A PSYCHOTHERAPIST REVISITS  
HIS MOST MEMORABLE PATIENTS

Robert U. Akeret

# Tales From A Traveling Couch

**Jill Brooke**

## **Tales From A Traveling Couch:**

**Tales From A Traveling Couch** Robert U Akeret, 1996-11-05 After 35 years in practice a prominent New York psychotherapist questioned whether therapy made any difference in his patients lives So on a sunny morning in April Dr Akeret got in his van and set off to visit his most memorable former patients a journey in search of story endings Like a brilliant detective novel this book tells its stories in fascinating detail while raising fundamental questions about psychotherapy

**Selected Papers of Salman Akhtar** Salman Akhtar, 2023-06-01 Salman Akhtar is a Professor of Psychiatry a Training and Supervising Analyst a member of numerous editorial boards winner of many awards including the highly prestigious Sigourney Award a writer of several hundred articles a poet and the author or editor of over one hundred books A modern day Renaissance man his elegant writing is simultaneously scholarly and literary and brings a light touch to profound material Phoenix Publishing House is proud to present his most inspiring works in a stunning ten volume hardback set fit to grace the shelves of collectors and libraries with its high quality finish

**The Damaged Core** Salman Akhtar, 2009-04-13 This book deals with the process through which a coherent self evolves the various ways such development fails to occur and the therapeutic measures to put things back together It deals with the psychotic core the schizoid wish to die and be reborn the fantasies related to unresolved separation individuation the sociopathic tendency to lie and the impact of excessive narcissism on love relations This book also provides a unique perspective on the treatment of these conditions insofar as it not only elucidates the ways that a therapist listens and talks to his patients but also the subtle but deep impact of his ongoing attitude toward psychotherapeutic work Book Jacket

**Don't Let Death Ruin Your Life** Jill Brooke, 2002 The author a CNN correspondent and Daily News journalist shares her insights into the grieving process as she explains how a time of bereavement can be transformed into an opportunity for positive change and growth Reprint

*The Clinical Erich Fromm* Rainer Funk, 2009 Rainer Funk's edited book is immensely valuable because it presents Fromm's clinical ideas and clinical style through the voice of his supervisees students colleagues and friends Funk's book provides a timely and important addition to our understanding of Fromm It fills a gap in the secondary literature by demonstrating the way in which Fromm was an especially skillful and talented clinician in addition to being a writer of great renown By offering first hand accounts of their work with Fromm the contributors help readers to grasp how the clinical Erich Fromm worked in his psychoanalytic practice and how he conceptualized clinical case material In the process Funk's book deepens our appreciation of Fromm as a thinker clinician and a human being Most importantly this book illustrates the wealth of Fromm's approach and picks it up at the moment when psychoanalytic psychotherapy is confronting a challenge to its whole way of thinking and practicing It reveals how Fromm's therapeutic approach which emphasizes direct encounter with the patient and values the contextualization of experience remains directly relevant for the changing culture of contemporary psychotherapy Roger Frie Associate Professor Simon Fraser University and Faculty William Alanson White Institute

Intimacy, Change, and Other Therapeutic Mysteries David C. Treadway, 2004-09-07 This unique collection of short fiction takes the reader on an journey beyond the terrain of the clinical text or case study David Treadway not only explores the ways in which therapy addresses client problems but also illuminates the impact of clinical work on the therapist how what happens in sessions spills over into the personal lives of both parties and how we can understand the myriad often unpredictable ways in which change occurs over time Delving into vital personal professional and ethical issues that are often neglected in clinical training and offering insights to stimulate further thinking and dicussion the volume is deeply instructive This volume is a rewarding resource for psychotherapists from a range of backgrounds including clinical psychologists clinical social workers couple and family therapists and psychiatrists It is also an invaluable tool for professional workshops or graduate training programs

*Some Stories are Better than Others* Michael F. Hoyt, 2013-08-21 There are stories that we use to explain what happened to us twenty years ago or last wee those we use to explain why the world works the way it does and those that we sue to fix the world when it doesn t work the way other stories said it should And as the author points out in this collection of essays and interviews some of these stories are better than others This book is an investigation into which might be the better stories and how they can help clients reach their goals in therapy This book contains fifteen essays and interviews written or co written by Michael Hoyt The collection represents Dr Hoyt s recent thinking on helping clients with the brief future orientated therapeutic approaches

**Stories We've Heard, Stories We've Told** Jeffrey A. Kottler, 2015 If you ask someone the question Tell me a story that changed your life there will almost certainly be a thoughtful pause before a huge grin emerges Everyone s life has been guided and impacted by stories beginning with the earliest fables and nursery rhymes our parents used to instill moral values to the last time you wanted to illustrate a point in a meeting or get a laugh out of a friend over dinner Storytelling is a uniquely human activity among our first and most enduring forms of communication This is a book about the meaning of stories in people s lives especially those that have produced enduring changes in their values behavior lifestyle and worldview Carefully documented and supported by research from the social sciences as well as from neurobiology the humanities media studies and arts Jeffrey Kottler will explore how and why stories are so powerfully influential in people s lives especially those that lead to major life transformations

**Psychoanalysis and Narrative** Jorgelina Corbatta, 2024-08-14 Psychoanalysis and Narrative analyzes narrative in literary fiction film and autobiography through different psychoanalytic lenses including gender and socio cultural perspectives This book aims to demonstrate how fictionists and film makers have intuitively developed through their own creativity many of the psychoanalytic discoveries about the human mind Subverting the usual direction of applied psychoanalysis the book goes from creativity to psychoanalysis and focuses on four internationally known Argentine writers Jorge Luis Borges Julio Cort zar Manuel Puig and Luisa Valenzuela two Argentine women filmmakers Lucrecia Martel and Luc a Puenzo and French essayist and writer Serge Doubrovsky This volume will be of interest to students and academics

interested in autobiography and autofiction      **The Call to Social Work** Craig W. LeCroy, 2011-10-05 The Call to Social Work is a great supplement to courses such as introduction to social work and social welfare and social work practice It can also be used in practicum field courses to give students a better understanding of what various types of social workers do in daily practice The text provides stories of real social workers with many different backgrounds and is designed to help students to better understand the profession      Photolanguage Robert U. Akeret, 2000 Provides the background stories behind 150 photographs of both famous and ordinary people      **Inside Therapy** Ilana Rabinowitz, 2000-05-24 A scintillating collection of writings on the mysterious controversial and intimate process of psychotherapy Everyone with an interest in the art and science of psychotherapy practitioners patients students and avid readers of Freud Jung et al will find this lively anthology an engrossing read A varied mix of essays book chapters case histories and compelling fiction written by veterans of both sides of the couch and representing many schools of thought Inside Therapy includes Janet Malcolm s The Impossible Profession Mark Epstein s Thoughts Without a Thinker Eric Fromm s The Art of Listening A M Homes s In a Country of Mothers Theodore Reik s The Third Ear and others The foreword by Irvin D Yalom author of Love s Executioner offers additional wisdom humor and perspective At a time when managed care threatens the psychoanalytic tradition this dramatic inspiring collection reminds us of the healing power of insight and the unique gifts of the patient therapist relationship

**Erich Fromm** Annette Thomson, 2009-09-04 The twentieth century was defined by far reaching social changes and this fresh insight into the life and works of Erich Fromm offers a compelling overview of his observations Fromm s views on personal relationships therapy and his critique of society were closely tied to his astute analysis of the changes he witnessed and made him into a highly influential social and political commentator In this absorbing introduction Thomson considers how Fromm s early experiences influenced his enquiry into the human condition and examines what relevance his ideas still hold for students and readers today      *Psychoanalytic Case Studies from an Interpersonal-Relational Perspective* Rebecca Coleman Curtis, 2017-12-14 Psychoanalytic Case Studies from an Interpersonal Relational Perspective contains reports of long term treatments including many dialogues and dreams with commentaries following each one Drawing from theories that have been developed since Freud the analysts focus on problems in living as opposed to diagnoses and repressed sexual and aggressive urges They also express their own feelings towards patients and even their own dreams The cases themselves include sexual abuse a man whose father killed his mother a change in sexual orientation as well as those of depression physical problems and difficulties relating interpersonally such as fear of rejection and rejecting help Actual dialogues of sessions are featured so that readers can see what takes place in psychoanalysis The analysts here draw from theories of Sullivan Fromm Horney and Fromm Reichmann Kohut Winnicott and more recently Levenson Mitchell Bromberg Donnell Stern and Aron to name a few Most contemporary case reports come from short term therapies and many rely on techniques of changing conscious cognitions and encouraging new behaviors The treatments in this book while often including such

interventions explore more in depth processes that may be unconscious and related to transferential expectations from previous relationships encouraging new experiences and not simply explanations Psychoanalytic Case Studies from an Interpersonal Relational Perspective will be of great interest to interpersonal and relational psychoanalysts and psychoanalytic psychotherapists in clinical practice

**Alchemists of Human Nature** Petteri Pietikainen, 2015-10-06 A study of Modernist utopias of the mind This book examines the psychodynamic writings of Otto Gross C G Jung Wilhelm Reich and Erich Fromm It argues utopianism became increasingly important to the fundamental ambitions of all four thinkers and places the utopian impulse with the historical context of the early twentieth century

**Celebrating the Wounded Healer Psychotherapist** Sharon Klayman Farber, 2016-10-04 Why would someone decide to become a psychotherapist It is well known within the field that psychoanalysts and psychotherapists are often drawn to their future professions as a result of early traumatic experiences and being helped by their own psychoanalytic treatment While dedicating their lives to relieving emotional suffering without being judgmental they fear compromising their reputations if they publicly acknowledge such suffering in themselves This phenomenon is nearly universal among those in the helping professions yet there are few books dedicated to the issue In this innovative book Farber and a distinguished range of contributors examine how the role of the wounded healer was instrumental in the formulation of psychoanalysis and how using their own woundedness can help clinicians work more effectively with their patients and advance theory in a more informed manner Celebrating the Wounded Healer Psychotherapist will be of interest to psychoanalysts and psychoanalytic psychotherapists graduate students in clinical disciplines including psychology social work ministry chaplaincy and nursing as well as the general public

**New York Magazine** , 1995-06-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

### **Tales From A Traveling Couch Introduction**

In today's digital age, the availability of Tales From A Traveling Couch books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tales From A Traveling Couch books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tales From A Traveling Couch books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tales From A Traveling Couch versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tales From A Traveling Couch books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tales From A Traveling Couch books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tales From A Traveling Couch books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tales From A Traveling Couch books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tales From A Traveling Couch books and manuals for download and embark on your journey of knowledge?
