An Anthology of Russian Folktales Jack V. Haney, 2014-12-18 This anthology gathers a broad selection of Russian folktales legends and anecdotes and includes helpful features that make them more accessible and engaging for English language readers Editor Jack V Haney has selected some of the best tales from his seven volume Complete Russian Folktale collection and added examples of anecdotes and the long serial tales told in the far north The 114 tales included here represent every genre found in the Russian tradition They date from the eighteenth through the twentieth centuries and come from all geographic regions of the Russian speaking world The collection is enhanced by a detailed introduction to the folktale and its types brief introductions to each grouping of tales head notes with interesting background for individual tales and a glossary explaining Russian terms **The Complete Folktales of A. N. Afanas'ev** Jack V. Haney, 2014-11-18 The folktales of A N Afanas ev represent the largest single collection of folktales in any European language and perhaps in the world Widely regarded as the Russian Grimm Afanas ev collected folktales from throughout the Russian Empire in what are now regarded as the three East Slavic languages Byelorussian Russian and Ukrainian The result of his own collecting the collecting of friends and correspondents and in a few cases his publishing of works from earlier and forgotten collections is truly phenomenal In his lifetime Afanas ev published more than 575 tales in his most popular and best known work Narodnye russkie skazki In addition to this basic collection he prepared a volume of Russian legends many on religious themes an anthology of mildly obscene tales and voluminous writings on Slavic folk life and Slavic mythology His works were subject to the strict censorship of ecclesiastical and state authorities that lasted until the demise of the Soviet Union at the end of the twentieth century Overwhelmingly his particular emendations were of a stylistic nature while those of the censors mostly concerned content The censored tales are generally not included Up to now there has been no complete English language version of the Russian folktales of Afanas ev This translation is based on L G Barag and N V Novikov s edition Moscow Nauka 1984 1986 widely regarded as the authoritative edition The present edition includes commentaries to each tale as well as its international classification number *Tales Arab Women Tell* Hasan M.
