Joyce Meyer and her partner in ministry Ginger Stache offer a vulnerable intimate and compassionate conversation about the shame and the pain of rejection and the pathway to healing We live in a time of overwhelming loneliness and disconnection At least one in four Americans today are living in estrangement from a family member and over 50% of us experience periods of disconnection from close relatives No matter who we are the sting of rejection touches us As a child you may have experienced bullying or even a parent or sibling who failed to acknowledge your value and love you as you needed to be loved As we grow older the rejections we experience pile upon one another a boss who offers constant criticism a spouse who walks away and leaves us devastated a friend who ditches us when life gets tough Rejection is a common denominator of the human experience and many of us develop into people who view the world through the lens of rejection as our pain causes us to burrow further into isolation disappointment and sadness Here through Joyce s personal story of abuse and abandonment and Ginger s journey of shock and betrayal in marriage you will find community in the fact that you are not alone as well as hope for the dawning of new possibilities In this book Joyce Meyer and Ginger Stache are determined to banish the stigma of rejection by leading readers to the healing balm of God s unconditional love Through facing our pain head on learning to embrace the truth of our absolute acceptance in Christ and understanding how others may react to us and to the world out of their own lens of rejection we can grow in confidence develop healthy relationships and find lasting acceptance This book also contains study questions with each chapter perfect for group study or individual reflection
