Taking Positions Bette Talvacchia, 1999 The book is generously illustrated and includes full translations of the infamous sonnets that Pietro Aretino wrote to accompany I modi Exploring such issues as censorship religious teachings about sex and the influence of antique culture *Taking Positions* is a major contribution to our understanding of the erotic in Renaissance culture **BOOK JACKET** *Taking Positions in the Organization* David Campbell, Marianne Groenbeck, 2018-04-19 This book on social constructionist thinking addresses the manager's job for creating reflective space for people to observe themselves and others It explores broad societal and organizational discourses that offer positions from day to day realities that govern behaviour are constructed *Gender and Position-Taking in Henrician Verse* Rebecca Quoss-Moore, 2025-10-01 Tradition translation and transcription in Henrician verse functioned together in systems of communally created coded position taking Understanding this system as an extensive network of production and reception in which women took on many roles allows for new readings of Henrician verse that emphasize the interpretive range available to contemporary reading and writing communities This restoration demasculinizes our approach to Henrician verse not only through a more equitable consideration of gender's functions in that social world but also in de-emphasizing individualized self-fashioning or authorial intent in favor of an engagement with communal production and shared sociopolitical engagement The creation in this system is not of a code but of systems for coding and recognizing position taking These communal systems offer a site for the intersection of reader and writer of transcriber and composer and of King and courtier in a space that questions creates and troubles power in the Henrician court **Hedge Funds** Harold Kent Baker, Greg Filbeck, 2017 *Hedge Funds Structure Strategies and Performance* spans the gamut from theoretical to practical coverage of an intriguing but often complex subject and provides insights into the field from leading experts around the world **Political Psychology** Jon A.
