Skateboard Video Duncan McDuie-Ra,2021-09-20 This book is about skateboard video and experimental ways of thinking about cities It makes a provocative argument to consider skate video as an archive of the city from below Here below has a dual meaning First below refers to an unofficial archive a subaltern history of urban space Second below refers to the angle from which skateboarders and filmers gaze upon capture and consume the city from the ground up Since taking to the streets in the early 1980s skateboarding has been captured on film video tape and digital memory cards edited into consumable forms and circulated around the world Videos are objects amenable to ethnographic analysis while also archiving exercises in urban ethnography by their creators I advocate for taking skate video seriously as a fragile archive of the urban backstage collective memory across time and space creative urban practice urban encounters people to people and people to object s and the globalization of a subculture at once delinquent and magnificent *Official Gazette of the United States Patent and Trademark Office* ,2003 *The Skateboarding Art* Tait Colberg,2012-10-29 More than a celebration of skateboard graphics or photography and videos more than a personal memoir of one life on four wheels this book argues that riding a skateboard is an art form of the same kind and stature as the traditional visual and performance arts Like a

paintbrush or a musical instrument the skateboard has become a tool of limitless creative possibilities Not a sport often a crime and for many a broader lifestyle skateboarding transforms mundane travel and neglected spaces into extraordinary experiences and spectacles Mullen Gonzales Hawk and others count among its Masters *Skateboarding and Philosophy* Joshua Heter,Josef Thomas Simpson,2025-03-10 The histories of skateboarding and philosophy are not entirely dissimilar Skateboarding got its start in the middle of the 20th century and quickly garnered a reputation as an activity that both attracted and encouraged a sort of lawless rebellion In a similar vein not long after its inception philosophy was most commonly known for its out of the box questioning of authority However both skating and philosophy eventually crept into the mainstream of society and have since earned their place as permanent fixtures in the culture With all they have in common it s only appropriate that the two should intersect in this book This collection of 19 new essays written by philosophers who are also skaters and skating enthusiasts covers a wide variety of topics important to skating such as its culture politics history art and status as a sport If you re a skater or someone who simply appreciates skating and you re interested in thinking a bit more carefully a bit more deeply about skateboarding this book was put together to help you do just that **He Who Dares** Derek 'Del Boy' Trotter,2015-10-08 Jack the lad wheeler dealer and international playboy just ask the manageress of El Sid s Torremolinos 1978 this was a man destined for greatness One day he would mature into an award winning man of business thriving entrepreneur and glittering member of the jet set A force of nature a man who beat the odds if only for a bit This is his story The story of Derek Del Boy Trotter Who else could tell the glorious tale of rags to riches to rags to rich ish but the man himself You ve heard of The Wolf of Wall Street now meet the Pug of Peckham Trotter s Independent Traders employee of the year 1982 2003 He Who Dares has been written by the family of John Sullivan creator and writer of Only Fools and Horses who sadly died in 2011 Ebury Press have produced and published the book with full support and involvement of the family 444 Fun Facts for Sports Kids: Skateboarding Edition Dr. Rabea Hadi,2025-07-06 Get ready to roll into the thrilling world of skateboarding with this epic collection of 444 fun facts that every young skater will love Perfect for kids ages 8 12 this book is packed with exciting easy to read facts about The coolest skate tricks and flips The history of skateboarding from backyard ramps to the Olympic stage Skate gear and safety essentials Global skate culture and the rise of skateparks everywhere Skateboarding legends like Tony Hawk Nyjah Huston and Rodney Mullen and the moves that made them famous Whether your child is a beginner or a passionate skater this book offers the ultimate guide to skateboarding fun combining knowledge humor and motivation From learning what a kickflip is to discovering the story behind the first skateboards in the 1940s every page keeps readers entertained and inspired Why Kids and Parents Love This Book Clean educational content written in a fun tone Inspires confidence and curiosity about sports Great for reluctant readers and sporty kids alike Filled with amazing skateboarding trivia world records and fun comparisons Helps kids stay safe while exploring skateboarding as a hobby Whether you re on a board or just curious about the skateboarding universe
