Tales from Kentucky Lawyers William Lynwood Montell, 2010-09-12 A woman was sitting on the witness stand and the lawyer asked her Did you or did you not on the night of June 23rd have sex with a hippie on the back of a motorcycle in a peach orchard She thought for a few minutes then said What was that date again from the book Lawyers have long been known as master storytellers and those from Kentucky are certainly no exception Veteran oral historian and folklorist Lynwood Montell has collected tales from dozens of lawyers and judges from throughout the Bluegrass State ranging from the story about the tough Jackson County judge who fined himself for being late to court to unwelcome dogs in the courtroom Recorded just as they have been told for generations these stories are sometimes funny sometimes sad or frightening sometimes raw and harrowing but always remarkable Far more than collection of lawyer jokes Tales from Kentucky Lawyers recounts the most insightful entertaining and occasionally heartbreaking stories ever told by and about Kentucky lawyers and their clients covering the spectrum from arson to homicide domestic disagreements to sexual abuse and everything in between Tales from Kentucky Lawyers is a valuable resource for folklorists as well as an entertaining and vivid account of the often surprising legal world Tales from Tennessee Lawyers William Lynwood Montell, 2005-10-07 Perhaps no one has keener insight into human nature than the small town trial lawyer All but lost in an era of corporate law firms and specialized practice this charismatic figure was once at the political center of a community and was the holder of its many secrets A small town attorney s only specialization was the town itself Serving as both defender and accuser these lawyers witnessed communities and individuals at their best and worst Men and women of the legal profession often exert influence in seemingly small realms but they play an important role in the lives of many people and help shape the American legal system Veteran oral historian and folklorist William Lynwood Montell has brought together a fascinating collection of tales gathered from lawyers and judges throughout the Volunteer State Montell searched small towns and cities across Tennessee for the law s older and middle age practitioners and he shares the wealth of their experience in Tales from Tennessee Lawyers These stories are recorded exactly as told by the lawyers themselves and they reveal candid and unusual snapshots of the legal system both past and present With a tape recorder and an ear for detail Montell uncovers events and lives ranging from the commonplace to the extraordinary A man resorts to prostitution to alleviate the debt brought about by divorce proceedings Identical twins are tried for a string of murders A convict flees his trial by stealing the judge's car A prosecutor tries the nation's first school shooting case Judge George Balitsaris a former University of Tennessee football player escorts a special prosecutor out of a notorious rape trial as a precaution after the defendant s family issues threats These and similar stories illustrate the strange complex cases argued daily from Tennessee's largest cities to its smallest towns Far more than just a collection of lawyer jokes these recollections shed light on the tense and often dangerous lives of those who work to see that all receive fair representation and treatment in court Tales from Kentucky Sheriffs William Lynwood

Montell, 2011-08-19 Following the success of his collections of stories from funeral directors schoolteachers doctors and lawyers folklorist William Lynwood Montell presents a new volume of tales from Kentucky sheriffs Montell collected stories from all areas of the state to represent the diversity of social and economic backgrounds in the various communities the officers serve Tales from Kentucky Sheriffs covers elections criminal behavior and sheriff s mistakes in a lighthearted and often humorous manner The book includes accounts of a drunk driver who thought he was in a different state a sheriff running a sting operation with the U S Marshals and a woman reporting a tomato thief in her garden Other accounts involve procedural errors with serious consequences such as the tale of a sheriff who mistakenly informs a man that his son has committed suicide Together these firsthand narratives preserve important aspects of Kentucky's history not likely to be Travels with George, in Search of Ben Hur and Other Meanderings Paul Ruffin, 2012-06-05 This fourth collection of essays by Paul Ruffin highlights his idiosyncratic wit and practiced storytelling skills in memorable autobiographic pieces ranging from the comic to the confessional The first section Things Literary More or Less includes the title essay in which Ruffin takes the reader on a rollicking tour with iconic Southern writer George Garrett which ends with the two men locating the ghostly remains of an obscure Texas hamlet called Ben Hur and talking with an eccentric representative of the town s handful of inhabitants In other essays Ruffin workshops a cowboy poem with a couple of deputy sheriffs reveals aspects of Edgar Allan Poe s life never before published reviews some unusual books and shares the story of a boy who speaks only in hymns Ruffin concludes the section with the tale of an invigorating flight to San Juan in an old DC 6 In the next section On Likker and Guns Ruffin summarizes his drinking career transcribes the conversation between two rats that destroy his university office and tells the tale of a bowhunter who asked him for his deer bladder He also introduces the reader to a sharpshooter who while trying to demonstrate his prowess with an old rifle kills an old man's tractor Finally Ruffin takes the reader on a trip to a Texas gun show to meet the menacing Boram the clueless Billy Wayne and a vigilant wife dedicated to preserving the family budget The book ends with an excerpt from Ruffin's unpublished memoir Growing Up in Mississippi Poor and White but Not Quite Trash in which the author recalls his agonizing boyhood quest to unlock the mysteries of sex Never under this sun was there a child more ignorant of the act the organs involved or its marvelous potential for pleasure and fulfillment And never was there a child who tried harder to understand Through Ruffin s sly vision of himself and his surroundings and his ability to focus attention on life s curious defining moments these essays reflect some of the best aspects of contemporary literary nonfiction Every tale is vibrantly alive with the sincere voice crisp details bold images and distinctive dialogue that readers have come to relish in Ruffin's myriad writings **Tales from Tennessee** Lawyers William Montell, 2005-10-07 Perhaps no one has keener insight into human nature than the small town trial lawyer All but lost in an era of corporate law firms and specialized practice this charismatic figure was once at the political center of a community and was the holder of its many secrets A small town attorney s only specialization was the town itself Serving as

both defender and accuser these lawyers witnessed communities and individuals at their best and worst Men and women of the legal profession often exert influence in seemingly small realms but they play an important role in the lives of many people and help shape the American legal system Veteran oral historian and folklorist William Lynwood Montell has brought together a fascinating collection of tales gathered from lawyers and judges throughout the Volunteer State Montell searched small towns and cities across Tennessee for the law's older and middle age practitioners and he shares the wealth of their experience in Tales from Tennessee Lawyers These stories are recorded exactly as told by the lawyers themselves and they reveal candid and unusual snapshots of the legal system both past and present With a tape recorder and an ear for detail Montell uncovers events and lives ranging from the commonplace to the extraordinary A man resorts to prostitution to alleviate the debt brought about by divorce proceedings Identical twins are tried for a string of murders A convict flees his trial by stealing the judge's car A prosecutor tries the nation's first school shooting case Judge George Balitsaris a former University of Tennessee football player escorts a special prosecutor out of a notorious rape trial as a precaution after the defendant's family issues threats These and similar stories illustrate the strange complex cases argued daily from Tennessee s largest cities to its smallest towns Far more than just a collection of lawyer jokes these recollections shed light on the tense and often dangerous lives of those who work to see that all receive fair representation and treatment in court Laugh You'll Cry Claire Schmidt, 2017-07-25 Introduces readers to prison workers as they share stories debate the role of corrections in American racial politics and social justice and talk about the important function of humor in their jobs

Their frontier experience attuned the people to weak governments self help quick wrath and long memories and revealed the influences that gave the state and its people their reputation for contented ignorance colorful individualism crankiness self reliance contempt for court decisions deadliness with gun and knife and quirky and corrupt politics Spun from the experiences of his law office Caudill was one of the great storytellers with a keen eye for the unexpected detail and ear for the unique turn of phrase He denounced scoundrels praised courage and justice wherever he found it and celebrated the frailty of the human condition Time goes on and stories of Kentucky and its people accumulate and Caudill's stories help shape the thoughts and inspire the actions of the Kentuckians of tomorrow **Delay, Deny, Defend** Jay M. Feinman, 2010-03-18 An expose of insurance injustice and a plan for consumers and lawmakers to fight it Over the last two decades insurance has become less of a safety net and more of a spider s web sticky and complicated designed to ensuare as much as to aid Insurance companies now often try to delay payment of justified claims deny payment altogether and defend these actions by forcing claimants to enter litigation Jay M Feinman a legal scholar and insurance expert explains how these trends developed how the government ought to fix the system and what the rest of us can do to protect ourselves He shows that the denial of valid claims is not occasional or accidental or the fault of a few bad employees It s the result of an increasing and systematic focus on maximizing profits by major companies such as Allstate and State Farm Citing dozens of stories of victims who were unfairly denied payment Feinman explains how people can be more cautious when shopping for policies and what to do when pursuing a disputed claim He also lays out a plan for the legal reforms needed to prevent future abuses This expos will help drive the discussion of this increasingly hot button issue Storytelling Magazine ,2004 Texas Stories I Like to Tell My Friends T.
