

A Fog in Santone

By O. Henry

Author of "The Four Million," "The Trimmed Lamp," "Adventures in Neuroathenia," etc.

Illustrated by John Alonzo Williams

This O. Henry story is a "find." Mr. Steger, O. Henry's literary executor, unearthed it among some of the author's effects at his old home in Austin, Texas; and as Mr. Steger's search was pretty thorough, it is undoubtedly the only O. Henry story which has not hitherto been published. It is doubly interesting because it shows the real O. Henry ten years ago before his work began to be known. And it is especially fitting that the story should be given to Cosmopolitan readers, since for you O. Henry wrote the last story that came from his pen.

THE drug-clerk looks sharply at the white face half concealed by the high upturned overcoat collar. "I would rather not supply you," he says doubtfully. "I sold you a dozen morphia tablets less than an hour ago."

The customer smiles wanly. "The fault is in your crooked streets. I didn't intend to call on you twice, but I guess I got tangled up. Excuse me."

He draws his collar higher, and moves out, slowly. He stops under an electric light at the corner, and juggles absorbedly with three or four little pasteboard boxes.

"Thirty-six," he announces to himself. "More than plenty."

For a gray mist had swooped upon Santone that night, an opaque terror that laid a hand to the throat of each of the city's guests. It was computed that three thousand invalids were hibernating in the town. They had come from by and wide, for here, among these contracted, river-sliced streets, the Goddess Ozone has elected to linger.

Purest atmosphere, sir, on earth! You might think from the river winding through our town that we are malarial, but no, sir! Repeated experiments made by both government and local experts show that our air contains nothing deleterious—nothing but ozone, sir, pure ozone. Litmus-paper tests made all along the river show—but you can read it in all the prospectuses; or the Santonian will recite it for you, word by word.

We may achieve climate, but weather is thrust upon us. Santone, then, cannot be blamed for this cold, gray fog that came and kissed the lips of the three thousand, and then delivered them to the cross.

That night the tubercles, whose ravages hope holds in check, multiplied. The writhing fingers of the pale mist did not go thence bloodless. Many of the wooers of ozone capitulated with the enemy that night, turning their faces to the wall in that dumb, isolated apathy that so terrifies their watchers. On the red stream of Hemorrhagia a few souls drifted away, leaving behind pathetic heaps, white and chill as the fog itself. Two or three came to view this atmospheric wraith as the ghost of impossible joys, sent to whisper to them of the egregious folly it is to inhale breath into the lungs, only to exhale it again, and these used whatever came handy to their relief—pistols, gas, or the beneficent muriate.

The purchaser of the morphia wanders into the fog, and, at length, finds himself upon a little iron bridge, one of the score or more in the heart of the city under which the small, tortuous river flows. He leans on the rail and gasps, for here the mist has concentrated, lying like a footpad to garrote such of the Three Thousand as creep that way. The iron bridge-guys rattle to the strain of his cough, a mocking, phthisical rattle, seeming to say to him: "Clack-ety-clack! just a little rusty cold, sir, but not from our river. Litmus paper all along the banks and nothing but ozone. Clack-ety-clack!"

The Memphis man at last recovers sufficiently to be aware of another overcoated man ten feet away, leaning on the rail, and just coming out of a paroxysm. There is a freemasonry among the Three Thousand that does away with formalities and introductions. A cough is your card; a hem-

Tales From The Santone River Bottom A Cultural History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Tales From The Santone River Bottom A Cultural History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Tales From The Santone River Bottom A Cultural History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Tales From The Santone River Bottom A Cultural History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
