begins to form It s perfect really I could nurse Carly back to health She d get insurance She d be independent of her relatives care and I could spend the rest of our lives making up for my mistakes My heart begins to hammer in my chest and with each passing second I can see it unfolding perfectly in my head The only problem will be convincing Carly Saying she can be stubborn is like saying winter is chilly But I can be stubborn too Especially when it comes to the girl I love Carly I don t know what I expected from the kiss but it wasn t this My eyes are closed but colors flash behind my eyelids like fireworks In this kiss I see glimpses of two kids who fell in love and all the dreams they d painted in those bright Carolina sunsets Then he s gone I open my eyes in confusion to see him pulling back as the crowd bursts into cheers and whistles I present Mr and Mrs Alexander Calero the judge announces Alexander s eyes smolder as they meet mine and we both know something has changed If only I knew what it is This is supposed to be a fake marriage just a way to get me the medical care I need until Grandpa comes back So why does kissing Alexander feel like waking up 3 My Las Vegas Airman Chris I play life safe Order determination and hard work serve me well and I m about to take the next step toward my dream becoming an Air Force officer Unfortunately the experimental officer training program I ve been accepted to is at a university in Las Vegas Even worse the college student I ve been assigned as a university guide might be charming and adorable but she s also the most scatterbrained person I ve ever had the misfortune of working with The more I get to know misadventurous bubbly Skylar however the more I realize that there might be more than my strict adherence to rules on the line I might be in danger of losing my heart Skylar I don t mean to get into scrapes But thanks to my unfortunate tendencies I m about to flunk out of one of my foundational hospitality courses So when I m offered the chance to earn extra credit by helping a new student for a semester I jump I quickly realize however that Sergeant Chris Brooking while absurdly handsome is one of the biggest squares I ve ever met In my attempt to unlock his secrets however I end up discovering my own truths that I d rather not face So when the broody airman offers to help I must decide whether I can bear to let him see the insecurities I try so hard to hide or push him away forever Life ,1906 **Life** John Ames Mitchell,1906 **Haunted Places Explored: Unraveling**
