Tales From The Underground:

Tales from the Soft Underbelly of Confusion Peter A. Barbieri, 2007-09 What does it mean to have a personality that is slightly skewed I am not speaking of one that throughout its earthly tenure exhibits qualities of excess be they psychosomatic anal psychotic delusional or narcissistic I am speaking of a personality that on occasion given the depth of emotional entrapment takes matters to the edge of predictable behavior and beyond thus shedding light upon the darkness lurking there Although these qualities might at times apply to some or all of the main characters here they primarily serve as the necessary yet impure ingredients for the alchemist s journey and as such they point out the twists and turns of hints and allusions the oddness of the plots and of course the suggestion of larger more intangible issues In **Tales from the Soft Underbelly of Confusion** character impurities and our rigorous attempt to sublimate and repress them are subtle reminders of the cosmic hoop through which we jump to keep our world ordered and sane **Eerie Alabama: Chilling Tales from the Heart of Dixie** Alan Brown ,2019 Known for antebellum mansions and sunny beaches Alabama also claims an abundance of fascinating mysteries and legends The White Thang is a Sasquatch like creature that has terrorized Alabamians for generations For a brief period in the 1980s Needham gained national attention because of its crying pecan tree In 1854 a farmer named Orion Williamson simply vanished in a field in Selma From the aquatic beast known as the Coosa River Monster to the story of the Leprechaun of Mobile these stories have evolved over generations Author Alan Brown presents some of the strangest stories from this collective tradition **Tales from the Arabic of the Breslau and Calcutta (1814-18) Editions of the Book of the Thousand Nights and One Night Not Occurring in the Other Printed Texts of the Work** ,1884 **Tales from the Seaside** Claire Buss, 2019-09-14 **Tales from the Seaside** is an award winning humorous collection of short stories reflecting on life by the seaside attempts to successfully wrangle two small children and the result of being inspired by the sun the sand and the sea The perfect beach read it will have you chuckling in your deckchair **Tales from the Milestone** Ben Wajikra, 2004 Wajikra s story details his life before the WWII and the last days when he was with his parents how he survived on his own and his treatment on the farm where he hid for a while He details aspects of underground activities and lets others tell their stories The last chapter is a rather horrifying story of a raid on a farm and the defensive actions he and others had to take **Tales from the Asylum** Sylvia Shults, 2017-12-10 Now available in one volume 44 YEARS in DARKNESS and FRACTURED SPIRITS 44 YEARS IN DARKNESS In the later part of the nineteenth century Rhoda Derry spent over forty years in the Adams County Poor Farm curled in a fetal position in a box bed She had clawed her own eyes out She had beaten her front teeth in Her legs had atrophied to the point where she could no longer stand on her own or even sit in a wheelchair She had been committed there by her own family when they could no longer care for her at home She spent decades locked away from the world Her crime Falling in love Rhoda suffered a mental breakdown after being cursed by the mother of the boy she was engaged to marry Committed to the almshouse for violent

insanity she was eventually rescued by Dr George A Zeller She was transferred to the Peoria State Hospital in Bartonville Illinois where she spent the remainder of her days in peace and comfort Rhoda died in 1906 but her spirit seems to live on Sylvia Shults author of *Fractured Spirits Hauntings at the Peoria State Hospital* returns to the hilltop to tell the story of Rhoda s life and her afterlife She examines the social pressures that led to Rhoda s breakdown and her eventual insanity And she explores the stories that continue to be told about Rhoda and her presence on the hilltop **FRACTURED SPIRITS** During the first half of the twentieth century the Peoria State Hospital was the premiere mental health facility of its day Dr George Zeller instituted the eight hour workday for his staff removed patient restraints and made the asylum into a model for the care of the mentally ill Today there are only a few buildings of the hospital left Some of them are still in use others are inhabited only by ghosts Our guide to these ghosts and the history they represent is Sylvia Shults In *Fractured Spirits Hauntings at the Peoria State Hospital* she brings a passion for paranormal investigation to her adventures at this haunted hotspot The spirits come to life once more as Shults explores their former home Other voices help her tell the story this is a collection of people s experiences at the Peoria State Hospital Ghost hunting groups sensitives former nurses and ordinary people share their stories with us their voices resonating to create a panoramic view to rival the vista of the Illinois River To visit the remaining buildings of the Peoria State Hospital today is to visit a small piece of history A ghost story over a hundred years in the making *Fractured Spirits* is narrative nonfiction at its finest *Tales from the Arabic — Complete* Anonymous,2022-09-04 *Tales from the Arabic Complete* is a remarkable compilation of classic Arabic folklore showcasing a plethora of vibrant tales that have been passed down through generations The compilation reflects the rich tapestry of Arab culture with stories that range from magical adventures to profound moral lessons all meticulously translated to capture the lyrical beauty of the original texts This anthology stands as a testament to the oral storytelling traditions that shaped Arabic literature weaving in elements of mysticism and social commentary prevalent in the Middle Eastern context The anonymous author of this collection likely draws from a deep well of cultural heritage influenced by the traditions of oral storytelling and the diverse historical landscape of the Arab world By remaining anonymous this author allows the tales themselves to shine emphasizing the communal nature of these stories rather than personal attribution The universality of the themes unites readers across various backgrounds reflecting the oral narrative tradition as communal and timeless Readers are encouraged to delve into *Tales from the Arabic Complete* as an essential introduction to the enchanting world of Arabic folklore With its engaging narratives and rich cultural insights this anthology is a delightful exploration for both literary enthusiasts and those seeking to broaden their understanding of global storytelling traditions **Tales from the Arabic; Complet** John Payne,2025-08-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Tales from the Vatican Vaults** David V. Favorite Tales from the Arabian Nights' Entertainments ,2012-10-10 Six enchanting tales told by an Arabian princess to delay her execution Sinbad the Seaman and Sinbad the Landsman Aladdin or the Wonderful Lamp Ali Baba and the Forty Thieves and 3 others [The Missionary's Curse and Other Tales from a Chinese Catholic Village](#)

Henrietta Harrison,2013-06-01 The Missionary s Curse tells the story of a Chinese village that has been Catholic since the seventeenth century drawing direct connections between its history the globalizing church and the nation Harrison recounts the popular folk tales of merchants and peasants who once adopted Catholic rituals and teachings for their own purposes only to find themselves in conflict with the orthodoxy of Franciscan missionaries arriving from Italy The village s long religious history combined with the similarities between Chinese folk religion and Italian Catholicism forces us to rethink the extreme violence committed in the area during the Boxer Uprising The author also follows nineteenth century Chinese priests who campaigned against missionary control up through the founding of the official church by the Communist Party in the 1950s Harrison s in depth study provides a rare insight into villager experiences during the Socialist Education

Movement and Cultural Revolution as well as the growth of Christianity in China in recent years She makes the compelling argument that Catholic practice in the village rather than adopting Chinese forms in a gradual process of acculturation has in fact become increasingly similar to those of Catholics in other parts of the world **Tales from the Arabic; Vol.1 of 3** John Payne,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Tales from the North Carolina Tar Heels Locker Room Ken Rappoport,2012-05-01 Ken Rappoport s Tales from the North Carolina Tar Heels Locker Room is a compilation of the best notes quotes and anecdotes from North Carolina lore Meet a coach nicknamed Bloody Neck a player called The Blind Bomber and a team known as the White Phantoms And of course there is the extraordinary Michael Jordan Tales from the North Carolina Tar Heels Locker Room captures the anecdotes and memories that have defined this team from the early twentieth century up through their incredible success in the 2000s A must have for any Tar Heels fan Stories from the Chicken Foot House Tina Jackson,2018-09-24 Stories from the Chicken Foot House is a collection of stories where stranger things can happen than might seem possible it s a collection of urban myths and fairytales for the kind of people who believe that the everyday can be extraordinary and would rather wear Doctor Martens than be Disney princesses *Abou Mohammed the Lazy and Other Tales from the Arabian Nights* ,1906
