## **Sir Richard F Burton A Biobibliographical Study:**

**Sir Richard F. Burton** James A. Casada,1990      **Postcolonialism, Psychoanalysis and Burton Ben**

Grant,2008-11-10 Engaging closely with the work of Richard Francis Burton the iconic nineteenth century imperial spy explorer and translator this book sheds new light on the White Man s imperial fantasies and the ways in which metropolitan discourses drew upon and reinforced an intimate connection between fantasy and power in the space of Empire      **The**

**Book Hunters of Katpadi** Pradeep Sebastian,2017-10-20 Neelambari Adigal and her young associate Kayal together run Biblio a one of a kind store of rare books in Chennai specializing in modern Indian first editions The lives of these passionate bookwomen revolve around curious browsers eccentric book collectors private press printers and the occasional thrill of unexpected discoveries of the antiquarian kind On a book collecting trip to Ooty Kayal stumbles upon an incendiary manuscript long thought to be a myth purportedly authored by explorer and translator Sir Richard Francis Burton Almost simultaneously a cache of priceless editions that looks like it could be from the 300 year old library of one of the greatest book collectors the world has ever known turns up at the bookshop When it falls upon the two women to authenticate their finds Neela and Kayal discover quite suddenly that their lives are more full of bibliographic intrigue than they could ever have imagined India s first ever biblio mystery The Book Hunters of Katpadi is the book every lover of the written word has been waiting for In the tradition of the greatest in the genre it holds within its pages adventure action suspense and the sheer thrill of close encounters with prized print on paper      **Paths Without Glory** James L. Newman,2010 Few people

have garnered so much enduring interest as Sir Richard Burton A true polymath Burton is best known today for his translations of the Kama Sutra and Arabian Nights Yet Africa stood at the center of his adult life The Burton Speke expedition 1856 59 that put Lake Tanganyika on the map led to years of controversy over the source of the White Nile From 1861 to 1864 Burton served as British consul in Fernando Po and traveled widely between Ghana and Angola He wrote prodigiously and contributed some of the first detailed ethnographic accounts of Africa s peoples In many ways however Africa proved to be Burton s undoing Injuries and sickness sapped his strength he made enemies in high places and ironically even the discovery of Lake Tanganyika worked to his disadvantage Increasingly frustrated and bitter he turned to alcohol as a frequent remedy In this fascinating story of the relationship between a man and a continent geographer James L Newman provides an intimate portrait of Burton through careful examination of his journals and biographers rich analyses Delving deepest into Burton s later life and travels Newman pinpoints the thematic mainstays of his career as a diplomat and explorer namely his strong advocacy of aggressive imperial policies and his belief that race explained crucial human differences Historians and scholars of the golden age of empire as well as armchair adventurers will not only discover what defined this famously enigmatic figure but venture themselves into the heart of mid nineteenth century Africa      **Historical Dictionary**

**of Ethiopia** David H. Shinn,Thomas P. Ofcansky,2013-04-11 Ethiopia is clearly one of the most important countries in Africa

First of all with about 75 million people it is the third most populous country in Africa Second it is very strategically located in the Horn of Africa and bordering Eritrea Sudan Kenya and Somalia with some of whom it has touchy and sometimes worse relations Yet its capital Addis Ababa is the headquarters of the African Union the prime meeting place for Africa s leaders So if things went poorly in Ethiopia this would not be good for Africa and for a long time this was the case with internal disruption rife until it was literally suppressed under the strong rule of the recently deceased Meles Zenawi The Historical Dictionary of Ethiopia Second Edition covers the history of Ethiopia through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has several hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ethiopia

*Islamic Homosexualities* Stephen O. Murray, Will Roscoe, 1997-02 The first anthropological collection that reveals patterns of male and female homosexuality in the Muslim World The dramatic impact of Islamic fundamentalism in recent years has skewed our image of Islamic history and culture Stereotypes depict Islamic societies as economically backward hyper patriarchal and fanatically religious But in fact the Islamic world encompasses a great diversity of cultures and a great deal of variation within those cultures in terms of gender roles and sexuality The first collection on this topic from a historical and anthropological perspective Homosexuality in the Muslim World reveals that patterns of male and female homosexuality have existed and often flourished within the Islamic world Indeed same sex relations have until quite recently been much more tolerated under Islam than in the Christian West Based on the latest theoretical perspectives in gender studies feminism and gay studies Homosexuality in the Muslim World includes cultural and historical analyses of the entire Islamic world not just the so called Middle East Essays show both age stratified patterns of homosexuality as revealed in the erotic and romantic poetry of medieval poets and gender based patterns in which both men and women might to varying degrees choose to live as members of the opposite sex The contributors draw on historical documents literary texts ethnographic observation and direct observation by both Muslim and non Muslim authors to show the considerable diversity of Islamic societies and the existence of tolerated gender and sexual variances

**British Travel Accounts** Leila Koivunen,2008-11-19 This study provides the first sustained analysis of the process by which images of Africa were transformed into the illustrations of the continent that appeared in nineteenth century European travel books Koivunen examines the actual production process of images and the books in which they were published in order to demonstrate how why and by whom the images were manipulated

### Historical Dictionary of Kenya Robert M.

Maxon,Thomas P. Ofcansky,2014-09-09 Kenya has a long and complex history that began thousands of years ago Indeed some archaeologists contend that the country was the cradle of mankind or at the very least one of the places that was home to the earliest hominids In later centuries Kenya s strategic location astride the Indian Ocean and the East African littoral attracted numerous foreign peoples some of the most significant of which have been the Americans Arabs British Chinese French Germans and Portuguese Additionally Africans from throughout the subcontinent have settled in Kenya to escape conflict or political persecution while others wanted an opportunity to begin a new life As a result of being a gateway to the world the country traditionally has been one of the most important business cultural diplomatic and political centers in Africa Although it has maintained this reputation during the post independence period Kenya like most African countries has been plagued by an increasing array of complex economic political and social problems This third edition of Historical Dictionary of Kenya provides a starting point for those interested in any of the phases of Kenya s historical evolution This is done

through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Kenya **Richard Burton, a Traveller in**

**Brazil, 1865-1868** Alfredo Cordiviola, 2001 It also examines the years Richard Burton spent in Brazil largely ignored by biographers **BOOK JACKET** *The Arabian Nights Encyclopedia* Ulrich Marzolph, Richard van Leeuwen, 2004-08-24 The most comprehensive treatment of the Arabian Nights ever published with more than 800 detailed encyclopedic entries and a wealth of authoritative essays and resources The tales of the Arabian Nights have long been the focus of scholarly research and critique but no English language work has ever attempted an all embracing treatment of them The fruit of years of research *The Arabian Nights Encyclopedia* is the first comprehensive reference work introducing both the Arabian Nights and the context of their genesis and aftermath in Near Eastern European and world culture Editors Ulrich Marzolph one of the world's foremost scholars of Near Eastern narrative culture and Richard van Leeuwen a prominent scholar of the Arabian Nights present detailed authoritative and up to date research on virtually all aspects of the tales including major protagonists themes important translations textual history adaptations reworkings works inspired by the Arabian Nights and aspects of literary theory and provide extensive bibliographies for each tale In addition to the 800 encyclopedic entries and numerous essays the work introduces research that has not previously been published making it an invaluable resource to scholars educators students and the general public as well as an essential addition to the core collection of academic and public libraries **Historical Dictionary of Ethiopia** Thomas P. Ofcansky, David H. Shinn, 2004-03-29 An easily accessible reference guide for Ethiopian historical events important persons geographical locations ethnic groups key issues and common ephemera containing numerous cross references for related items and those known by more than one name

English Literature in Transition, 1880-1920, 1994 **Approaches to Kurban Said's Ali and Nino** Carl Niekerk, Cori Crane, 2017 Essays showcasing the novel *Ali and Nino* as particularly topical for today's readers both in and out of the classroom and providing a number of diverse approaches to it **In Search of Sir Richard Burton** Alan H. Jutzi, 1993 Today the achievements of the great Victorian explorer and linguist Sir Richard Burton 1821-1890 may be more widely acknowledged than they were in his own time The centennial of his death was marked in England and America with exhibits conferences and book length studies of his life and work In this volume eight leading scholars and book collectors present a remarkable composite picture of Burton's legacy his adventures as an explorer of unknown lands and little known cultures his achievements as a geographer and translator the mysteries of his relations with other explorers and of his personal life The illustrations represent rare items in Burton's own library and the collections of Edwards H Metcalf and Quentin Keynes

Encyclopedia of Exploration, 1850 to 1940 Raymond John Howgego, 2008 **Bibliography of Imperial, Colonial, and Commonwealth History Since 1600** Andrew N. Porter, 2002 The twentieth century witnessed an unprecedented growth of

research and publication on the history of Britain's empire the Commonwealth and British expansion overseas Historical work by area specialists has transformed the state of knowledge concerning colonial North America India the Caribbean sub-Saharan Africa South and South East Asia the Pacific and Australasia Much has been written about Britain's interests and presence in areas and societies never formally subjected to British rule such as Latin America and the Middle and Far East Most recently a preoccupation with the reciprocal impact of overseas expansion and colonial possessions on Britain itself has produced a rapidly growing historiography Publication on this scale has made it virtually impossible for anyone either to keep track of the results or to follow up particular interests Britain's overseas history has never been well supplied with comprehensive bibliographical aids and despite extensive public interest in the subject the position has steadily worsened Following the recent Oxford History of the British Empire this volume is therefore designed to provide a general source of reference and bibliographical guidance at once wide ranging up to date and accessible British Travel Writers, 1837-1875 Barbara Brothers, Julia Marie Gergits, 1996 Essays on writers of tour memoirs which were the precursors of contemporary guidebooks including accounts by women travelers The distinction between traveler and tourist played a part in the development of the literature of travel Discusses the impact of technology on the travel industry including advancements in ocean travel and the railway These nineteenth century British travel writers provided ethnographic or scientific data of great use to scholars
