Tales Of The Revolution:

Tales of the revolution Michail P. Arcybašev, Percy Pinkerton, 1972 **TALES OF THE REVOLUTION** M. (Mikhail) 1878-1927 Artsybashev, 2016-08-29 *Tales from a Revolution* James D. Rice, 2012 In the spring of 1676 Nathaniel Bacon a hotheaded young newcomer to Virginia led a revolt against the colony's Indian policies Bacon's Rebellion turned into a civil war within Virginia and a war of extermination against the colony's Indian allies that lasted into the following winter sending shock waves throughout the British colonies and into England itself James Rice offers a colorfully detailed account of the rebellion revealing how Piscataways English planters slave traders Susquehannocks colonial officials plunderers and intriguers were all pulled into an escalating conflict whose outcome month by month remained uncertain In Rice's rich narrative the lead characters come to life the powerful charismatic Governor Berkeley the sorrowful Susquehannock warrior Monges the wiley Indian trader and tobacco planter William Byrd the regal Pamunkey chieftain Cockacoeske and the rebel leader himself Nathaniel Bacon The dark slender Bacon born into a prominent family soon earned a reputation in America as imperious ambitious and arrogant But the colonial leaders did not foresee how rash and headstrong Nathaniel Bacon could be nor how adept he would prove to be at both inciting colonists and alienating Indians As the tense drama unfolds it becomes apparent that the struggle between Governor Berkeley and the impetuous Bacon is nothing less than a battle over the soul of America Bacon died in the midst of the uprising and Governor Berkeley shortly afterwards but the profoundly important issues at the heart of the rebellion took another generation to resolve The late seventeenth century was a pivotal moment in American history full of upheavals and far flung conspiracies *Tales From a Revolution* brilliantly captures the swirling rumors and central events of Bacon's Rebellion and its aftermath weaving them into a dramatic tale that is part of the founding story of America **Tales of the Revolution** Harper & Brothers, 1852 **Tales of the Revolution** Михаил Арцыбашев, 1917 **Tales of the Revolution (Classic Reprint)** Michael Artzibashev, 2018-01-20 Excerpt from *Tales of the Revolution* From the street came distant sounds of clattering droshkies and jingling tramway bells while in the courtyard far below harsh angry voices could be heard Yet up here all was deadly still Suddenly the house door banged and the noise re-echoed throughout the building Footsteps could be heard Some one was coming upstairs at a great rate hurrying round each landing and taking two stairs at a time As the steps reached the last landing and a figure was about to dash past the dim window the man outside the door suddenly moved towards it Who's there cried the newcomer in a tone that betrayed more than mere astonishment Is there a room to let here Perhaps you may know asked the man at the door sharply and decisively Oh A room I really can't say Yes I believe there is You'd better ring About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish

The Light Lars D. H. Hedbor, 2013-09-17 Caught Between the Impossible and the Forbidden As his world erupts in open warfare Robert Harris Quaker faith guides him away from the use of violence for any purpose even if the war could cost him the freedom to practice that faith Finding a balancing point between this existential threat and the commands of his inner light while struggling against the chance effects of war Robert must also face the challenge of an implacable foe determined to destroy him at any cost He relies on the quiet guidance of his conscience to keep his family safe and lead them to freedom The Light is the New Jersey volume in the Tales From a Revolution series in which each standalone novel explores how the American War of Independence unfolds across a different colony If you like stories such as The Crucible or you've ever wondered how the Revolution affected even those who refused to take part directly you'll love The Light Read The Light today and see how some of the most difficult battles during the American Revolution took place within people's hearts

Tales of the Revolution Mikhail Artsybashev, 1972 **The Smoke** Lars D. H. Hedbor, 2013-12-26 They Should Have Been Enemies But They Became Brothers Joseph Killeen was sent to eliminate the threat of savage enemies in the forests of New York but when he meets Ginawo and his peaceful village of Skarure he realizes that nothing is as simple as he was told The Haudenosaunee Confederation is being torn asunder by the American Revolution forced to choose sides in a fight that's not their own Can Joseph and Ginawo bridge the divide between their peoples when warfare threatens to destroy both societies The Smoke is the New York volume in the Tales From a Revolution series in which each standalone novel explores how the American War of Independence unfolds across a different colony If you like stories such as The Deerslayer or you've ever wondered how the Revolution affected those who were here before the arrival of European colonists you'll love The Smoke Buy The Smoke today and see how the American Revolution sometimes changed the history of people who had no say in it

Tales of the Revolution Michael Artzibashev, 2014-12-26 There are five

stories in this book Sheviriof The Blood Stain Morning Shadows Pasha Tumanof The Doctor All are stories of men and women who sacrificed themselves or the revolution It appears a hopeless cause in which a few helpless individuals hurl themselves in futile rebellion against an invincible power but the stories dark as they are will be read with a different feeling now when it is known that the sacrifice was not in vain Book Review Digest Volume 13 1918 Characterized for the most part by grim realism The Athenaeum 1918 This writer never lays himself open to criticism on the ground of inconsistency or of producing horror merely for horror s sake The emotions that he describes are justified by the situations which produce them and then in turn by his characters who are undoubtedly real to his experience Personally we read him with mingled feelings a deep admiration for his power and feeling of the futility of expenditure Boston Transcript 1918 Artzibashef was a very young man when he wrote some of the stories in Tales of the Revolution but they show little sign of immaturity We may not like the Russia he shows us we may even profess to disbelieve in its existence yet he himself is the best proof that it does exist It is a Russia that we must take into account in the present crisis and in spite of Artzibashef s black pessimism by no means as a factor altogether evil For it is an honest and straightforward and unsentimental Russia and even in its hopelessness it keeps striving N Y Times 1918

The Path Lars D. H. Hedbor, 2017-10-19 He Came to Fight For Liberty For All Yves de Bourganès just wanted to make some money to support his widowed mother as she tried to keep the family farm afloat He wouldn t have minded some adventure too He didn t expect to be sent to fight in a war between France s constant nemesis Great Britain and her boisterous American colonies across the treacherous sea When he arrives he meets Amalie a slave girl with a difficult past and his fate changes entirely as he learns that some paths lead to unexpected destinations The Path is Hedbor s Rhode Island novel from his Tales From a Revolution series in which each standalone novel examines the American War of Independence as it unfolded in a different colony If you like stirring stories of the people who didn t quite make it into the pages of history you ll love The Path Buy The Path today and see how the American Revolution s road to freedom was sometimes far from smooth

The Darkness Lars D. H.
