Scott,2015-06-15 Tales of my Landlord is a series of novels by Sir Walter Scott that form a subset of the Waverley Novels Of these novels The Heart of Midlothian and The Bride of Lammermoor have been the most successful and Old Mortality is considered by modern critics to be among Scott s best work They were so called because they were supposed to be tales collected from the fictional landlord of the Wallace Inn at Gandercleugh This is gone into in great depth in the introduction to The Black Dwarf They were supposed to reflect aspects of Scottish regional life **Celtic, Scottish, Welsh, and Manx**

Fairy Tales Various Authors,1894 It happened that the five Kings of Ireland met to determine who should have the head kingship over them and King Lir of the Hill of the White Field expected surely he would be elected When the nobles went into council together they chose for head king Dearg son of Daghdha because his father had been so great a Druid and he was the eldest of his father s sons But Lir left the Assembly of the Kings and went home to the Hill of the White Field The other kings would have followed after Lir to give him wounds of spear and wounds of sword for not yielding obedience to the man to whom they had given the over lordship But Dearg the king would not hear of it and said Rather let us bind him to us by the bonds of kinship so that peace may dwell in the land Send over to him for wife the choice of the three maidens of the fairest form and best repute in Erin the three daughters of Oilell of Aran my own three bosom nurslings So the messengers brought word to Lir that Dearg the king would give him a foster child of his foster children Lir thought well of it and set out next day with fifty chariots from the Hill of the White Field And he came to the Lake of the Red Eye near Killaloe And when Lir saw the three daughters of Oilell Dearg the king said to him Take thy choice of the maidens Lir I know not said Lir which is the choicest of them all but the eldest of them is the noblest it is she I had best take If so said Dearg the king Ove is the eldest

and she shall be given to thee if thou wilt So Lir and Ove were married and went back to the Hill of the White Field And after this there came to them twins a son and a daughter and they gave them for names Fingula and Aod And two more sons came to them Fiachra and Conn When they came Ove died and Lir mourned bitterly for her and but for his great love for his children he would have died of his grief And Dearg the king grieved for Lir and sent to him and said We grieve for Ove for thy sake but that our friendship may not be rent asunder I will give unto thee her sister Oifa for a wife So Lir agreed and they were united and he took her with him to his own house And at first Oifa felt affection and honour for the children of Lir and her sister and indeed every one who saw the four children could not help giving them the love of his soul Lir doted upon the children and they always slept in beds in front of their father who used to rise at early dawn every morning and lie down among his children But thereupon the dart of jealousy passed into Oifa on account of this and she came to regard the children with hatred and enmity One day her chariot was yoked for her and she took with her the four children of Lir in it Fingula was not willing to go with her on the journey for she had dreamed a dream in the night warning her against Oifa but she was not to avoid her fate And when the chariot came to the Lake of the Oaks Oifa said to the people Kill the four children of Lir and I will give you your own reward of every kind in the world But they refused and told her it was an evil thought she had Then she would have raised a sword herself to kill and destroy the children but her own womanhood and her weakness prevented her so she drove the children of Lir into the lake to bathe and they did as Oifa told them
