**Taking Juvenile Justice Seriously** Christopher J. Sullivan, 2019-10-01 The juvenile justice system navigates a high degree of variation in youthful offenders While professionals with insights about reform and adolescent development consider the risks the needs and the patterns of delinquency of youth too little attention is paid to the responses and practicalities of a system that is both complex and limited in its resources In his essential book *Taking Juvenile Justice Seriously* Christopher Sullivan systematically analyzes key facets of justice involved youth populations and parses cases to better understand core developmental influences that affect delinquency He takes a comprehensive look at aspects of the life course affected by juvenile justice as well as at the juvenile justice system's operations and its multifaceted mission of delivering both treatment and sanctions to a varied population of youths *Taking Juvenile Justice Seriously* first provides an overview of the youth who encounter the system then describes its present operations and obstacles synthesizes relevant developmental insights and reviews current practices Drawing on research theory and evidence regarding innovative policies Sullivan offers a series of well grounded recommendations that suggest how to potentially and realistically implement a more effective juvenile justice system that would benefit all

**Taking Juvenile Justice Seriously** Ruth M. Adler, 1985 *Responses to Serious Offending by Children* Nessa Lynch, Yannick van den Brink, Louise Forde, 2022-05-30 This book explores the principles practice and challenges in determining justice system responses to serious offending by children globally Divided into four parts the book provides a balance of theoretical and empirical insights Anchored in a theoretical framework based on the human rights of children as set out in the UN Convention on the Rights of the Child it considers the relationship between scientific evidence such as brain development and the human rights framework before going to explore the diversity of responses to children who are found responsible for serious offences It brings together experts from various disciplines to fill a gap relating to serious offending by children in the literature Scholars from Africa Latin America and Asia as well as Europe North America and Oceania provide perspectives from legally socially and culturally distinct jurisdictions The first part focuses on the theoretical framework and explores the applicable standards and principles including the relevant human rights framework and penological approaches to sentencing children for serious crimes The second part analyses available empirical evidence including evidence relating to the profiles of children who commit serious crimes child and adolescent development effective sentencing approaches and evidence of disparities in responses to serious offending by children The third part provides a discussion of justice system responses to serious offending by children in a range of jurisdictions or regions with diverse and distinct legal social and cultural contexts Finally the book uses the theoretical framework empirical evidence and case studies of jurisdictions to reflect on how principles relating to responses to serious offending by children can be translated into practice and to highlight key debates and issues that will need to be explored into the future Adding much needed international perspectives to the scholarship addressing the issue this book will be of great interest to

academics students legal practitioners and social work professionals working on youth justice and children s rights across the globe

**Against Sexual Exploitation in Taiwan** Amy H.L. Shee, 2019-05-23 First published in 1998 this volume responds to child prostitution being recognised as a major social problem in modern capitalist Taiwan It is defined both legally and socially as a problem of sexual transactions involving children and juveniles thus the issue of child maltreatment is submerged under other concerns However the main concern of this book is the protection of children from maltreatment so related socio legal measures will be examined by this parameter During the social campaigns against child prostitution structural problems such as police corruption male sexual perversion socio economic inequality and the maladjustment of aboriginal people in the modern Taiwanese society are subjugated to increasing criticism Nevertheless efforts to encounter any of them have had very limited accomplishment This book intends to show that the functions of law in the prevention and treatment of the social problem of child prostitution cannot work as intended if those structural problems are not properly tackled Suggestions are also made to address the need to reconceptualise the problem in the analytical framework of child maltreatment and to recommend the direction for reformation of policy and practice
