Power of 60 Seconds That's all it takes to change your life. What if everything you've been waiting for—peace, clarity, healing, purpose—could begin in the next 60 seconds? In this deeply personal and powerfully simple book, I invite you to discover the extraordinary within the ordinary. Through 60 crafted chapters, each anchored in a single moment, you'll learn how one minute can shift your mood, your mindset, your relationships, and even the course of your entire life. Whether you're stuck in indecision, grieving a loss, rediscovering yourself, or simply craving a deeper connection with the present, this book meets you where you are. And then, gently and wisely, it asks: What will you do with the next 60 seconds? Written with heartfelt honesty, gentle spiritual depth, and reflective prompts at the end of every chapter, *Power of 60 Seconds* is not just a book; it's an invitation to return to your life, one moment at a time. Because sometimes the next minute is all you need to be the person you always wanted to be.

**60 Seconds to Success** Hector Cisneros, 2011-05-31      *60 Seconds to Greatness* Eddie L. Long, Cecil Murphey, 2010-01-05

The pastor of Atlanta's New Birth Missionary Baptist Church will show you how to live a life of God-filled greatness and experience success spiritually, personally, and financially. Captured in these pages is his wisdom on how to be everything that God wants us to become. And it can begin in 60 seconds. Every minute of your life can bring you one step closer to God, who promises great things. Bishop Long challenges you to prepare for the coming of these promises. Pray for and expect prosperity, and with his Strategic Life Plan, you can create a blueprint for success in every area of life: work, family, finances, and self-fulfillment. And the greatest gift of all: the realization of God's plan for your life. Full of 60-second exercises, quizzes, and affirmations, Bishop Long's breakthrough book will challenge everything you thought you knew about transforming your life. Long shows how to take cues from inspirational Biblical figures: from the prophet Nehemiah's right mindset to Joseph's work ethic. And just as Jacob and Esther did, you too can move from mediocrity to magnificence in God's eyes. Now you can make the most of your minutes by being everything God wants you to be. And you can start your journey to greatness in 60 seconds. Bishop Eddie Long is a leader who can help you transform your life. Let him teach you how to unblock the blessings in your life and open the doors of opportunity. Greatness can be yours. Bishop T. D. Jakes, The Potter's House of Dallas Inc. To connect with Bishop Long in any way will make you a stronger person. He is one of our greatest voices. Lou Gossett Jr., Golden Globe and Academy Award-winning actor. *60 Seconds to Greatness* is the blueprint that shows you how to travel the road to greatness. This should be a required reading everywhere. Warren Ballentine, nationally syndicated radio personality, author, and youth activist. *60 Seconds to Greatness* is the playbook on not just how to live a better life, but the best life you can by maximizing every minute and seizing every opportunity. Many pet owners consider vet visits to be quite stressful and traumatic, but there is an emerging alternative that can dramatically improve those experiences for everyone. Cooperative care is based on the concept of providing as much information as possible to help all parties involved understand how to recognize stress in their animal clients, how to offset that stress using force-free training and management methods, provide a calming physical environment, and encourage the participation of both pet owners and trainers. With thirteen chapters, each written by experts in their fields and based on up-to-date research, *Veterinary Cooperative Care* seeks to equip the veterinary staff and their clients with the tools and knowledge needed to ensure that everyone looks forward to their next visit to the vet. What experts are saying about Veterinary Cooperative Care: Cooperative Care is the most important modern veterinary care buzzword. This amazing group of expert authors has captured the importance of recognizing and preventing fear, anxiety, and stress, and they provide great examples of body language, facial expression, and communication signals that can help a clinician identify how a pet is feeling. This book offers valuable advice to relieve patient stress throughout their entire experience, from arrival to the clinic, examination, and returning home, with tips for future visits and how to create a calm experience during end-of-life protocols.
