Tales From The American Attic:

Tales from the American Attic Shepherd Welsh, 1988

Gettysburg and More American Tales Shepherd Welsh, 1990

American Folktales: From the Collections of the Library of Congress Carl Lindahl, 2015-03-17 This two volume collection of folktales represents some of the finest examples of American oral tradition Drawn from the largest archive of American folk culture the American Folklife Center at the Library of Congress this set comprises magic tales legends jokes tall tales and personal narratives many of which have never been transcribed before much less published in a sweeping survey Eminent folklorist and award winning author Carl Lindahl selected and transcribed over 200 recording sessions many from the 1920s and 1930s that span the 20th century including recent material drawn from the September 11 Project Included in this varied collection are over 200 tales organized in chapters by storyteller tale type or region and representing diverse American cultures from Appalachia and the Midwest to Native American and Latino traditions Each chapter begins by discussing the storytellers and their oral traditions before presenting and introducing each tale making this collection accessible to high school students general readers or scholars

The Adventure of the American Past: American History Illustrated Volume XXII, Number 5, 1988

The Unique Legacy of Weird Tales Justin Everett, Jeffrey H. Shanks, 2015-10-01 When the pulp magazine *Weird Tales* appeared on newsstands in 1923 it proved to be a pivotal moment in the evolution of speculative fiction Living up to its nickname *The Unique Magazine* *Weird Tales* provided the first real venue for authors writing in the nascent genres of fantasy horror and science fiction *Weird* fiction pioneers such as H P Lovecraft Robert E Howard Clark Ashton Smith Robert Bloch Catherine L Moore and many others honed their craft in the pages of *Weird Tales* in the 1920s and 1930s and their work had a tremendous influence on later generations of genre authors In *The Unique Legacy of Weird Tales: The Evolution of Modern Fantasy and Horror* Justin Everett and Jeffrey Shanks have assembled an impressive collection of essays that explore many of the themes critical to understanding the importance of the magazine This multi disciplinary collection from a wide array of scholars looks at how *Weird Tales* served as a locus of genre formation and literary discourse community There are also chapters devoted to individual authors including Lovecraft Howard and Bloch and their particular contributions to the magazine As the literary world was undergoing a revolution and mass produced media began to dwarf high brow literature in social significance *Weird Tales* managed to straddle both worlds This collection of essays explores the important role the magazine played in expanding the literary landscape at a very particular time and place in American culture *The Unique Legacy of Weird Tales* will appeal to scholars and aficionados of fantasy horror and weird fiction and those interested in the early roots of these popular genres

Travelers' Tales, American Southwest Sean O'Reilly, James O'Reilly, 2001 With its vast vistas splendid sunsets and rich history the American Southwest has always inspired superb writing *Travelers Tales Southwest* features a choice selection of some of the best by Tony Hillerman David Roberts Barbara Kingsolver Alex Schoumatoff Terry Tempest Williams Edward Abbey and others Maps

A Cultural History of the Disney Fairy Tale Tracey L. Mollet, 2020-11-21 This book charts the complex history of the relationship between the Disney fairy tale and the American Dream demonstrating the ways in which the Disney fairy tale has been reconstructed and renegotiated alongside and in response to important changes within American society In all of its fairy tales of the twentieth and twenty first centuries the Walt Disney studios works to sell its audiences the national myth of the United States at any one historical moment With analyses of films and television programmes such as The Little Mermaid 1989 Frozen 2013 Beauty and the Beast 2017 and Once Upon a Time 2011 2018 Mollet argues that by giving its fairy tale protagonists characteristics associated with good Americans and even by situating their fairy tales within America itself Disney constructs a vision of America as a utopian space *An American Dictionary of the English Language* Webster, 1845

American Motherhood, 1910 Old-House Journal, 2006-07 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice

Remembering America Lawrence R. Samuel, 2015-11-01 American history is ubiquitous underscoring everything from food to travel to architecture and design It is also emotionally charged frequently crossing paths with political and legal issues In Remembering America Lawrence R Samuel examines the place that American history has occupied within education and popular culture and how it has continually shaped and reflected our cultural values and national identity The story of American history Samuel explains is not a straight line but rather one filled with twists and turns and ups and downs its narrative path as winding as that of the United States as a whole Organized around six distinct eras of American history ranging from the 1920s to the present Samuel shows that our understanding of American history has often generated struggle and contention as ideologically opposed groups battled over ownership of the past As women and minorities gained greater power and a louder voice in the national conversation our perspectives on American history became significantly more multicultural bringing race gender and class issues to the forefront These new interpretations of our history helped to reshape our identity on both a national and an individual level Samuel argues that the fight for ownership of our past combined with how those owners have imparted history to our youth crucially affects who we are Our interpretation and expression of our country's past reflects how that self identity has changed over the last one hundred years and created a strong sense of our collective history one of the few things Americans all have in common **Educational Times**, 1897

Fairy Tales and the Art of Subversion Jack Zipes, 2007-05-07 The fairy tale may be one of the most important cultural and social influences on children's lives But until Fairy Tales and the Art of Subversion little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children's lives their behavior values and relationship to society As Jack Zipes convincingly shows fairy tales have always been a powerful

discourse capable of being used to shape or destabilize attitudes and behavior within culture For this new edition the author has revised the work throughout and added a new introduction bringing this classic title up to date Fairy Tale Films Pauline Greenhill, Sidney Eve Matrix, 2010-08-06 This ISBN refers to the ebook edition of this text available directly from the publisher It has erroneously been listed as paperback by some online vendors The true paperback edition is indeed available at online vendors Paste this ISBN into the search box 9780874217810 In this the first collection of essays to address the development of fairy tale film as a genre Pauline Greenhill and Sidney Eve Matrix stress the mirror of fairy tale film reflects not so much what its audience members actually are but how they see themselves and their potential to develop or likewise to regress As Jack Zipes says further in the foreword Folk and fairy tales pervade our lives constantly through television soap operas and commercials in comic books and cartoons in school plays and storytelling performances in our superstitions and prayers for miracles and in our dreams and daydreams The artistic re creations of fairy tale plots and characters in film the parodies the aesthetic experimentation and the mixing of genres to engender new insights into art and life mirror possibilities of estranging ourselves from designated roles along with the conventional patterns of the classical tales Here scholars from film folklore and cultural studies move discussion beyond the well known Disney movies to the many other filmic adaptations of fairy tales and to the widespread use of fairy tale tropes themes and motifs in cinema **The Educational Times, and Journal of the College of Preceptors**, 1897 Stephen Crane, Journalism, and the Making of Modern American Literature Michael Robertson, 1997 This critical study of Stephen Crane s journalism examines the climate of change that had begun to blur the line between non fiction writing and fiction in Crane s era and provides insight into the masculine aesthetic Crane championed in his urban reportage travel writing and war correspondence **The Storyteller's Start-up Book** Margaret Read MacDonald, 1993 Instruction on how to tell stories Includes 12 tales from other countries *Catalogue...authors, Titles, Subjects, and Classes* Brooklyn Public Library, 1878 **Catalogue of the Mercantile Library of the City of Brooklyn**, 1878 *Catalogue of the Mercantile Library of Brooklyn: D-M* Mercantile Library Association of Brooklyn, 1878

Yeah, reviewing a ebook **Tales From The American Attic** could mount up your near connections listings. This is just one of the solutions for you to be successful. As understood, carrying out does not recommend that you have astonishing points.
