Janis Ansell, Pam Spencer Holley, 2002 Lists books by subject and title and recommends what book children and young adults should read next based on their previous likes and dislikes The School Librarian, 2001 *The GUARDIANS OF BIODIVERSITY* Diego de Azqueta Bernar, 2021-07-13 The indigenous peoples are the real authors of the book that you have in your hands They are the actors of this unfair story in which they continue to be repressed by their countries of origin and by national and international companies with robbery humiliation cultural annihilation and death It is impossible to give the credit and gratitude they deserve to all of them because of the complexity of their problems the diversity of their location on the planet and because of the difficulty to contact and communicate with the world within their communities This book is a testimony and a tribute to all those peoples more than five thousand cultures on the verge of extinction that have contributed to maintaining a balance in the great pristine areas of our planet We have tried to compile in this book testimonies of indigenous peoples collected over the years by me and my wife from different sources indigenous declarations references from speeches articles from international treaties conventions etc My wife and I together took some of the pictures of the Zoe tribe in 2005 before their culture started to fade away We had the chance to stay in their village accompanied by Sidney Possuelo possibly the most important defender of the rights and lands of indigenous isolated tribes in Brazil But any of the indigenous peoples shown in the photographs taken by me during the course of the last 40 years or by my wife and me could have formulated these thoughts since unfortunately the aggressions and experiences to which many of these quotations and passages refer to are common to a large number of indigenous communities in our planet The importance of the quotations is not their literal meaning but their symbolism and global meaning which is common to all of them Since 1979 I have been working as volunteer or activist in some cases fighting together with Indian leaders and defending the rights which led me to bring to Spain and found a group of volunteers to create the Spanish section of survival International in which I worked for many years creating in Spain Large number of members and lobby After that I decided to

form and found another group watu acci n INDIGENA foundation in which we were raising money to distribute to indigenas groups supporting their demands with different projects From buying an aero plane to help the Department of isolated Indians of Funai or funding indigenous activist into the convention of biological diversity Make their voice heard or funding projects in remote areas to rain force indigenas leadership and defend them from the aggression of the countries where they live now or the international companies that are killing them The indigenous peoples in North America have been exterminated by the Anglo Saxon expansion from 1776 until wounded knee in the e 19th century and recently last century also the whites American killed an Indian again in wounded knee the 20th century The Guardians of Biodiversity is an illustrated book with more than 100 pictures that help you to know a bit more of biodiversity **Bowker's Guide to Characters in Fiction** ,2003 *Best Books for Children* Catherine Barr,2006 Contains more than 25 000 titles of books recommended for children in grades K 6 The Writer's Market ERS.,2001 Describes thousands of markets for writers covering magazines publishers syndicates and contests with information on submission requirements pay scale and freelance work and listings of editors and agents **The Publishers Weekly** ,2001 **Books for the Teen Age, 2003** New York Public Library.
