Taking The Tarot To Heart:

Taking the Tarot to Heart Mark McElroy, 2005 Waiting for Prince Charming may not be an effective strategy for finding love just as ignoring relationship problems isn't always the best solution. Instead of letting chance rule romance Mark McElroy suggests using the Tarot to improve your love life. No knowledge of the Tarot or belief in the supernatural is necessary. Anyone can use *Taking the Tarot to Heart* to take charge of their romantic destiny. For both singles and couples this book provides Tarot spreads and exercises to answer questions like How can I find my soulmate and How can I spice up my love life. Emphasizing the practical not the mystical McElroy demonstrates how easy it is to find creative solutions to relationship issues without bleeding the mystery and meaning out of romance. [Heart to Heart: A Guidebook for Relationship Recovery](#) Kristen Burkhardt-Hanson, 2014-11-22 This is a relationship recovery guidebook that teaches couples who are currently experiencing damage and dysfunction in their marriage how to have healthy and functioning marriages. Even without his physical form he has appeared to thousands of individuals across the globe in dreams and visions in meditation and out of the blue in broad daylight. He comes to open hearts with a blast of unconditional love to bring comfort and aid in response to calls for help and as a reminder that we are indeed all One. But doubt often strikes after an experience in which one feels such profound divine love. It was only a dream. Maybe I imagined it. I never met him in person how do I know it was him. The mind steps in to discount what the heart knows to be true. *Whisper in the Heart* validates these experiences by recounting the stories of over 150 people and the ways in which they met Maharajji as he is fondly known. For some it was while chanting at a kirtan while at a spiritual retreat while looking at a photograph or as in some of the more extraordinary stories when he shows up on a desperate woman's doorstep in France brings years of abuse to an end for a nine year old child in Australia dances on a beach in Miami or appears to a policeman in Taos New Mexico. Maharajji himself used to say When you think of me I'll be there. In this book you will see how he is fulfilling that promise.
