Tim Lanzendörfer

Taking Liberties Early American Womens Magazines And Their Readers:

Taking Liberties Amy B. Aronson, 2002-10-30 Unlike its British forebears the early American magazine or periodical miscellany functioned in culture as a forum driven by manifold contributions and perpetuated by reader response Arising in colonial Philadelphia America's more democratic magazine sustained a range of conflicting ideas norms and beliefs indeed it promoted their very exchange It invited and embraced competing voices particularly during the first 75 years of the Republic In this first ever account of the early American magazine as a distinct form Amy Beth Aronson reveals how such participatory dynamics and public visibility offered special advantages to women especially to those with sufficient education access and financial means for whom ladies magazines offered unusual opportunities for self expression collective discussion and cultural response Moreover the genre opened and sustained dialogue among contributors whose competing voices played off each other provoking rebuttal and revision by subsequent contributors and noncontributing readers This free play of discourse positioned women's words in a uniquely productive way offering a kind of community of women readers who together wrote and revised magazine content and collectively negotiated and authorized new language for a new public's use

The Routledge Handbook of Magazine Research David Abrahamson, Marcia R. Prior-Miller, 2015-06-05 Scholarly engagement with the magazine form has in the last two decades produced a substantial amount of valuable research Authored by leading academic authorities in the study of magazines the chapters in The Routledge Handbook of Magazine Research not only create an architecture to organize and archive the developing field of magazine research but also suggest new avenues of future investigation Each of 33 chapters surveys the last 20 years of scholarship in its subject area identifying the major research themes theoretical developments and interpretive breakthroughs Exploration of the digital challenges and opportunities which currently face the magazine world are woven throughout offering readers a deeper understanding of the magazine form as well as of the sociocultural realities it both mirrors and influences The book includes six sections Methodologies and structures presents theories and models for magazine research in an evolving global context Magazine publishing the people and the work introduces the roles and practices of those involved in the editorial and business sides of magazine publishing Magazines as textual communication surveys the field of contemporary magazines across a range of theoretical perspectives subjects genre and format questions Magazines as visual communication explores cover design photography illustrations and interactivity Pedagogical and curricular perspectives offers insights on undergraduate and graduate teaching topics in magazine research The future of the magazine form speculates on the changing nature of magazine research via its environmental effects audience and transforming platforms

Women's Magazines in Print and New Media Noliwe Rooks, Victoria Pass, Ayana Weekley, 2016-10-14 This book contributes to our collective understanding of the significance of representations of women and gender in magazines in both their print and online forms The essays are authored by scholars writers and cultural producers in fields such as art film and visual studies literature critical race studies communications broadcast and print journalism history and women and gender studies Taken as a whole the volume offers historical breadth and perspectives that are transnational and cross racial on women in magazines and digital media in a variety of ways It examines how women are represented how women have created and produced magazines and how women make meaning of themselves and their world using magazines as key sources of information

The SAGE International Encyclopedia of Mass Media and Society Debra L. Merskin, 2019-11-12 The SAGE International Encyclopedia of Mass Media and Society discusses media around the world in their varied forms newspapers magazines

radio television film books music websites social media mobile media and describes the role of each in both mirroring and shaping society This encyclopedia provides a thorough overview of media within social and cultural contexts exploring the development of the mediated communication industry mediated communication regulations and societal interactions and effects This reference work will look at issues such as free expression and government regulation of media how people choose what media to watch listen to and read and how the influence of those who control media organizations may be changing as new media empower previously unheard voices The role of media in society will be explored from international multidisciplinary perspectives via approximately 700 articles drawing on research from communication and media studies sociology anthropology social psychology politics and business

The SAGE Encyclopedia of Journalism Gregory A. Borchard, 2022-01-28 Journalism permeates our lives and shapes our thoughts in ways that we have long taken for granted This set covers all significant dimensions of journalism such as print broadcast and Internet journalism U S and international perspectives and history technology legal issues and court cases ownership and economics The encyclopedia consists of signed entries from scholars experts and journalists

The World of Antebellum America Alexandra Kindell, 2018-09-20 This set provides insight into the lives of ordinary Americans free and enslaved in farms and cities in the North and the South who lived during the years of 1815 to 1860 Throughout the Antebellum Era resonated the theme of change migration urban growth the economy and the growing divide between North and South all led to great changes to which Americans had to respond By gathering the important aspects of antebellum Americans lives into an encyclopedia The World of Antebellum America provides readers with the opportunity to understand how people across America lived and worked what politics meant to them and how they shaped or were shaped by economics Entries on simple topics such as bread and biscuits explore workers need for calories the role of agriculture and gendered divisions of labor while entries on more complex topics such as aging and death disclose Americans feelings about life itself Collectively the entries pull the reader into the lives of ordinary Americans while section introductions tie together the entries and provide an overarching narrative that primes readers to understand key concepts about antebellum America before delving into Americans lives in detail

Women Writers and Journalists in the Nineteenth-Century South Jonathan Daniel Wells, 2011-10-24 The first study to focus on white and black women journalists and writers both before and after the Civil War this book offers fresh insight into Southern intellectual life the fight for women s rights and gender ideology Based on new research into Southern magazines and newspapers this book seeks to shift scholarly attention away from novelists and toward the rich and diverse periodical culture of the South between 1820 and 1900 Magazines were of central importance to the literary culture of the South because the region lacked the publishing centers that could produce large numbers of books As editors contributors correspondents and reporters in the nineteenth century Southern women entered traditionally male bastions when they embarked on careers in journalism In so doing they opened the door to calls for greater political and social equality at the

turn of the twentieth century Foundations of Community Journalism Bill Reader, John A. Hatcher, 2012 This is the first and only book to focus on how to understand and conduct research in this ever increasing field *The Routledge Companion to the British and North American Literary Magazine* Tim Lanzendörfer, 2021-12-30 Encompassing a broad definition of the topic this Companion provides a survey of the literary magazine from its earliest days to the contemporary moment It offers a comprehensive theorization of the literary magazine in the wake of developments in periodical studies in the last decade bringing together a wide variety of approaches and concerns With its distinctive chronological and geographical scope this volume sheds new light on the possibilities and difficulties of the concept of the literary magazine balancing a comprehensive overview of key themes and examples with greater attention to new approaches to magazine research Divided into three main sections this book offers Theory it investigates definitions and limits of what a literary magazine is and what it does History and regionalism a very broad historical and geographic sweep draws new connections and offers expanded definitions Case studies these range from key modernist little magazines and the popular middlebrow to pulp fiction comics and digital ventures widening the ambit of the literary magazine The Routledge Companion to the British and North American Literary Magazine offers new and unforeseen cross connections across the long history of literary periodicals highlighting the ways in which it allows us to trace such ideas as the literary as well as notions of what magazines do in a culture *Beyond the Pulpit* Lisa J. Shaver, 2012-01-22 In the formative years of the Methodist Church in the United States women played significant roles as proselytizers organizers lay ministers and majority members Although women s participation helped the church to become the nation s largest denomination by the mid nineteenth century their official roles diminished during that time In *Beyond the Pulpit* Lisa Shaver examines Methodist periodicals as a rhetorical space to which women turned to find and make self meaning In 1818 Methodist Magazine first published memoirs that eulogized women as powerful witnesses for their faith on their deathbeds As Shaver observes it was only in death that a woman could achieve the status of minister Another Methodist publication the Christian Advocate was America s largest circulated weekly by the mid 1830s It featured the Ladies Department a column that reinforced the canon of women as dutiful wives mothers and household managers Here the church also affirmed women in the important rhetorical and evangelical role of domestic preacher Outside the Ladies Department women increasingly appeared in little narratives in which they were portrayed as models of piety and charity benefactors organizers Sunday school administrators and teachers missionaries and ministers assistants These texts cast women into nondomestic roles that were institutionally sanctioned and widely disseminated By 1841 the Ladies Repository and Gatherings of the West was engaging women in discussions of religion politics education science and a variety of intellectual debates As Shaver posits by providing a forum for women writers and readers the church gave them an official rhetorical space and the license to define their own roles and spheres of influence As such the periodicals of the Methodist church became an important public venue in which women s voices were heard and their

identities explored The Rise of Western Power Jonathan Daly,2013-12-19 The West's history is one of extraordinary success no other region empire culture or civilization has left so powerful a mark upon the world The Rise of Western Power charts the West's achievements representative government the free enterprise system modern science and the rule of law as well as its misdeeds two frighteningly destructive World Wars the Holocaust imperialistic domination and the Atlantic slave trade Adopting a global perspective Jonathan Daly explores the contributions of other cultures and civilizations to the West's emergence Historical geographical and cultural factors all unfold in the narrative Adopting a thematic structure the book traces the rise of Western power through a series of revolutions social political technological military commercial and industrial among others The result is a clear and engaging introduction to the history of Western civilization Midlife Crisis Susanne Schmidt,2020-03-01 The phrase midlife crisis today conjures up images of male indulgence and irresponsibility an affluent middle aged man speeding off in a red sports car with a woman half his age but before it became a gendered cliché it gained traction as a feminist concept Journalist Gail Sheehy used the term to describe a midlife period when both men and women might reassess their choices and seek a change in life Sheehy's definition challenged the double standard of middle age where aging is advantageous to men and detrimental to women by viewing midlife as an opportunity rather than a crisis Widely popular in the United States and internationally the term was quickly appropriated by psychological and psychiatric experts and redefined as a male centered masculinist concept The first book length history of this controversial concept Susanne Schmidt's Midlife Crisis recounts the surprising origin story of the midlife debate and traces its movement from popular culture into academia Schmidt's engaging narrative telling of the feminist construction and ensuing antifeminist backlash of the midlife crisis illuminates a lost legacy of feminist thought shedding important new light on the history of gender and American social science in the 1970s and beyond Dangerous to Know Susan Branson,2013-03-26 In 1823 the History of the Celebrated Mrs Ann Carson rattled Philadelphia society and became one of the most scandalous and eagerly read memoirs of the age This tale of a woman who tried to rescue her lover from the gallows and attempted to kidnap the governor of Pennsylvania tantalized its audience with illicit love betrayal and murder Carson's ghostwriter Mary Clarke was no less daring Clarke pursued dangerous associations and wrote scandalous exposés based on her own and others' experiences She immersed herself in the world of criminals and disreputable actors using her acquaintance with this demimonde to shape a career as a sensationalist writer In Dangerous to Know Susan Branson follows the fascinating lives of Ann Carson and Mary Clarke offering an engaging study of gender and class in the early nineteenth century According to Branson episodes in both women's lives illustrate their struggles within a society that constrained women's activities and ambitions She argues that both women simultaneously tried to conform to and manipulate the dominant sexual economic and social ideologies of the time In their own lives and through their writing the pair challenged conventions prescribed by these ideologies to further their own ends and redefine what was possible for women in early

American public life **Beyond Bylines** Barbara M. Freeman, 2012-08-01 *Beyond Bylines* Media Workers and Women's Rights in Canada explores the ways in which several of Canada's women journalists, broadcasters and other media workers reached well beyond the glory of their personal bylines to advocate for the most controversial women's rights of their eras. To do so, some of them adopted conventional feminine identities while others refused to conform altogether, openly and defiantly challenging the gender expectations of their day. The book consists of a series of case studies of the women in question as they grappled with the concerns close to their hearts: higher education for women, healthy dress reforms, the vote, equal opportunities at work, abortion, lesbianism and Aboriginal women's rights. Their media reflected their respective eras: intellectual magazines, daily and weekly newspapers, radio, feminist public relations, alternative women's periodicals and documentary film made for television. Barbara Freeman takes an interdisciplinary approach, combining biography, history and communication studies to demonstrate how their use of different media both enabled and limited these women in their ability to be daring advocates for gender equality. She shows how a number of these women were linked through the generations by their memberships in activist women's organizations.

Remembering Women Differently Lynée Lewis Gaillet, Helen Gaillet Bailey, 2019-05-23 An examination of women's work, rhetorical agency and the construction of female reputation. Before the full and honest tale of humanity can be told, it will be necessary to uncover the hidden roles of women in it and recover their voices from the forces that have diminished their contributions or even at times deliberately eclipsed them. The past half century has seen women rise to claim their equal portion of recognition, and *Remembering Women Differently* addresses not only some of those neglected, it examines why they were deliberately erased from history. The contributors in this collection study the contributions of fourteen nearly forgotten women from around the globe working in fields that range from art to philosophy, from teaching to social welfare, from science to the military, and how and why those individuals became either marginalized or discounted in a mostly patriarchal world. These sterling contributors, scholars from a variety of disciplines, rhetoricians, historians, compositionists and literary critics, employ feminist research methods in examining women's work, rhetorical agency and the construction of female reputation. By recovering these voices and remembering the women whose contributions have made our civilization better and more whole, this work seeks to ensure that women's voices are never silenced again.

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day. Few realize that the origin of the discussion on women's rights emerged out of the anti-slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted. Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America. Through 4 volumes and more than 800 entries, editor Tiffany K. Wayne, with advising editor Lois Banner, examine the issues, people and events of women's activism from the early period of American history to the present time. This

comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Memory Work Mary E. Triece, 2024-10-23 In the early twentieth century white controlled magazines and Black magazines told very different stories about the dynamics of race sex and power in the United States *Memory Work* White Ignorance and Black Resistance in Popular Magazines 1900-1910 examines how popular magazines employed rhetorical strategies to remember forget and frame America's racist past White controlled magazines such as the *Independent Outlook* *Arena* and *McClure's* carried stories of southern nostalgia union reconciliation and white purity Relying on willful ignorance to misremember past experiences of suffering these texts severed violent histories from present day policies and often simply remained silent Meanwhile in Black magazines such as the *Colored American Magazine* and the *Voice of the Negro* women writers leveraged countermemory Bringing Black women's accomplishments into focus these writers inverted popular white narratives that erased and obscured Black women's experiences including those of sexual violence Mary E. Triece traces how white and Black magazines often in dialogue with one another differently engaged memory work to either reinforce or upend white supremacy during a period of both Black advancement and white backlash Further the book suggests lines of connection between the construction of public memory in the past to those taking place today across an array of media platforms Popular debates whether appearing in early 1900s magazines or on twenty first century social media sites shape a culture's collective knowledge of what counts as true important and worthy of attention

Men & Masculinities Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men's lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source *Men & Masculinities* a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States
