Just Business Alec Hill, 2017-12-15 In this third edition of a popular textbook on business ethics Alec Hill carefully explores the foundational Christian concepts of holiness justice and love showing how some common responses to business ethics fall short of a fully Christian mindset Updated throughout this edition includes a new chapter on

international business and uses penetrating case studies to clothe principles in concrete business situations Moral Degeneration in Contemporary Zimbabwean Business Practices Munyaradzi Mawere,2011 This is an engaged and extremely well informed book on business and business ethics in a society with political and social economic crises As an engaging and engaged effort to bring a nexus between business ethics and business practices in any human society the book invites the reader to partake in pressing debates on business ethics in times of crisis The book provides a much needed interdisciplinary approach and marshals an extraordinary array of social and intellectual resources that positively inspire business people and business making It is wholesome and systematic in its articulation of the political and social forces that shape and are shaped by business Additionally it gives the reader a guided tour into the fascinating creativity that shapes and characterises business culture in contemporary Zimbabwe It's About Excellence David W. Gill,2011-08-01 It s About Excellence Building Ethically Healthy Organizations For too many businesses and their leaders today business ethics is just about staying out of jail Litigation indictment and penal system avoidance is not just the first but the only reason they think ethics is important It s about damage control It s not by accident that these damage control ethics programs are generally under the guidance of legal and compliance departments Of course companies need a damage control crisis management trouble shooting component in their ethics and management toolbox But if that s all there is something of critical business value is missing It s About Excellence tells the larger story Ethics is about identifying and pursuing excellence and business achievement It s about getting clear on an inspiring corporate mission and vision building a value embedded culture and pursuing principle guided practices Ethics is not a patch and repair add on here it s something woven through the whole organization created and owned by the whole workforce Human Rights and the Ethics of Globalization Daniel E. Lee,Elizabeth J. Lee,2010-09-13 Human Rights and the Ethics of Globalization provides a balanced thoughtful discussion of the globalization of the economy and the ethical considerations inherent in the many changes it has prompted The book s introduction maps out the philosophical foundations for constructing an ethic of globalization taking into account both traditional and contemporary sources These ideals are applied to four specific test cases the ethics of investing in China the case study of the Firestone company s presence in Liberia free trade and fair trade issues pertaining to the coffee trade with Ethiopia and the use of low wage factories in Mexico to serve the US market The book concludes with a comprehensive discussion of how to enforce global compliance with basic human rights standards with particular attention to stopping abuses by multinational corporations through litigation under the Alien Tort Claims Act
