Divided JoAnn Jaffe, Patricia W. Elliott, 2021-10-08 T00:00:00Z Divided looks at the last fifteen years in Saskatchewan during which time the Saskatchewan Party government sought to reforge the province s image into the New Saskatchewan brash materialistic highly competitive and aggressively partisan In the process a climate of polarization and hyper partisanship swept the province into a near perpetual state of anger and social division These actions are not without consequences In Divided diverse voices describe the impact on their lives and communities when simmering wedge issues burst open on social media and in public spaces The collection dives deep into the long set up to this moment from the colonial past to the four decades of neoliberal economics that have widened social and economic gaps across all sectors

Divided positions Saskatchewan as a fascinating case study of the global trends of division and provides testament to the resiliency of a vision of social solidarity against all odds How to Talk So People Will Listen Steve Brown,2014-05-27

Words are powerful when they are used correctly If readers want to motivate their kids or employees convince bosses to give them a raise speak with confidence to large groups of people or give a report that won't leave people snoozing How to Talk So People Will Listen is the classic resource they need Expert communicator Steve Brown shows readers how to speak with authority win an argument overcome their fears of public speaking and more The Wise Leader Paul D. Houston and Stephen L. Sokolow,2013-11

Core values and principles can sustain and inspire you during challenging times and the more you practice and embody them the more likely you are to become a wiser leader Paul D Houston executive director emeritus of the American Association of School Administrators and Stephen L Sokolow a founding partner and executive director of the Center for Empowered Leadership offer eighteen core leadership values and principles to help you do the right things in the right way at the right time and for the right reasons The core values you'll learn include how to focus on the positive empower and uplift others operate from a base of compassion and recognize the seeds of wisdom Wise leaders view all people as having natural gifts and it's important to help them grow What's more supporting and valuing people encourages them to do more for you and for the organization Enhance organizational productivity creativity and capacity by learning and applying eighteen core values of The Wise Leader Never will you find such a constellation of distilled wisdom on leadership for all circumstances Michael Fullan professor emeritus OISE University of Toronto **Pasargada** R. B. Braxton,2012

Pasargada is a journey where four people find out answers to questions that we all have in mind but never had the opportunity to ask What is self help What is the role of destiny in my life Am I a pirate or a king What happens to the ifs and shoulds in my life Who is charge of that so called life of mine Pirates kings revolutionaries monarchy all mixed up in a story that thrills and takes your soul to the limits of your imagination and self acquaintance **Popular Science Monthly and**

Paperback edition **The RAILFANatic** Michael R. S. Ledingham,2013-03 When Scott Brooks saw the sign directing him to the Prairie Valley Railway Museum he had no idea what was in store for him Discovering a haven for preserved antique trains he is enraptured by what he finds and before he quite realizes it he has signed up to join the ranks of the volunteers Taking part in the staffing maintenance and restoration of historic trains is certainly an adventure for him as he learns new skills and new things about railroad history Along the way he meets the most eclectic and interesting group of people ever in his fellow volunteers But his new hobby doesn't sit well with everyone His girlfriend feels neglected his parents think he is being irresponsible and he seems to rub some of the volunteers the wrong way namely museum president Larry Chadwicke who has gone beyond the point of a railfan to being a railfanatic It's non stop adventure in railway preservation as Scott tries to balance volunteering with school his romantic life and his friends all the while trying to prove his suspicions that Chadwicke is causing the museum a lot of trouble Get ready to be gripped into the struggle as Scott Brooks goes head to head with the railfanatic *How Long Is the Present* David Antin,2014-12-01 Poet performance artist and critic David Antin invented the talk poem He insists that his poems be oral and created in front of a live audience in a specific time and place with the transcription of the performance adjusted for print by presenting it not in prose but in clumps of words without justified margins or punctuation peppered with white spaces that indicate pauses In this book editor Stephen Fredman provides a critical introduction to a selection of talk poems from three out of print collections accompanied by a new interview with the author As Fredman points out Antin's work is a form of conceptual writing that has influenced generations of experimental poets and prose writers His profound and humorous talk poems are essential for classroom and scholarly discussions of the arts in modernism and postmodernism offering as well an invitation to strengthen the ties between the sciences and the humanities

How People Talk About Politics Stephen Coleman,2020-11-12 During the Brexit referendum campaign it became clear how easily national conversations around politics could become raucous and bitter This book explores the nature of talking about politically contentious issues and how our society can begin to develop a more constructive culture of political talk Uniquely this study focuses on citizens own experiences and reflections on developing practising and evaluating their own political voices Based on seventy in depth interviews with a diverse range of people Stephen Coleman explores the intricate nature of interpersonal political talk and what this means for public attitudes towards politics and how people negotiate their political identities Engaging with a broad range of subjects from Political Communication to Sociology this book offers valuable insight into how the public can discuss politically turbulent topics in a meaningful and constructive way

Kashur The Kashmiri Speaking People Mohini Qasba Raina, 2014-11-13 Kashur The Kashmiri Speaking People is the outcome of a dedicated research where in the author on the basis of geological archeological chronological and linguistic evidences has presented a truthful and unbiased account of the group she herself belongs to. She projects and rightly so that the Kashur from the ancient eras possessed highly developed spiritual and intellectual caliber that helped these people persevere to evolve into one of the richest social religious and literary cultural linguistic group. In this effort she has analyzed and given clarification to certain commonly held misconceptions. She explains that legends created by primitive ancestors are not myths made up as entertaining stories but are based on reality and are representations of the living truth that has been perceived by the compilers. Those interested in the rich cultural heritage of the Kashur, their architectural acumen, their proficiency in historicity, their mastery in languages, their zeal as torch bearers of various religions and their ever changing social order inclusive of their faults and foibles will find this book a great help and a guide. This book even records the excesses, hardships and tyrannies that the Kashur has had to face under the rule of various invaders and usurpers in their long political chronology of almost 5 000 years and the struggles they have had put in to survive these onslaughts bravely and at times even slyly.
