was Wednesday There were only two more days therefore in which to prepare a quarter of a book of Livy It couldn t be done The thing was not possible In the house he met Smythe What are you going to do about it he inquired Smythe was top of the form and if he didn t know how to grapple with a crisis of this sort who could know If you ll kindly explain said Smythe what the dickens you are talking about I might be able to tell you Pillingshot explained with unwonted politeness that it meant the Livy examination Oh said Smythe airily that I m just going to skim through it in case I ve forgotten any of it Then I shall read up the notes carefully And then if I have time I shall have a look at the history of the period I should advise you to do that too
