new insights through these stories the stories literally open up gates to greater perspicacity and cognizance The stories have captured the

attention and fascination of even the most secular scholars they have been translated into different languages and they are studied in universities throughout the world Rabbi Nachman said that even the minutest detail of the stories is extremely critical and unfortunately most of the translations are fraught with the literary license an author has to set down his own perspective which in this case is undoubtedly very damaging This translation was done painstakingly to capture as best as possible the exact translation and nuance even following the order of the original verbiage and often favoring the original Yiddish in which Rabbi Nachman delivered the stories In more recent times one of Rabbi Nachman s followers Rabbi Yisroel Dov Odesser underwent a phenomenal course of events which themselves proved to be the mechanism of transition and development of Breslov and are understood to be a clear aspect of Stories of Ancient Times and thus some of his stories are fittingly included in this volume as well as are many other stories from Na Nach Nachma Nachman MeUman **The Tales of Rabbi Nachman** Nahman de Bratslaw,1965 **The Tales of Rabbi Nachman, Etc** Martin Buber,1956 *The Tales of Rabbi Nachman. Translated from the German by Maurice Friedman* Martin Buber,Nahman (of Bratslav),1962 **The Seven Beggars** Chaim Kramer,Aryeh Kaplan,2014-06-03 Rejoice in the stories of Rebbe Nachman of Breslov for their insight into the human condition and the realm of the mysterious When Rabbi Nachman first started telling his stories he declared Now I am going to tell you stories The reason he did so was because in generations so far from God the only remedy was to present the secrets of the Torah including even the greatest of them in the form of stories from the Preface For centuries spiritual teachers have told stories to convey lessons about God and perceptions of the world around us Hasidic master Rebbe Nachman of Breslov 1772 1810 perfected this teaching method through his engrossing and entertaining stories that are fast moving brilliantly structured and filled with penetrating insights This collection presents the wisdom of Rebbe Nachman translated by Rabbi Aryeh Kaplan and accompanied by illuminating commentary drawn from the works of Rebbe Nachman s pupils This important work brings you authentic interpretations of Rebbe Nachman s stories allowing you to experience the rich heritage of Torah and Kabbalah that underlies each word of his inspirational teachings Rabbi Nachman's Stories Nachman z Bracławia,1983 **The Tales of Rabbi Nachman [by] Martin Buber.
