Miss Josephine Tilden, first assistant in the Botanical Department of Minnesota University, at present on a preliminary tour of the South Pacific for the purpose of collecting specimens of seaweed and fresh-water algæ, has spent six weeks in Tahiti, four months in Auckland, and since then has visited Island Bay (Wellington) and Stewart Island.

Speaking to a Times reporter last evening, during her brief stay in Dunedin, Miss Tilden stated that she would leave this part of the Dominion to-day, and would spend four months in Tahiti before returning to America, the whole period of her absence from her university.

The American Musical Marc Bauch, 2003 Although almost neglected in research and studies on American Literature the American Musical is certainly the most interesting and the most popular genre of American theater and drama It has been influenced by the necessities of a

self funding commercial theater system of a democratic country The fact that it has developed in a country of democracy means that it should be a genre for everyone the intellectual and the common man Broadway has provided all these In his study Marc Bauch analyzes three American Musicals namely South Pacific 1949 by Richard Rodgers and Oscar Hammerstein West Side Story 1957 by Leonard Bernstein Arthur Laurents and Stephen Sondheim as well as Sunday in the Park with George 1984 by Stephen Sondheim and James Lapine Special attention is paid to the themes and topics the literary means and the dramatic dodges of the aforementioned American Musicals The three analyses are extended with historical overviews of the American Musical Marc Bauch is also the author of Themes and Topics of the American Musical after World War II 2001 also published by Tectum Verlag Creatures of the Kingdom James Albert Michener,1993 A collection of short stories about animals taken from the novels Hawaii Centennial Alaska Chesapeake and Texas Michener Stephen J. May,2012-11-27 James A Michener was one of the most beloved storytellers of our time captivating readers with sweeping historical plots that educated and entertained In this first full length biography of the private as well as the public Michener Stephen J May reveals how an aspiring writer became a best selling novelist It is the only book to draw on Michener s complete papers as well as interviews with his friends and associates The result conveys much about Michener never before revealed in print May follows the young Michener from an impoverished Pennsylvania childhood to the wartime Pacific where he found inspiration for Tales of the South Pacific a book that led to a string of best sellers including The Source Centennial Chesapeake and The Covenant May provides insights into Michener s personal life his three marriages his unique working methods and his social and political views He also reveals the author s hypersensitivity to criticism his egotism and his failure on some occasions to acknowledge the contributions of his assistants Examining Michener s body of writing in its biographical and cultural contexts May describes the creation of each novel and assesses the book s strengths and shortcomings His close readings underscore Michener s innovativeness in presenting mountains of historical and cultural research in an engaging literary form This probing biography establishes Michener s place in twentieth century letters as it offers an unprecedented view of the man behind the typewriter **More New Tales of the South Pacific** Graeme Kennedy,Judith Sansweet,2014-05-11 Island hop through Oceania with veteran reporter Graeme Kennedy Visit Samoa and American Samoa Fiji Tonga Niue and Wallis then moves on to highlight some of the varied cultures that have made the South Pacific their home Kennedy uses some very personal vignettes to showcase a few familiar character types The highlight of Volume 2 is the life story of the Queen of the South Seas the legendary Aggie Grey who was once thought to have been Michener s model for his outrageous character Bloody Mary More New Tales of the South Pacific includes stories of black humour despair in the happiest of Pacific Islands and the bittersweet end of life for two persons who like Robert Louis Stevenson go to Samoa to die Reminiscent of the great Louis Becke More New Tales of the South Pacific is Kennedy at his best *More New Tales of the South Pacific* Graeme Kennedy,Judith Sansweet,2014 Come island hop with me through the

Samoas to Fiji Tonga and Niue and on to the many French Pacific possessions including remote Wallis and Futuna I have found after almost 40 years of travel through these islands that a great sense of pride and acceptance of newcomers continues to be expressed by the local populations to those who make the effort to become a part of their beautiful world The expats who live here continue to work in lands they no longer call foreign Many marry locals most drink in the downtown bars and they all tell their stories Yes their stories hilarious heart breaking or thought provoking it is difficult to know where fact ends and fiction begins but all are unforgettable and all are true to the raconteur Tales of Kiribati , *Return to Paradise* James A. Hayes, 1999 Herman Melville's reputation as a great writer has gradually evolved throughout the 20th century Tempered by studies that emphasize the Western literary tradition literary appreciation for Melville's use of folklore has been slow in developing This study focuses on Melville's immersion with and borrowing from oral traditions both music and narrative tall tale humour nautical folklore superstition and legend The book also acts as a general introduction to Melville's work Such Men As These David Sears, 2010-05 In 1951 James Michener went to Korea to report on a little known aspect of America's stalemated war navy aviators His research inspired novel about these pilots became an overnight bestseller and perhaps the most widely read book ever written about aerial combat Using Michener's notes author David Sears tracked down the actual pilots to tell their riveting true life stories From the icy windswept decks of aircraft carriers they penetrated treacherous mountain terrain to strike heavily defended dams bridges and tunnels where well entrenched Communist anti aircraft gunners waited to shoot them down Many of these men became air combat legends and one Neil Armstrong the first astronaut to walk on the moon Such Men As These brims with action packed accounts of combat and unforgettable portraits of the pilots whose skill and sacrifice made epic history The Third History of Man John Bershof, MD, 2024-05-16 In the spirit of medieval writer Chaucer all human activity lies within the artist's scope the History of Man Series uses medicine as a jumping off point to explore precisely that all history all science all human activity since the beginning of time The jumping off style of writing takes the reader the listener into worlds unknown always returning to base only to jump off again History of Man are stories and tales of nearly everything The Third History of Man leaves bacteria in
