Tales Of A Country Judge:

Tales of a Country Judge Robert H. Gollmar, 1979 *Tales from Kentucky Lawyers* William Lynwood

Montell, 2010-09-12 A woman was sitting on the witness stand and the lawyer asked her Did you or did you not on the night of June 23rd have sex with a hippie on the back of a motorcycle in a peach orchard She thought for a few minutes then said What was that date again from the book Lawyers have long been known as master storytellers and those from Kentucky are certainly no exception Veteran oral historian and folklorist Lynwood Montell has collected tales from dozens of lawyers and judges from throughout the Bluegrass State ranging from the story about the tough Jackson County judge who fined himself for being late to court to unwelcome dogs in the courtroom Recorded just as they have been told for generations these stories are sometimes funny sometimes sad or frightening sometimes raw and harrowing but always remarkable Far more than collection of lawyer jokes *Tales from Kentucky Lawyers* recounts the most insightful entertaining and occasionally heartbreaking stories ever told by and about Kentucky lawyers and their clients covering the spectrum from arson to homicide domestic disagreements to sexual abuse and everything in between *Tales from Kentucky Lawyers* is a valuable resource for folklorists as well as an entertaining and vivid account of the often surprising legal world Great American Judges John R. Vile, 2003-06-23 Inspiring and instructive biographies of the 100 most influential judges from state and federal courts in one easy to access volume *Great American Judges* profiles 100 outstanding judges and justices in a full sweep of U S history Chosen by lawyers historians and political scientists these men and women laid the foundation of U S law A complement to *Great American Lawyers* together these two volumes create a complete picture of our nation s top legal minds from colonial times to today Following an introduction on the role of judges in American history are A Z biographical entries portraying this diverse group from extraordinarily different backgrounds Students and history enthusiasts will appreciate the accomplishments of these role models and the connections between their inspiring lives and their far reaching legal decisions William Rehnquist Oliver Wendell Holmes Jr and 12 other Supreme Court justices are found alongside federal judges like Skelly Wright who ordered school desegregation in 1960 Influential state judges such as Rose Elizabeth Bird California s first woman Supreme Court Chief Justice are also featured **Romantic Tales from Missouri** Jake Townsend, 2020-02-05 A collection of romantic stories taken place over time **Tales from Tennessee Lawyers** William Montell, 2005-10-07 Perhaps no one has keener insight into human nature than the small town trial lawyer All but lost in an era of corporate law firms and specialized practice this charismatic figure was once at the political center of a community and was the holder of its many secrets A small town attorney s only specialization was the town itself Serving as both defender and accuser these lawyers witnessed communities and individuals at their best and worst Men and women of the legal profession often exert influence in seemingly small realms but they play an important role in the lives of many people and help shape the American legal system Veteran oral historian and folklorist William Lynwood Montell has brought together a fascinating collection of

tales gathered from lawyers and judges throughout the Volunteer State Montell searched small towns and cities across Tennessee for the law's older and middle age practitioners and he shares the wealth of their experience in *Tales from Tennessee Lawyers* These stories are recorded exactly as told by the lawyers themselves and they reveal candid and unusual snapshots of the legal system both past and present With a tape recorder and an ear for detail Montell uncovers events and lives ranging from the commonplace to the extraordinary A man resorts to prostitution to alleviate the debt brought about by divorce proceedings Identical twins are tried for a string of murders A convict flees his trial by stealing the judge's car A prosecutor tries the nation's first school shooting case Judge George Balitsaris a former University of Tennessee football player escorts a special prosecutor out of a notorious rape trial as a precaution after the defendant's family issues threats These and similar stories illustrate the strange complex cases argued daily from Tennessee's largest cities to its smallest towns Far more than just a collection of lawyer jokes these recollections shed light on the tense and often dangerous lives of those who work to see that all receive fair representation and treatment in court *The Sleeping Juror & Other Baldwin County Courtroom Tales and History* Samuel Neil Crosby, 2002 *Tales of the warrior-judges* Tales, 1871 **Old Friends and New Friends. Tales, Fables, and Emblems, in Prose and Verse ... Illustrated** Henry William Dulcken, 1868

Short Story Index, 1960 **The Bairns; Or, Janet's Love and Service. A Story from Canada** Margaret Murray Robertson, 1870 **The Bairns; Or, Janet's Love and Service. A Story from Canada. By the Author of "Christie Redfern's Troubles," Etc. [i.e. M. M. Robertson.]**, 1870 *Wisconsin Library Bulletin*, 1981 **Great American Judges [2 volumes]** John R. Vile, 2003-06-23 Inspiring and instructive biographies of the 100 most influential judges from state and federal courts in one easy to access volume Includes 100 main A-Z entries and 50 shorter entries on lesser known but influential figures contributions from historians lawyers political scientists and other top scholars from across the nation a photograph or other depiction of each featured judge detailed charts of birth dates education and years of service of key figures and a foreword by historian Kermit L Hall *Soldier Boys: Tales of the Civil War* Jack Matthews, 2016-04-04 Over the decades Jack Matthews collected memoirs and personal correspondence by actual U.S. Civil War soldiers Eventually this interest led him to write a group of stories from the vantage point of teenage soldiers The stories are less about specific Civil War battles or the horrors of war than about ordinary adventures and heartbreaks of young soldiers One soldier constantly composes new epitaphs for himself much to the irritation of his comrades A wounded soldier finds himself abandoned by his regiment and accidentally strikes up a friendship with a soldier from the other side One soldier starts seeing ghostly visions of his dead brother and wants to know why In the opening story a courier is sent by headquarters to deliver an urgent and tragic message only to learn that the local commander has forbidden him to deliver it In the final story two soldiers have to hunt down and stop a hidden sharpshooter nicknamed Old Mortality and in so doing have to face and understand their fears Told in an accessible humorous and even old fashioned way these stories have a philosophical bent and give readers a sense

of how 19th century young Americans must have pondered their world This 8th story collection published posthumously is the first Jack Matthews story collection to be published in 23 years This special ebook edition is illustrated by Barbiel Matthews Sanders the author s daughter and includes two introductory essays by Personville editor Robert Nagle The author s website www.ghostlypopulations.com also contains a study guide for teachers and an annotated bibliography of Civil War fiction prepared especially for this ebook

The Story of the Outlaw: A Study of the Western Desperado Emerson Hough,2019-11-27 In *The Story of the Outlaw A Study of the Western Desperado* Emerson Hough delves deeply into the mythos surrounding the figure of the outlaw in American folklore examining the social economic and psychological factors that shaped these notorious characters Hough s narrative blends vigorous prose with keen historical insights chronicling the transformation of outlawry from mere criminality to a celebrated rebellion against authority This meticulously researched study provides a comprehensive understanding of the Western desperado within the context of the American frontier addressing how these figures have been romanticized in literature and culture Emerson Hough a prominent American author and journalist in the late 19th and early 20th centuries drew upon his own experiences in the American West to craft this vivid portrayal of outlaws Having worked as a chronicler of the American landscape and society Hough s intimate knowledge of the region s history and its rugged individualism informs his exploration of the outlaw archetype His other works often reflect the tension between civilization and wildness underscoring his fascination with the American spirit and its embodiment in the figure of the outlaw For readers intrigued by the complexities of American identity and the blurred lines of morality within the Western narrative Hough s *The Story of the Outlaw* is an essential read This nuanced examination not only enriches our understanding of historical outlaws but also provokes a deeper reflection on the enduring allure of rebellion and the quest for freedom in American culture
