Griffiths,2023-08-21 During the 1950 s the West European Socialist parties found themselves divided on the question of European integration This cleavage not only separated different national parties from each other but caused deep and painful rifts within national parties themselves The related controversies form the core of this volume consisting of a synthetic analysis thirteen national case studies and testimonies of three eyewitnesses Marinus van der Goes van Naters Christian Pineau Mario Zagari closely involved with the events described The collection deals with an important aspect of the pre history of the European Economic Community and provides a useful tool for its comparative study *Freedom Is a Place* Ron J. Smith,2020-08-01 Freedom Is a Place gives readers a snapshot of everyday life in the 1967 oPt occupied Palestinian territories A project of subaltern geopolitics it helps both new and seasoned scholars of the region better understand occupation its purpose varied manifestations and on the ground functions This personal study brings to light how large scale geopolitics play havoc with the lives of ordinary people and how people resist and endure Using data collected over a decade of fieldwork Ron J Smith situates the everyday realities of the occupation within the larger project of Zionism He explores the attempts to codify a temporary condition like occupation into permanency Smith insists that occupation be understood as a changing process not a singular event and to explain its longevity he argues that we must uncover the particular geographical and political dynamism at hand Through careful use of interviews and participant observation Smith reveals how the varied practices of occupation transform daily life into a prison He also helps bring to light everyday narratives

illustrating how people mobilize claims to freedom and sovereignty to maintain life under occupation Freedom Is a Place uncovers how lessons from Israel's seventy plus years occupation are used by other states to oppress restive populations At the same time Smith identifies how these lessons also can be mobilized to create new spaces and strategies toward achieving liberation

American Life and Best Sellers from The Catcher in the Rye to The Hunger Games Diane Dakers, 2016-07-15 A good book has the power to touch readers and provide insightful commentary into the human condition and current events This title examines the greatest literary hits to take America by storm from the 1950s to present day

The Life and Death of a Rural American High School (1995) Deyoung Alan, 2017-12-22 Published in 1995 this book provides an account of a detailed research project focusing on a rural school in West Virginia Researched from several social science perspectives the book strives to capture intersections between biography and history in a particular public school Burnsville High and Middle school in Braxton County that has been influenced by social political and economic forces eventually leading to its closure The author also discusses how the example of this school can be applied within the framework of American public education and Western culture itself Based on research from unstructured interviews oral histories historical records and intermittent fieldwork that took place between 1989 and 1992 the book provides an in depth look at a specific school offering a basis for discussing rural schools in general It challenges the idea that bigger schools are better and more efficient schools in terms of the individual the social life of the school and the surrounding community and considers the lack of scholarly accounts available on the issues controversies and social dynamics that surround these vital community matters

Witnessing the Soviet Twilight Dorothy S. McClellan, 2014-03-08 More than 20 years have passed since the fall of the Soviet empire This book provides an intimate look at how Americans resident in the Soviet Union in its final days described this unprecedented moment in history North American scholars from the disciplines of philosophy sociology psychology women's studies criminal justice labor relations religion and education present their insights into the dramatic events that marked the collapse of the Soviet Union and the transition to the Commonwealth of Independent States As glasnost and perestroika developed many Russians grew critical of traditional beliefs and confused about their identity and role in society As Marxism Leninism slipped away still others lamented the passing of a system rich in social protection and opportunities for education and professional advancement In this crisis thoughtful people shared with the contributors to this book assessments of their national history its successes and failures its triumphs its crimes and brutalities Accounts range from concrete portrayals of individuals to theoretical discussions of ideology economy gender equality capitalism and socialism producing a multifaceted portrait of a changing nation

Your Nostradamus Factor Ingo Swann, 2018-09-02 You Can Predict the Future Throughout the centuries the future has been seen in dreams in visions and by seers But you don't have to be a prophet or a visionary to predict what the future holds Now Ingo Swann explains how to understand and use the future predicting ability that lies within He identifies the different ways the future is revealed Spontaneous forewarnings during dreams Spontaneous alerts

that happen when awake Forewarnings and alerts communally experienced by numbers of people while sleeping or while awake Consciously controlled future seeing achieved by seers Ingo Swann also presents fascinating documented examples of prophecies that came true ranging from those that foresaw the sinking of the Titanic to his own prediction of the fall of the Berlin Wall Your Nostradamus Factor explains how you can develop your ability to foresee the future by Overcoming blocks to future seeing Tracking a particular subject and testing your predictions Using astrology to help see the future and Paying close attention to your dreams With the millennium right around the corner Swann also offers startling predictions for the future of the environment the economy science and society originally published in 1993 **Tournament of Lawyers** Marc

Galanter, Thomas Palay, 1994-01-15 Tournament of Lawyers traces in detail the rise of one hundred of the nation's top firms in order to diagnose the health of the business of American law Galanter and Palay demonstrate that much of the large firm's organizational success stems from its ability to blend the talents of experienced partners with those of energetic junior lawyers driven by a powerful incentive the race to win the promotion to partner tournament This calmly reasoned study reveals however that the very causes of the spiraling growth of the large law firm may lead to its undoing Galanter and Palay pose questions and offer some answers which are certain to change the way big firm practice is regarded To describe their work as challenging is something of an understatement they at times delight stimulate frustrate and even depress the reader but they never disappoint Tournament of Lawyers is essential to the understanding of the business of the big law firms Jean and Colin Fergus New York Law Journal Streets of Paris, Streets of Murder Jean-Patrick Manchette, Jacques

Tardi, 2020-10-06 The second of two volumes presenting all four hardboiled graphic crime novels by Jean Patrick Manchette and Tardi Like a Sniper Lining Up His Shot Martin Terrier killer for hire needs just one more big job so that he can turn in his guns for good and return home to marry his childhood sweetheart But soon he's on the run not only from the authorities and his treacherous ex clients but also from a crime syndicate seeking revenge for an earlier hit on one of theirs In Run Like Crazy Run Like Hell philanthropist Michael Hartog hires Julie just out of a psychiatric asylum as a nanny But he plans to fake the kidnapping of his son Peter and frame Julie for it But Julie is no pushover and soon Julie and Peter are on the run pursued by the police and by Hartog's enforcer the hulking contract killer Thompson **Quality of Scientific Evidence in FDA**

Regulatory Decisions United States. Congress. House. Committee on Government Operations. Intergovernmental Relations and Human Resources Subcommittee, 1978 Thinking Politically Raymond Aron, 2020-03-12 Thinking Politically brings

together a series of remarkable interviews with Raymond Aron that form a political history of our time Ranging over an entire lifetime from his youthful experience with the rise of Nazi totalitarianism in Berlin to the d nouement of the cold war Aron mediates on the threats to liberty and reason in the bloody twentieth century Originally published as The Committed Observer this volume provides one of the fullest accounts available of the dramatic events of the short century which began with the pistol shot in Sarajevo in 1914 and ended with the collapse of the ideological monsters whose deadly nature Aron

had ruthlessly exposed for a half century In addition to the interviews published in the original edition *Thinking Politically* incorporates three interviews never before published in book form This supplemental material clarifies Aron s role as a voice of prudential reason in an unreasonable age and allows unparalleled access to the principal influences on Aron s thought The volume concludes with *Democratic States and Totalitarian States* an address by Aron to the French Philosophical Society as well as the accompanying debate with Jacques Maritain Victor Basch and other intellectuals *Thinking Politically* serves as an ideal gateway into Aron s reflections and offers a superb single volume introduction to the major events and conflicts of the twentieth century It will be a welcome addition to the libraries of political theorists historians sociologists philosophers and citizens wishing to understand the political and intellectual currents of the age [The Last Banner](#) Peter May,2007-02 Of the 16 NBA championships won by the Boston Celtics the most memorable is that of the 1985 1986 season the Celtics last championship to date Powered by the Hall of Fame skills of the legendary Larry Bird Robert Parrish and Kevin McHale the team was virtually unstoppable The Last Banner offers a fascinating behind the scenes look at this remarkable team
