Tales Of The Lavender Menace A Memoir Of Liberation:

Tales Of The Lavender Menace Karla Jay, 2000-03-03 Karla Jay's memoir of an age whose tumultuous social and political movements fundamentally reshaped American culture takes readers from her early days in the 1968 Columbia University student riots to her post-college involvement in New York radical women's groups and the New York Gay Liberation Front. In Southern California in the early 70s she continued in the battle for gay civil rights and helped to organize the takeover of *The Ladies Home Journal* and ogle in where women staked out Wall Street and whistled at the men

Tales Of The Lavender Menace Karla Jay, 1999-03-08 A memoir of the struggles and scandals politics and personalities that made up the women's and liberation movements of the 1960s and 70s 8 page photo insert [The Feminist Promise](#) Christine Stansell, 2011-05-10 A unique elegant learned sweep through more than two centuries of women's efforts to overcome the most fundamental way that human beings have been wrongly divided into the leaders and the led. It's full of surprises from the past and guiding lights for the future Gloria Steinem. For more than two centuries the ranks of feminists have included dreamy idealists and conscientious reformers erotic rebels and angry housewives dazzling writers shrewd political strategists and thwarted workingwomen. Well-known leaders are sketched from new angles by Stansell with her bracing eye for character Mary Wollstonecraft the passionate English writer who in 1792 published the first full-scale argument for the rights of women Elizabeth Cady Stanton brilliant and fearless the imperious quarrelsome Betty Friedan. But figures from other contexts too appear in an unforgettable new light including Ruth Bader Ginsburg who in the 1970s led a revolution in the constitutional interpretations of women's rights and Toni Morrison whose bittersweet prose gave voice to the modern black female experience. Stansell accounts for the failures of feminism as well as the successes. She notes significant moments in the struggle for gender equality such as the emergence in the early 1900s of the dashing New Woman the passing of the Nineteenth Amendment which granted women the right to vote the post-World War II collapse of suburban neo-Victorianism and the radical feminism of the 1960s all of which led to vast changes in American culture and society. *The Feminist Promise* dramatically updates our understanding of feminism taking the story through the age of Reagan and into the era of international feminist movements that have swept the globe. Stansell provocatively insists that the fight for women's rights in developing countries cannot be separated from democracy's survival. A soaring work unprecedented in scope historical depth and literary appeal *The Feminist Promise* is bound to become an authoritative source on this essential subject for decades to come. At once a work of scholarship political observation and personal reflection it is a book that speaks to the demands and challenges individual national and international of the twenty-first century *Sisterhood, Interrupted* Deborah Siegel, 2007-06-12 Contrary to clichés about the end of feminism Deborah Siegel argues that younger women are reliving the battles of its past and reinventing it with a vengeance. From feminist blogging to the popularity of the WNBA girl culture is on the rise. A lively and compelling look back at the framing of one of the most contentious social

movements of our time Sisterhood Interrupted exposes the key issues still at stake outlining how a twenty first century feminist can reconcile the personal with the political and combat long standing inequalities that continue today **Before AIDS** Katie Batza,2018-03-20 Before AIDS chronicles the development of gay health services in the 1970s as gay men faced public health challenges stemming from both their political marginalization and disease Activists using tools and tactics from across their era s political landscape built a nationwide gay medical system changing ideas about sexuality and health

Safe Space Christina B. Hanhardt,2013-12-04 Winner 2014 Lambda Literary Award in LGBT Studies Since the 1970s a key goal of lesbian and gay activists has been protection against street violence especially in gay neighborhoods During the same time policymakers and private developers declared the containment of urban violence to be a top priority In this important book Christina B Hanhardt examines how LGBT calls for safe space have been shaped by broader public safety initiatives that have sought solutions in policing and privatization and have had devastating effects along race and class lines Drawing on extensive archival and ethnographic research in New York City and San Francisco Hanhardt traces the entwined histories of LGBT activism urban development and U S policy in relation to poverty and crime over the past fifty years She highlights the formation of a mainstream LGBT movement as well as the very different trajectories followed by radical LGBT and queer grassroots organizations Placing LGBT activism in the context of shifting liberal and neoliberal policies Safe Space is a groundbreaking exploration of the contradictory legacies of the LGBT struggle for safety in the city *Mass Media and the Shaping of American Feminism, 1963-1975* Patricia Bradley,2009-09-18 Beginning in 1963 with the publication of Betty Friedan s *The Feminine Mystique* and reaching a high pitch ten years later with the televised mega event of the Battle of the Sexes the tennis match between Billie Jean King and Bobby Riggs the mass media were intimately involved with both the distribution and the understanding of the feminist message This mass media promotion of the feminist profile however proved to be a double edged sword according to Patricia Bradley author of *Mass Media and the Shaping of American Feminism 1963 1975* Although millions of women learned about feminism by way of the mass media detrimental stereotypes emerged overnight Often the events mounted by feminists to catch the media eye crystalized the negative image All feminists soon came to be portrayed in the popular culture as bra burners and strident women Such depictions not only demeaned the achievements of their movement but also limited discussion of feminism to those subjects the media considered worthy primarily equal pay for equal work Bradley s book examines the media traditions that served to curtail understandings of feminism Journalists following the craft formulas of their trade equated feminism with the bizarre and the unusual Even women journalists could not overcome the rules of What Makes News By the time Billie Jean King confronted Bobby Riggs on the tennis court feminism had become a commodity to be shaped to attract audiences Finally in mass media s pursuit of the new counter feminist messages came to replace feminism on the news agenda and helped set in place the conservative revolution of the 1980s Bradley offers insight into how mass media constructs images and why such images have the kind of

ongoing strength that discourages young women of today from calling themselves feminist The author also asks how public issues are to be raised when those who ask the questions are negatively defined before the issues can even be discussed

Mass Media and the Shaping of American Feminism 1963-1975 examines the media's role in creating the images of feminism that continue today And it poses the dilemma of a call for systematic change in a mass media industry that does not have a place for systematic change in its agenda

Dissenting Lives Anne Collett, Tony Simoes de Silva, 2017-10-02 This collection brings together a series of essays that combine the public and private nature of dissent stories of dissent that encapsulate the mood of an historical or cultural period or of a society Dissent is most memorable when it is public explosive dramatically enacted Yet quiet dissent is no less effective as a methodical unstitching of social and political mores rules and regulations Success depends perhaps less on intensity than on determination on patience as much as courage Moreover although many persistent dissenters often gain an iconic status most live dissent in the fabric of their ordinary lives Some combine both

Imprisoned at Robben Island for 27 years his image and voice erased from the print media or airwaves Nelson Mandela remained even in jail one of the most powerful agents of dissent in South African society until his freedom in 1990 Deep connections deep commitment profoundly personal convictions and courageous public dissent are some of the threads that bind together this diverse and exciting collection of essays Alone each essay explores dissent and consent in stimulating and distinct ways together they speak both of the effects of dissent and consent and of their affective energies and potential This book was originally published as a special issue of *Life Writing*

Pop Goes the Decade Richard A. Hall, 2019-11-08 Part of the Pop Goes the Decade series this book looks at one of the most memorable decades of the 20th century highlighting pop culture areas such as film television sports technology advertising fashion and art All in the Family Barry Manilow Donna Summer and Olivia Newton John Styx Led Zeppelin and The Jackson Five Jaws Rocky The Exorcist and The Rocky Horror Picture Show Pop Goes the Decade The Seventies takes a sweeping look at all of the cultural events and developments that made the 1970s a highly memorable era of change and new thinking This book explores the cultural and social framework of the 1970s focusing on pop culture areas that include film television sports technological innovations clothing and art A timeline highlights significant cultural moments and a controversies in pop culture section explores the pop culture items and moments of the 1970s that shocked the public and challenged underlying social mores The book also includes a Game Changers section that identifies the public figures and celebrities who had the largest influence during the decade a technology section that explains how media news and culture were shared and a Legacy section that identifies concepts and events from the 1970s that still affect Americans today

Everywhere and Nowhere Jo Reger, 2012-03 The women's movement and feminism has been responsible for profound changes in American society from greater access to education and jobs to increased choices in health and parenting Its ideas and goals have largely become a part of everyday beliefs and norms At the same time obituaries of the women's movement appear regularly in the news and the current movement is

criticized for being apolitical or ineffectual In this sense feminism today can be said to be at once nowhere no longer visible and everywhere diffused into the culture Through an extended case study of three communities Jo Reger explores this paradox with a systematic and empirically based look at the contemporary women s movement She investigates some of the most debated topics about and between feminists in the 21st century including the relationship of contemporary and second wave generation feminists the influence of identity politics on gender and sexuality and the stubborn legacies of racism and classism Where with all these changes is feminism today The answers she finds are myriad and specific to each community It is precisely the variations and convergences of feminist activism within particular communities Reger reveals that define the women s movement today

American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History Gina Misiroglu,2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index

Bridge Leadership Autumn K. Tooms,Christa Boske,2010-01-01 This is the first chronicle of the history of social justice as a line of inquiry within the field of educational administration Editors Tooms and Boske have amassed a collective voice of leaders in the field of Educational Administration who have broken barriers and expanded the field through their own work and scholarship within a national and international arena Many of these narratives are the first time tellings of the challenges and successes found in the works of this group of scholars of historic significance This collection is written and organized into practical and easy to digest sections They are part history lesson and part practical teaching tool for those who prepare school leaders Anyone from school leaders to academics interested or charged with unpacking the messy intersections between school leadership and issues of social justice will find inspiration and easy to understand explanations of leadership and equity work within the chapters presented

Endorsement Bridge Leadership is a powerful and fascinating new volume that explores the intersections of social justice and educational leadership What distinguishes it from other social justice work is that it is much more personal than most such texts Many of the book s authors share poignant excerpts of their life stories and connect them to the theoretical constructs historical events and political struggles of social justice The foregrounding of these personal stories and the bridges they create with social justice gives the volume a raw power not found in other social justice works I could not put the volume down Ulrich C Reitzug University of North Carolina Greensboro

Gay L.A. Lillian Faderman,Stuart Timmons,2009-08-03

Charts LA's gay history from the first missionary encounters with Native American cross gendered two spirits to cross dressing frontier women in search of their fortunes and from the 1960s gay liberation movement to the creation of gay marketing in the 1990s

Lesbian Feminism Niharika Banerjea, Kath Browne, Eduarda Ferreira, Marta Olasik, Julie Podmore, 2019-08-15 Drawing on the incredible wealth of diversity of languages cultures and movements in which lesbian feminisms have been articulated this book confronts the historic devaluation of lesbian feminist politics within Anglo American discourse and ignites a transnational and transgenerational discussion regarding the relevance of lesbian feminisms in today's world a discussion that challenges the view of lesbian feminism as static and essentialist Through careful consideration of contemporary debates these writers theorists academics and activists consider the wider place of lesbian feminisms within queer theory post colonial feminism and the movement for LGBT rights It considers how lesbian feminisms can contribute to discussions on intersectionality engage with trans activism and the need for trans inclusion to ultimately show how lesbian feminisms can offer a transformative approach to today's sexual and gender politics

Eugenic Nation Alexandra Minna Stern, 2005-08-08 Many people assume that eugenics all but disappeared with the fall of Nazism but as this sweeping history demonstrates the idea of better breeding had a wide and surprising reach in the United States throughout the twentieth century With an original emphasis on the American West *Eugenic Nation* brings to light many little known facts for example that one third of the involuntary sterilizations in this country occurred in California between 1909 and 1979 as it explores the influence of eugenics on phenomena as varied as race based intelligence tests school segregation tropical medicine the Border Patrol and the environmental movement *Eugenic Nation* begins in the 1900s when influential California eugenicists molded an extensive agenda of better breeding for the rest of the country The book traces hereditarian theories of sex and gender to the culture of conformity of the 1950s and moves to the 1960s arguing that the liberation movements of that decade emerged in part as a challenge to policies and practices informed by eugenics

Lesbian Death Mairead Sullivan, 2022-11-29 Engaging with fears of lesbian death to explore the value of lesbian beyond identity The loss of lesbian spaces as well as ideas of the lesbian as anachronistic has called into question the place of lesbian identity within our current culture In *Lesbian Death* Mairead Sullivan probes the perception that lesbian status is in retreat exploring the political promises and especially the failures of lesbian feminism and its usefulness today *Lesbian Death* reads how lesbian is conceptualized in relation to death from the 1970s onward to argue that lesbian offers disruptive potential *Lesbian Death* examines the rise of lesbian breast cancer activism in San Francisco in conversation with ACT UP the lesbian separatist manifestos *The C L I T Papers* the enduring specter of lesbian bed death and the weaponization of lesbian identity against trans lives By situating the lesbian as a border figure between feminist and queer *Lesbian Death* offers a fresh perspective on the value of lesbian for both feminist and queer projects even if her value is her death

Fashion Talks Shira Tarrant, Marjorie Jolles, 2012-09-01 Essays on the politics of everyday style

Historical Dictionary of Lesbian Literature

Meredith Miller, 2006 This Historical Dictionary of Lesbian Literature serves two primary functions to provide further information to those already familiar with the field and to explain it to those discovering it for the first time A chronology provides a historical perspective an introduction gives a general yet detailed overview and the dictionary contains several hundred cross referenced entries on important writers such as Sappho Colette and Mary Wollstonecraft styles themes literary movement publishers and outstanding works of the genre Completed by an extensive bibliography this book examines the factors influencing the development of the lesbian identity as an interaction between readers and writers of all kinds of literature BOOK JACKET
